Members Needs	
Jimmy Bagley	Hip & back pain, going to try meds & PT, sees doctor again in 4 weeks; improving, going to PT, long process
Debbie Collins	Hip surgery went well, doing great, good report from the doctor, doing PT
Bob Daniel	Back pain, 2 scans last Thursday were clear, after the procedure Monday 19 th to put "cement" in fractured vertebrae, and an epidural last Friday the pain has not subsided like we hoped, had another epidural on the 5 th Diagnosis is degenerative disc disease so no magic pill; no relief yet but continuing to pursue spinal doctors; Keep praying
Wayne & Belinda Daugherty	Belinda is very sick with an upper respiratory infection; Wayne had his colonoscopy & everything went well, due to no room available he will report back to the hospital tomorrow for his reversal surgery
Glen & Connie Elmore	Test showed cancer spread to lymph nodes and his hip
Bubba & LuCile Gibson	LuCile will see podiatrist in January to discuss much needed foot surgery; results from CT scan showed Bubba's aortic aneurysm is at 5.8 cm which is at the operable stage, consult with surgeon Monday
Shelia Gulledge	Has not improved physically and her mental health has declined
Pete Harris	Keep praying his PSA number remains below 4; PSA was 1.25 at last check-up; back for another check-up February 16th; pray for 0 PSA
Christy Harrison	After a scary few days and 7 pints of blood Christy feels better. Home today
Robert & Gayle Hawkins	MOHS on his face are healing well; Gayle's sinus surgery went well, recovery is no fun but she's doing ok
Brandon Jones	Shoulder surgery went well; doing good, doctor started him on a few small exercises but he can't pick up anything over 2 pounds for another 5 weeks, then start PT
Mike Kilgore	Continue prayers; latest blood work good
Brenda Lipscomb	back surgery @ UAB Tuesday, it lasted about 5 hours, she slept ok, lot of pain but surgery went well, probably in hospital another 2-3 days
Margaret Matthews	congestive heart failure
Elizabeth McGukin	Went back to doctor because sinus infection was not getting better; doctor says she has long term COVID - tires easily, lots of congestion & coughing, could last 3 months to a yr.
Meg Melton	Shingles since Thanksgiving, Still having head & ear pain, not sure if it is still shingles related or ear issues; going to ENT Monday
Whitney Rice	Ruptured abscess in her colon; surgery to remove part of colon went well, home this morning
Carly Smith	Shingles are dried up but the pain is still there
Jaime Tatom	Surgery for knee replacements went well, pray for her recovery; doing good with PT
Jason Tidwell	Doing ok now, being referred to a urologist at UAB, hoping a fresh set of eyes will help
Robert & Joann Vaughn	Brownie's Parents, Please pray for both of them as they adjust to Robert going to Bill Nichol's Veteran's Home
Marcia Ware	Back pain & leg pain
Special Requests	
Annabelle Ashworth	Rare form of cancer, goes to Children's every week for chemo, it's a vicious cycle of low lab values & return trips for infusions multiple times a week; they will evaluate how tumor is responding to chemo in late Jan. with the plan for surgery in February, with a possibility of more radiation after surgery
Kathleen Atkins	Doug's mother home recovering from COVID, doing good

Glenda Brock	Heart problems & health issues Jerry Hughes' sister
Greg Busko	Tom's brother lung cancer, no chemo or radiation, robotic surgery is 2/1/23, Piedmont in Atlanta
Dick Conway	Mary Belser's brother, kidney getting better; eyesight no better, can only see shadows; hand is better after surgery; back better due to shots
Patrick Cox (Robin)	Good report at last check-up; just a long recovery and being careful not to fall, it will take 2 years for the bones to heal & secure to flesh Hawkin's son-in-law
Pat Cutts	Many health issues; has 3-4 fractures of her spine; procedure to put cement in these areas did not help; a little better but still trying to get over the RSV, coughing still an issue, can't talk much without losing her breath, symptoms of scleroderma which are hard to keep at bay Jean Gravette's cousin
Sophie Grace Doane	Premature; in prenatal unit for 6 months; home now with trac in throat to help breathing; feeding tube in stomach; making good progress Joel R's great-niece
Mildred East	Ultra sound showed suspicious tissues in the other breast; biopsy showed cancer; surgery went well; oncologist thinks prognosis is good, NO CHEMO, will start a new estrogen lowering drug soon, please pray for no horrible side effects; radiation in 2-4 weeks when incisions heal Jean Gravette's sister-in-law
Peggy Foreman	Lizz Spencer's Mom EAMC ICU kidney failure; please pray for Lizz & her Mom
Shelia Fuller	Still doing chemo even though she is in remission; gall bladder surgery went well Holly's sister-in-law
Kristie Garduno	aggressive cancer, had lumpectomy, lymph nodes clear; had mastectomy, still doing treatments, reconstructive surgery Dec. 22 nd ; doing good, back at work Sue Weldon's daughter
Baby Garner	please continue prayers that there are no other permanent issues; has had some really good days and has begun several therapy treatments, good report from pediatric neurologist last Thursday, headed to New Orleans this week to see a specialist in hyperbaric oxygen therapy, they feel this could help continued recovery from both injuries; pray he will continue to improve Max Graham's Grandson
Nita Garrett	Yvonne's sister Bethany House doing ok, good days & bad days
Justin Gilstrap	11 yr. old in the hospital recovering from a three-dog attack while riding his bike, halfway torn scalp, bites on his legs, half his ear bitten off Jerry McGukin
Tom Hall	Scheduled for kidney transplant and got COVID Nov. 5 th , must text negative before they can proceed, tested positive again, will retest January 24th Jenny Hall's son
Charles Harmon	Cancer has returned; it is very aggressive; about the same Jane Kile's brother
Betty Harper	Brenda Payne's Mama stroke, PT has done all they can, doing pretty good right now
Bucky & AJ Heard	AJ's breast cancer is stage 1, non-aggressive and treatable, looks like she will have a lumpectomy & probably radiation; Cydney has auto immune disorder which could be related to teenage hormones
John Hooten	Prostate cancer Linda K's nephew-in-law
Donna Hornsby	Shannon Dark's mom; cancer; no treatments at this time, she can barely talk which is very frustrating to her; please pray for her daughter Shannon as she helps care for her
Jessica Hudson	Cosby's daughter, still out of remission; back on steroids, checking insurance to see if she qualifies for infusions
Karson Hughes	Sonya's 10 yr. old great-nephew; cancer continues to spread, increased symptoms & pain, started him on steroids which causes him to get very upset very quickly but they did increase his appetite; no real plan at this point, just play it day by day, spot of cancer on his spine
Larry Johnson (Peggy)	Home from hospital with Home Health, still dealing with issues
Gale Jones	Back surgery, cleaned out spina column & fused 2 vertebrae; doing good

Katie Kennedy	Glen Elmore's youngest daughter; had a stroke: doing much better; back at work; saw cardiologist Jan. 9th; she will wear a monitor for 72 hours and they are going to schedule a CT scan
Carol Kuykendall	Spot discovered on lung; biopsy showed cancer; treatments are just a pill for right now; doing ok Charlie's Mom
Connie Lacy	Surgery tomorrow to remove benign tumor Carol Seller's sister
Angie Tindall Lamb	Cancer in one kidney; had surgery Monday at Northport Hospital and only had to remove half the kidney; doctor was pleased but will know more when labs come back Patti N/Harriet W
Charlotte Land Family	She passed away Brenda Bagley Step mother of daughter's friend
Dewayne Ledbetter	Holly's cousin's son 45 years old hit by a car, brain-bleed under control; walking with a walker, still slow walking & eating but making progress Holly
Alex Martin	Senior at Beauregard High School; released to go back to sports but lymph nodes still swollen; back in January & if swelling has not gone down, they will do another biopsy; pray for the swelling to go down so they don't have to do another biopsy Stephanie Tidwell
Regina McGinty	As she deals with the loss of her husband Sue Weldon's sister-in-law
Krista McGukin	Has had uterine cancer; nodules at the bottom of her lungs have not changed since the last scan; has pneumonia, better after another round of steroid shot & antibiotic
Frank & Roseanne Modugno	Roseanne saw surgeon in NY on the 9th; she needs open heart surgery within 1-3 months; house in NY sold which is a praise; pray the Lord will guide her to make the right decision about where to have surgery
Shelley Moore	Stage 3 non-small cell lung cancer (Adenocarcinoma) port placed, has had one chemo, will do three before surgery to remove left lung, next treatment Jan. 23rd Debbie Thompson's friend
Glen Nelson	Moved to nursing home, not doing well Danna's brother
Bryce Patten	leukemia, finishes 2 years of chemo in March, he is in remission; bringing home all A's from school, doing great June C.
Linda Kay Peters	Gayle Hawkin's cousin has been in remission but blood work came back bad, back on chemo; had another stroke and not doing good
Bubba Phillips	Surgery on leg got infected; has compression socks & can stay up more, still quite a way to go; appreciates prayers Ann C nephew
Peggy Prewett	Stage 3A cancer; had double mastectomy; removed 7 lymph nodes 5 had cancer cells; started chemo Oct 5 th ; will have to take for a year; chemo makes her very sick, diarrhea & dehydration makes her have to go to ER Linda McGuirt's friend
Teresa Raims	Dementia Jimmy P
Shelia Rigsby	pancreatic cancer; finished radiation therapy & numbers came down initially, but went up drastically. Labs in December showed pancreas tumor was unchanged but she had tumor studs on her liver, colon, & nodules on her chest. She decided no more treatments, she gets fluids several times a week & they are trying to keep her comfortable Belinda's cousin
David Robinson	Back issues causing him pain; trying PT & shots Holly
Margaret Robinson	macular degeneration; will go back to retina specialist in March for a consult about eye surgery Holly's Mom
Chip Scocca	Nanci S. brother, doing ok and is thankful for the prayers
Belinda Siggers	Cancer numbers are up, started chemo & treatments make her extremely sick, she will have treatments every 3 weeks; one more chemo next week then scan, tumor is in abdomen next to spleen & colon, pray it is not attached to the spleen, please pray for the family Carol Sellers

Reagan Simmons	Was very ill with severe diarrhea, was not getting nutrients she needs from her food; totally allergic to any dairy products so having to learn new ways to make recipes, doing much better 18-year-old granddaughter of Bill & Debra Francis
Carolyn Smith	Carly Smith's daughter-in-law cancer, finished her chemo; waiting on the surgeon to decide what to do next
Bob Stone	Congestive heart failure Mike Tucker's uncle
Dot Vickers	Malignant tumor on spine, nothing they can do, pray for peace & comfort; doing great Gayle Huff her son Jimmy is working & doing good, not living with his Mom
Faye Wakefield	Severe pain, not sure she will improve without a miracle Bro. Ben
Cheryl Waller	Waiting for a heart transplant Gloria's cousin
Rosby Warnock	3 yr. old, removed large malignant tumor from chest after chemo; PET scan came back clear; maintenance chemo weekly through port & taking meds by mouth daily Ann A.
Major Webb	Very bad headaches; lives in Guam; no improvement & side effects with meds, going to Hawaii to see another neurologist Busko's nephew
Sue Weldon	Has AFib; heart cath showed no blockages; they changed her meds
Paul Williams	John & Brenda Lipscomb's son-in-law emergency brain surgery July 14 th at UAB; paralyzing on one side of his face from first surgery is better but his eye is still a problem; his Boston surgeon wants to wait until first of the year to see how fast the tumor is growing; symptoms have returned, headed to Boston Tuesday
Angie Willis	approved to go on the kidney transplant list; Labs showing kidney failure, goes back the 18th to complete the fistula in her arm in preparation for dialysis, lab work will indicate when she starts dialysis; still praying for a donor Susan Tittle's daughter
Jane Wilson	Diagnosed with kidney failure Gloria
Leigh Wyngard	Staph infection in surgery site after open-heart surgery; bad diabetic; came home with wound vac and home health; on antibiotics for 3 months; additional surgery to remove one of the wires that is holding her chest together. wound vac is GONE, almost back to normal Susan Tittle
Elaine Wright	doing better Holly's aunt
Bill Yates	Needs both hips & both knees replaced; had one hip replacement and had a lot of problems with infection, etc. Will have the other hip replaced Feb. 13 th
Missionaries/Military and their Families	
Conway's	Missionaries in Kushan Will & Matt Families Mary Belser
