Leadership Team		
First Responders	As they work to clean up after the storm	
	...My heart's desire and prayer to God... is that they may be saved (Romans 10:1 NIV).	Please continue to pray for your "one" and ALL the lost & unchurched

Members Needs	
Jimmy Bagley	Hip & back pain, going to try meds & PT, sees doctor again in 4 weeks; improving, going to PT, long process
June Clark	C Diff doctor was pleased with how she is doing Monday, he said day 7-9 on antibiotics should show much improvement, still weak & tires easily, please continue to pray
Debbie Collins	Hip surgery went well, doing great, good report from the doctor, doing PT
Bob Daniel	Back pain, 2 scans last Thursday were clear, after the procedure Monday 19 th to put "cement" in fractured vertebrae, and an epidural last Friday the pain has not subsided like we hoped, had another epidural on the 5 th Diagnosis is degenerative disc disease so no magic pill; admitted to Grandview, doing tests, pray for answers; He got relief from pain, home today hopefully on blood thinners to dissolve the clots and will be fitted with a back brace
Wayne & Belinda Daugherty	reversal surgery last Thursday went well, got to come home Monday, pray for his recovery
Glen & Connie Elmore	Test showed cancer spread to lymph nodes and his hip
Bubba & LuCile Gibson	LuCile will see podiatrist in January to discuss much needed foot surgery; results from CT scan showed Bubba's aortic aneurysm is at 5.8 cm which is at the operable stage, surgery is scheduled for Jan. 31st
Shelia Gullede	Has not improved physically and her mental health has declined
Pete Harris	Keep praying his PSA number remains below 4; PSA was 1.25 at last check-up; back for another check-up February 16th; pray for 0 PSA
Jan Holland	Health issues, just never feels good
Brandon Jones	Shoulder surgery went well; doing good, doctor started him on a few small exercises but he can't pick up anything over 2 pounds for another 5 weeks, then start PT
Mike Kilgore	Continue prayers; latest blood work good
Brenda Lipscomb	Brenda coded in the hospital following back surgery last week and is in a coma. Moving to palliative care today
Margaret Matthews	congestive heart failure
Elizabeth McGukin	Went back to doctor because sinus infection was not getting better; doctor says she has long term COVID - tires easily, lots of congestion & coughing, could last 3 months to a yr.
Meg Melton	Shingles since Thanksgiving, Still having head & ear pain, not sure if it is still shingles related or ear issues; had to reschedule ENT appt. Jeanna & Meg have both been sick, Jeanna is better and Meg is getting there
Whitney Rice	Ruptured abscess in her colon; surgery to remove part of colon went well, home recovering; drain & staples out today, back in 8 weeks to discuss reconnection
Carly Smith	Shingles are dried up but the pain is still there
James Smith	Pray for a meeting room/space that would provide a place for people in the new development off Hwy. 63 to begin meeting until a church could be built, and a church planter to work with them
Jaime Tatom	Surgery for knee replacements went well, pray for her recovery; doing good with PT
Jason Tidwell	Doing ok now, being referred to a urologist at UAB, hoping a fresh set of eyes will help
Robert & Joann Vaughn	Brownie's Parents, Robert came home from the hospital Tuesday, he is much better
Marcia Ware	Back pain & leg pain

Special Requests	
Annabelle Ashworth	Rare form of cancer, goes to Children's every week for chemo, it's a vicious cycle of low lab values & return trips for infusions multiple times a week; they will evaluate how tumor is responding to chemo in late Jan. with the plan for surgery in February, with a possibility of more radiation after surgery
Kathleen Atkins	Doug's mother recovering from COVID, ER yesterday with a bladder infection, home and much better today
Glenda Brock	Heart problems & health issues Jerry Hughes' sister
Greg Busko	Tom's brother lung cancer, no chemo or radiation, robotic surgery is 2/1/23, Piedmont in Atlanta
Pat Cutts	Many health issues; has 3-4 fractures of her spine; procedure to put cement in these areas did not help; a little better but still trying to get over the RSV, coughing still an issue, can't talk much without losing her breath, symptoms of scleroderma which are hard to keep at bay Jean Gravette's cousin
Randall Davis	LMCH with pneumonia home doing much better Holly's Uncle
Sophie Grace Doane	Premature; in prenatal unit for 6 months; home now with trac in throat to help breathing; feeding tube in stomach; making good progress Joel R's great-niece
Mildred East	Ultra sound showed suspicious tissues in the other breast; biopsy showed cancer; surgery went well; oncologist thinks prognosis is good, NO CHEMO, will start a new estrogen lowering drug soon, please pray for no horrible side effects; radiation in 2-4 weeks when incisions heal Jean Gravette's sister-in-law
Peggy Foreman	Lizz Spencer's Mom EAMC ICU kidney failure; coded last week & was put on a vent, she is off the ventilator & all tubes have been removed, the swelling in her throat literally went down overnight, she is eating & drinking & will go home in the next couple of days! All glory to God!
Shelia Fuller	Still doing chemo even though she is in remission Holly's sister-in-law
Baby Garner	please continue prayers that there are no other permanent issues; has had some really good days and has begun several therapy treatments, good report from pediatric neurologist, saw a specialist in hyperbaric oxygen therapy last week, they feel this could help continued recovery from both injuries; pray he will continue to improve Max Graham's Grandson
Nita Garrett Family	Yvonne's sister
Justin Gilstrap	11 yr. old in ICU recovering from a three-dog attack while riding his bike, he has had 5 surgeries with more to come, he is missing 70% of his scalp, has several lacerations & staples, he is doing well but is in a lot of pain Jerry McGukin
Tom Hall	Scheduled for kidney transplant and got COVID Nov. 5 th , must test negative before they can proceed, tested positive again, will retest January 24th Jenny Hall's son
Charles Harmon	Cancer has returned; it is very aggressive; about the same Jane Kile's brother
Betty Harper	Brenda Payne's Mama stroke, PT has done all they can, doing pretty good right now
Bucky & AJ Heard	AJ's breast cancer is stage 1, non-aggressive and treatable, looks like she will have a lumpectomy & probably radiation; Cydney has auto immune disorder which could be related to teenage hormones
John Hooten	Prostate cancer Linda K's nephew-in-law
Donna Hornsby	Shannon Dark's mom; cancer; no treatments at this time, she can barely talk which is very frustrating to her; please pray for her daughter Shannon as she helps care for her
Jessica Hudson	Cosby's daughter, still out of remission; back on steroids, checking insurance to see if she qualifies for infusions
Karson Hughes	Sonya's 10 yr. old great-nephew; cancer continues to spread, increased symptoms & pain; no real plan at this point, just play it day by day, spot of cancer on his spine; please pray for this Momma as she deals with funeral plans & discussions about DNR's

Larry Johnson (Peggy)	Home from hospital with Home Health, still dealing with issues
Katie Kennedy	Glen Elmore's youngest daughter; had a stroke: doing much better; back at work; saw cardiologist Jan. 9th; she will wear a monitor for 72 hours and they are going to schedule a CT scan
Carol Kuykendall	Spot discovered on lung; biopsy showed cancer; treatments are just a pill for right now; doing ok Charlie's Mom
Connie Lacy	Surgery to remove two benign tumors went well, pray for her recovery Carol Seller's sister
Angie Tindall Lamb	Cancer in one kidney; had surgery Monday at Northport Hospital and only had to remove half the kidney; doctor was pleased but will know more when labs come back Patti N/Harriet W
Dewayne Ledbetter	Holly's cousin's son 45 years old hit by a car, brain-bleed under control; walking with a walker, still slow walking & eating but making progress; issues with eyes from head trauma, still in rehab Holly
Dorcas Little	Lucy's daughter, struggling with a kidney stone
Alex Martin	Senior at Beaugard High School; released to go back to sports but lymph nodes still swollen; back in January & if swelling has not gone down, they will do another biopsy; pray for the swelling to go down so they don't have to do another biopsy Stephanie Tidwell
Krista McGukin	Has had uterine cancer; nodules at the bottom of her lungs have not changed since the last scan; has pneumonia, taking another round of prednisone & antibiotic, please pray this works, she needs to go back to work
Frank & Roseanne Modugno	Home from NY, Roseanne will be having open heart surgery in the near future
Shelley Moore	Stage 3 non-small cell lung cancer (Adenocarcinoma) port placed, has had one chemo, will do three before surgery to remove left lung, next treatment Jan. 23rd Debbie Thompson's friend
Peggy Moran Family	Sharon Traylor & Sue Harris' sister
Benford & Judy Morgan	Jerry Hughes neighbors need knee replacement but health prevents surgery
Glen Nelson	Moved to nursing home, not doing well Danna's brother
Bryce Patten	leukemia, finishes 2 years of chemo in March, he is in remission; bringing home all A's from school, doing great June C.
Linda Kay Peters	Gayle Hawkin's cousin has been in remission but blood work came back bad, back on chemo; had another stroke and not doing good
Bubba Phillips	Surgery on leg got infected; has compression socks & can stay up more, still quite a way to go; appreciates prayers Ann C nephew
Sharon Phillips	Ann C. back pain, appt. with back doctor today, hoping to schedule a block this week
Peggy Prewett	Stage 3A cancer; had double mastectomy; removed 7 lymph nodes 5 had cancer cells; started chemo Oct 5 th ; will have to take for a year; chemo makes her very sick, diarrhea & dehydration makes her have to go to ER Linda McGuirt's friend
Teresa Raims	Dementia Jimmy P
Shelia Rigsby	pancreatic cancer; finished radiation therapy & numbers came down initially, but went up drastically. Labs showed pancreas tumor was unchanged but she had tumor studs on her liver, colon, & nodules on her chest. She decided no more treatments, she gets fluids several times a week & they are trying to keep her comfortable Belinda's cousin
David Robinson	Back pain is better, doing exercises to help Holly

Margaret Robinson	macular degeneration; will go back to retina specialist in March for a consult about eye surgery; doctor Monday shot in shoulder & lower back has helped pain Holly's Mom
Chip Scocca	Nanci S. brother, doing ok and is thankful for the prayers
Belinda Siggers	Cancer numbers are up, started chemo & treatments make her extremely sick, she will have treatments every 3 weeks; scan after the chemo this week, tumor is in abdomen next to spleen & colon, pray it is not attached to the spleen, going to MD Anderson Feb. 5th she will be there 3 days for tests & doc. Appt. Carol Sellers
Carolyn Smith	Carly Smith's daughter-in-law cancer, finished her chemo; waiting on the surgeon to decide what to do next
Bob Stone	Congestive heart failure, had stent put in and back at Bill Nichols Mike Tucker's uncle
Ross Tapley	Was born without enough pigmentation in his eyes which was affecting his sight, at his check-up Monday his vision was perfect! Pat Lynch's great grandson
Macie Huff Turner	Gayle Huff's great granddaughter at UAB, has pneumonia, Home Tuesday
Dot Vickers	Malignant tumor on spine, nothing they can do, pray for peace & comfort; doing great Gayle Huff her son Jimmy is working & doing good, not living with his Mom
Faye Wakefield	Severe pain, not sure she will improve without a miracle Bro. Ben
Cheryl Waller	Waiting for a heart transplant Gloria's cousin
Rosby Warnock	3 yr. old, removed large malignant tumor from chest after chemo; PET scan came back clear; maintenance chemo weekly through port & taking meds by mouth daily Ann A.
Major Webb	lives in Guam; still having headaches, going to Hawaii this month to see another neurologist Busko's nephew
Sue Weldon	Has AFib; heart cath showed no blockages; they changed her meds
Paul Williams	John & Brenda Lipscomb's son-in-law emergency brain surgery July 14 th at UAB; paralyzing on one side of his face from first surgery is better but his eye is still a problem; his Boston surgeon wants to wait until first of the year to see how fast the tumor is growing; symptoms have returned, returned to Boston Tuesday to have an arteriogram to determine next steps
Angie Willis	approved to go on the kidney transplant list; Labs showing kidney failure, goes back the 18 th to complete the fistula in her arm in preparation for dialysis, lab work will indicate when she starts dialysis; still praying for a donor Susan Tittle's daughter
Jane Wilson	Diagnosed with kidney failure Gloria
Leigh Wyngard	Staph infection in surgery site after open-heart surgery; bad diabetic; came home with wound vac and home health; on antibiotics for 3 months; additional surgery to remove one of the wires that is holding her chest tog wound vac is GONE, almost back to normal Susan Tittle
