Leadership Team

First Responders As they work to clean up after the storm

Baptist Foundation of Alabama Wednesday, February 1st @ 6:00 to discuss Capital Campaign

...My heart's desire and prayer to God... is that they may be saved (Romans 10:1 NIV).

Please continue to pray for your "one" and ALL the lost & unchurched

Members Needs	
June Clark	C Diff much better, finished antibiotic Tuesday
Rhythm Clark	13 stitches on her face from fall last Wednesday, doing well
Bob Daniel	Back pain, Diagnosis is degenerative disc disease so no magic pill; admitted to Grandview, procedure last Friday to put cement in the disc in his back, had another MRI Monday to see if there are any more broken disc
Wayne & Belinda Daugherty	Doing really well, staples out Tuesday, has a pocket of fluid built up behind one of the staples, not infected but back in a week to get it checked
Glen & Connie Elmore	Test showed cancer spread to lymph nodes and his hip
Bubba & LuCile Gibson	LuCile will see podiatrist in January to discuss much needed foot surgery; results from CT scan showed Bubba's aortic aneurysm is at 5.8 cm which is at the operable stage, surgery is scheduled for Jan. 31st
Shelia Gullede	Doing ok, memory loss worse but not sleeping as much, been having stomach issues but hoping meds help
Pete Harris	Keep praying his PSA number remains below 4; PSA was 1.25 at last check-up; back for another check-up February 16th; pray for 0 PSA
Christy Harrison	Found 5 varicies & banded them to stop bleeding, appears she has cirrhosis, probably caused from treatments for leishmaniasis and chemo, not a candidate for liver transplant, appt. with oncologist tomorrow to determine plan for chemo
Gayle Hawkins	Follow up appointment with ENT after her sinus surgery, still some infection so back in 2 weeks
Bill & Jan Holland	Jan has Health issues, just never feels good Bill fell Friday night; hit his head, knee, and bruises & cuts, he got checked out at Urgent Care, he is very sore
Evelyn Huey	Neck pain, did x-rays Monday and a CT scan with contrast Tuesday; please pray for answers and relief
Brandon Jones	Shoulder surgery went well; doing good, doctor started him on a few small exercises but can't start PT for 4 more weeks
Mike Kilgore	Continue prayers; latest blood work good
Brenda Lipscomb (John)	Brenda coded in the hospital following back surgery last week and is in a coma. Transferred to palliative care, removed machines last Saturday, she is breathing on her own but the outcome is still heaven bound, her brain damage is too severe to overcome; please pray for comfort & peace for the family
Margaret Matthews	congestive heart failure
Elizabeth McGukin	Went back to doctor because sinus infection was not getting better; doctor says she has long term COVID - tires easily, lots of congestion & coughing, could last 3 months to a yr.
Meg Melton	Shingles since Thanksgiving, Still having head & ear pain, not sure if it is still shingles related or ear issues; ENT doctor said Meg needed hearing aids, she will go on the 7th to try some; she has negative pressure in both ears & fluid, going to try Flonase for a month then go back; the nerve pain from the shingles could last a year, still struggling with COPD & Crud
Whitney Rice	Ruptured abscess in her colon; surgery to remove part of colon went well, home recovering; drain & staples out; back in 7 weeks to discuss reconnection Congratulations to Lolly and Pops on the birth of their new granddaughter Murray Lynn Howell
Danna Roach	Fell & broke her hip yesterday, surgery this afternoon
Carly Smith	Shingles are dried up but the pain is still there

James Smith	experiencing sciatic pain & numbness in his legs & feet. Dr. Mockler is referring him to physical therapy which may relieve it.
James Smith	Pray for a meeting room/space that would provide a place for people in the new development off Hwy. 63 to begin meeting until a church could be built, and a church planter to work with them
Jaime Tatom	Surgery for knee replacements went well, pray for her recovery; doing good with PT
Jason Tidwell	Doing ok now, being referred to a urologist at UAB, hoping a fresh set of eyes will help
Robert & Joann Vaughn	Brownie's Parents, Robert came home from the hospital last Tuesday with Hospice, he is doing better
Marcia Ware	Back pain & leg pain
Special Requests	
Annabelle Ashworth	Rare form of cancer, goes to Children's every week for chemo, it's a vicious cycle of low lab values & return trips for infusions multiple times a week; they will evaluate how tumor is responding to chemo in late Jan. with the plan for surgery in February, with a possibility of more radiation after surgery
Kathleen Atkins	Doug's mother recovering from COVID & bladder infection, doing better
Glenda Brock	Heart problems & health issues Jerry Hughes' sister
Greg Busko	Tom's brother lung cancer, no chemo or radiation, robotic surgery is 2/1/23, Piedmont in Atlanta
Pat Cutts	Many health issues; has 3-4 fractures of her spine; procedure to put cement in these areas did not help; a little better but still trying to get over the RSV, coughing still an issue, can't talk much without losing her breath, symptoms of scleroderma which are hard to keep at bay Jean Gravette's cousin
Randall Davis	Recovering from pneumonia, doing better Holly's Uncle
Sophie Grace Doane	Premature; in prenatal unit for 6 months; home now with trac in throat to help breathing; feeding tube in stomach; making good progress Joel R's great-niece
Mildred East	Cancer in other breast; surgery went well; oncologist thinks prognosis is good, NO CHEMO, will start a new estrogen lowering drug soon, please pray for no horrible side effects; radiation in 2-4 weeks when incisions heal; had to have temporary drain put in , please pray it doesn't have to go back in so she can start radiation Jan. 30th Jean Gravette's sister-in-law
Peggy Foreman	Lizz Spencer's Mom EAMC ICU kidney failure; coded last week & was put on a vent, she is off the ventilator & all tubes have been removed, the swelling in her throat literally went down overnight, she is eating & drinking & will go home in the next couple of days! All glory to God! She went home Friday, pray she will continue to improve
Mike Fuller (Brenda)	Mass removed last week, will get pathology report next week, pray for a good report & no further treatment necessary Jean Gravette
Shelia Fuller	Still doing chemo even though she is in remission Holly's sister-in-law
Kristie Garduno	Breast cancer, mastectomy, back at work but it's rough; still doing infusions
Baby Garner Graham (Patrick & Hollin)	please continue prayers that there are no other permanent issues, good report from pediatric neurologist, saw a specialist in hyperbaric oxygen therapy, showing some signs of improvement from the therapy, his eyes seem to be tracking better & his physical reflexes & movements seem better; he is thriving ... grown 1.5" and weighs nearly 12 pounds; he has a full assessment Thursday Max Graham's Grandson
Nita Garrett Family	Yvonne's sister
Justin Gilstrap	11 yr. old in ICU recovering from a three-dog attack while riding his bike, he has had 7 surgeries with more to come, he is missing 70% of his scalp, has several lacerations & staples, he is doing well but is in a lot of pain Jerry McGukin

Tom Hall	Scheduled for kidney transplant and got COVID Nov. 5 th , must text negative before they can proceed, finally tested negative, pray for a surgery date soon Jenny Hall's son
Charles Harmon	Cancer has returned; it is very aggressive; about the same Jane Kile's brother
Betty Harper	Brenda Payne's Mama stroke, PT has done all they can, doing pretty good right now
Bucky & AJ Heard	AJ's breast cancer is stage 1, non-aggressive and treatable, looks like she will have a lumpectomy & probably radiation; Cydney has auto immune disorder which could be related to teenage hormones
John Hooten	Prostate cancer Linda K's nephew-in-law
Donna Hornsby	Shannon Dark's mom; cancer; no treatments at this time, she can barely talk which is very frustrating to her; please pray for her daughter Shannon as she helps care for her
Jessica Hudson	Cosby's daughter, still out of remission; back on steroids, still waiting on ok from insurance to start infusions
Karson Hughes	Sonya's 10 yr. old great-nephew; cancer continues to spread, increased symptoms & pain; no real plan at this point, just play it day by day, spot of cancer on his spine; please pray for this Momma as she deals with funeral plans & discussions about DNR's
Larry Johnson (Peggy)	Home from hospital with Home Health, still dealing with issues
Katie Kennedy	Glen Elmore's youngest daughter; had a stroke: doing much better; back at work; saw cardiologist Jan. 9 th ; heart monitor did not show anything abnormal; scheduled for a TEE Feb. 13th
Carol Kuykendall	Spot discovered on lung; biopsy showed cancer; treatments are just a pill for right now; doing ok Charlie's Mom
Angie Tindall Lamb	Cancer in one kidney; surgeon only had to remove half the kidney; great results from labs - stage 1 cancer, has not spread, no further tests, and no surgery needed Patti N/Harriet W
Dewayne Ledbetter	Holly's cousin's son 45 years old hit by a car, brain-bleed under control; walking with a walker, still slow walking & eating but making progress; issues with eyes from head trauma, still in rehab Holly
Dorcas Little	Lucy's daughter, still has not passed the kidney stone but the pain is better
Alex Martin	Senior at Beauregard High School; released to go back to sports but lymph nodes still swollen; back in January & if swelling has not gone down, they will do another biopsy; pray for the swelling to go down so they don't have to do another biopsy Stephanie Tidwell
Krista McGukin	Has had uterine cancer; nodules at the bottom of her lungs have not changed since the last scan; has pneumonia, taking another round of prednisone & antibiotic, please pray this works, she needs to go back to work; went to oncologist Monday & she is sending her to a gastrointestinal doctor, something is going on with her intestines
Frank & Roseanne Modugno	Roseanne saw surgeon in NY on the 9 th ; she needs open heart surgery within 1-3 months; Home from NY, Roseanne will be having open heart surgery in the near future. She is waiting for the hospital in NY to send images & test results to new doctor.
Shelley Moore	Stage 3 non-small cell lung cancer (Adenocarcinoma), one more chemo treatment in 21 (from 1/23/23) days & then they will evaluate for surgery to remove left lung Debbie Thompson's friend
Benford & Judy Morgan	Jerry Hughes neighbors need knee replacement but health prevents surgery
Glen Nelson	Moved to nursing home, not doing well Danna's brother
Bryce Patten	leukemia, finishes 2 years of chemo in March, he is in remission; bringing home all A's from school, doing great June C.
Linda Kay Peters	Gayle Hawkin's cousin has been in remission but blood work came back bad, back on chemo; had another stroke & is in rehab, not doing good

Bubba Phillips	Surgery on leg got infected; has compression socks & can stay up more, still quite a way to go; appreciates prayers Ann C nephew
Sharon Phillips	Ann C. back pain, still waiting on the pain clinic to call & schedule block
Robert Pickett	Fell Saturday & broke his back in 3 places, bad diabetic, needs heart surgery, but his back has to be fixed first
Peggy Prewett	Stage 3A cancer; had double mastectomy; removed 7 lymph nodes 5 had cancer cells; started chemo Oct 5 th ; will have to take for a year; chemo makes her very sick, diarrhea & dehydration makes her have to go to ER Linda McGuirt's friend
Teresa Raims	Dementia Jimmy P
Shelia Rigsby	pancreatic cancer; finished radiation therapy & numbers came down initially, but went up drastically. Labs showed pancreas tumor was unchanged but she had tumor studs on her liver, colon, & nodules on her chest. She decided no more treatments, she gets fluids several times a week & they are trying to keep her comfortable Belinda's cousin
David Robinson	Back pain is better, doing exercises to help Holly
Margaret Robinson	macular degeneration; will go back to retina specialist in March for a consult about eye surgery; shots in shoulder & lower back has helped pain Holly's Mom
Chip Scocca	Nanci S. brother, doing ok, thankful for the prayers
Belinda Siggers	Cancer numbers are up, chemo & treatments make her extremely sick, treatments every 3 weeks; tumor is in abdomen next to spleen & colon, pray it is not attached to the spleen, going to MD Anderson Feb. 5th she will be there 3 days for tests & doc. appt. Carol Sellers
Carolyn Smith	Carly Smith's daughter-in-law cancer, finished her chemo; waiting on the surgeon to decide what to do next
Ross Tapley	Was born without enough pigmentation in his eyes which was affecting his sight, at his check-up Monday his vision was perfect! Pat Lynch's great grandson
Dot Vickers	Malignant tumor on spine, nothing they can do, pray for peace & comfort; doing great Gayle Huff her son Jimmy is working & doing good, not living with his Mom
Faye Wakefield	Severe pain, not sure she will improve without a miracle Bro. Ben
Cheryl Waller	Waiting for a heart transplant Gloria's cousin
Rosby Warnock	4 yr. old, removed large malignant tumor from chest after chemo; Last maintenance chemo through port was today. Will continue taking meds by mouth for 2 more weeks; scans will be scheduled within 2 weeks to decide what is next Ann A.
Major Webb	lives in Guam; still having headaches, going to Hawaii this month to see another neurologist Busko's nephew
Sue Weldon	Leg swollen & red, did Doppler Scan to check circulation last Friday, back to doctor tomorrow for results; cancer doctor gave her a shot for her bones, back in 3 months due to AFIB
Paul Williams	John & Brenda Lipscomb's son-in-law emergency brain surgery July 14 th at UAB; follow-up with doctor in Boston: no surgery is needed right now & he may never need surgery, the fistula in his brain can grow & affect his vision over time but that is something that can be monitored
Angie Willis	approved to go on the kidney transplant list; Labs showing kidney failure, they could not finish the fistula on the 18th because it closed up, doctor will try to do a graft, she wants to try home dialysis, please pray she will be able to do it; lab work will indicate when she starts dialysis; still praying for a donor Susan Tittle's daughter
Jane Wilson	Diagnosed with kidney failure Gloria
Leigh Wyngard	Staph infection in surgery site after open-heart surgery; bad diabetic; came home with wound vac and home health; on antibiotics for 3 months; wound vac is GONE, looks like she will be completely healed with no need for home health in a month Susan Tittle
Elaine Wright	doing better Holly's aunt

Raymond Yancy	Shoulder replaced last Friday, doing well Jean Gravette
Bill Yates	Needs both hips & both knees replaced; had one hip replacement and had a lot of problems with infection, etc. Will have the other hip replaced Feb. 13 th
Missionaries/Military and their Families	
Conway's	Missionaries in Kushan Will & Matt Families Mary Belser
Daniel & Jessica Riuz	Joani & Tom's daughter Liberia
Adam & Charli Spates	Nicaragua
Brittany Yonzon	Urban Nations Outreach NY
