| Members Needs | |
| Mary Belser | much better, got out for the first time in a month yesterday |
| June Clark | C Diff returned, stronger antibiotic for longer, doing better |

| | |
|----------------------------------|--|
| Bob Daniel | Back pain, Diagnosis is degenerative disc disease so no magic pill; home from rehab due to pain preventing him from doing what he needed to; saw Dr. Jones Monday and he said osteoporosis is so bad his bones keep cracking & cannot keep putting in cement; basically pain management is all they can do; had MRI Tuesday |
| Glen & Connie Elmore | Test showed cancer spread to lymph nodes and his hip |
| Bubba & LuCile Gibson | LuCile will have foot surgery Mar. 3rd ; successful surgery for aneurysm last Tuesday, has had a complication post-surgery that he is addressing, thank you so much for your prayerful support, please do not address his illness on social media, no visitors at this time, rest is much needed; Bubba was released from EAMC & moved to a dedicated therapy unit at UAB to work on regaining lower body strength, it's too early to tell but will have estimated stay of 3 weeks, your continued prayerful support is appreciated |
| Shelia Gullede | Doing pretty well, sleeping less during the day, house is sold so able to hang some of her favorite artwork in her room, still very weak, working to build up her strength |
| Pete Harris | Keep praying his PSA number remains below 4; PSA was 1.25 at last check-up; back for another check-up February 16th; pray for 0 PSA |
| Christy Harrison | has cirrhosis, probably caused from treatments for leishmaniasis and chemo, not a candidate for liver transplant, Gastrologist said she could have another bleed anytime so they will do an EGD (Mar. 1st) every 4 weeks to hopefully prevent that; oncologist wanted to start chemo but agreed she could do another set of scans (Feb. 28th) before her next appt. Mar. 2nd and the results would determine their decision; spots were smaller at scan before holidays |
| Gayle Hawkins | sinus surgery, ENT cleaned out her sinuses yesterday & filled up with 2 tubes of antibiotics, he said again infection when teeth are involved is hard to heal, back again in 2 weeks |
| Bill & Jan Holland | Jan has Health issues, good days & bad days |
| Evelyn Huey | Neck pain, high BP issues; did x-rays and a CT scan with contrast; tests showed bone spurs & compression @ the top of her neck, can't have surgery due to damage to lungs caused by COVID, doing PT twice a week; the nerve block has not helped much, back to doctor next Wednesday, he may do another nerve block |
| Brandon Jones | Shoulder surgery; doing well, PT has not started yet but should soon |
| Mike Kilgore | Continue prayers; latest blood work good |
| Lucy Little | Thyroid biopsy & CT scan on her lungs, additional blood work yesterday; please pray for good results |
| Frances Long | Fell and has staples in her head and her hip is fractured but no surgery is necessary; recovering at home, she has PT 3 times a week & a helper that comes in 3 times a week to help with baths, etc., she can walk with her walker , but it's still painful |
| Margaret Matthews | congestive heart failure; had a couple of episodes recently, pretty much went comatose; fell again Sunday, OK but decreased mobility |
| Elizabeth McGukin | Doing much better, has one spot on her leg that doesn't want to heal |
| Meg Melton | Doing good, she went today for molds for hearing aids |
| Jimmy Peoples | Carpal tunnel surgery Thursday Mar. 2 nd rehab will begin Friday |
| Whitney Rice | Ruptured abscess in colon; surgery to remove part of colon went well, home recovering; back in 4 weeks to discuss reconnection; prayers for continued healing |
| Danna Roach | Fell & broke her hip, surgery to put in rods went well; did a week of rehab at Russell, home now, pain is better but she is having a rough time, please pray for strength to do what she needs to do; x-ray last week showed a new fracture in her thigh, recovery will be slower but this explains the excessive pain, please pray the bone will heal |

| | |
|--|---|
| James Smith | experiencing sciatic pain & numbness in his legs & feet. PT is helping some, numbness is a little better Pray for a meeting room/space that would provide a place for people in the new development off Hwy. 63 to begin meeting until a church could be built, and a church planter to work with them |
| Jaime Tatom | Surgery for knee replacements went well, pray for her recovery |
| Jason Tidwell | Doing ok now, being referred to a urologist at UAB, hoping a fresh set of eyes will help |
| Robert & Joann Vaughn | Brownie's Parents, Robert is home with Hospice, he is declining, good days & bad days |
| Marcia Ware | Back pain & leg pain |
