Mary Jo Myers	Recovering from a stroke at Chapman's	
Katie Porter	Dadeville HealthCare she would love some visitors	
Louise Thomas	Veranda Rm. 5	
Mike Weldon	Bill Nichols Veteran's Home	
Sue Wheat	Veranda dementia June Clark	
Diane Wheeler	Veranda Rm. 10 good days and bad days	
Our Church & Staff		
Bro Ben & Sonya Hayes	nerve conduction tests did not reveal any answers for Bro. Ben's back issue. Possibly neuropathy. May need to see a neurologist	
Forrest & Caren Jones		
Austin & Katelin Glass	Prayers for them as they deal with issues with Katelin's Mom	
Charlie & Michele Kuykendall		
Hunter & Christina Baker		
Leadership Team		
First Responders	As they work to clean up after the storm	
	...My heart's desire and prayer to God... is that they may be saved (Romans 10:1 NIV).	Please continue to pray for your "one" and ALL the lost & unchurched
Members Needs		
Mary Belser	Home from the hospital last Friday; much better but still recovering from COVID	
June Clark	C Diff returned, stronger antibiotic for longer	

Bob Daniel	Back pain, Diagnosis is degenerative disc disease so no magic pill; Regional Rehab in Phenix City; Cheryl is so thankful for God getting him this far, please pray he will be able to do the hard work at rehab
Glen & Connie Elmore	Test showed cancer spread to lymph nodes and his hip
Bubba & LuCile Gibson	LuCile will see podiatrist in January to discuss much needed foot surgery; successful surgery for aneurysm last Tuesday, has had a complication post-surgery that he is addressing, thank you so much for your prayerful support, please do not address his illness on social media, no visitors at this time, rest is much needed
Shelia Gullede	Doing pretty well, sleeping less during the day, house is sold so able to hang some of her favorite artwork in her room, still very weak, working to build up her strength
Pete Harris	Keep praying his PSA number remains below 4; PSA was 1.25 at last check-up; back for another check-up February 16th; pray for 0 PSA
Christy Harrison	has cirrhosis, probably caused from treatments for leishmaniasis and chemo, not a candidate for liver transplant, Gastrologist said she could have another bleed anytime so they will do an EGD every 4 weeks to hopefully prevent that; oncologist wanted to start chemo but agreed she could do another set of scans before her next appt. Mar. 2nd and the results would determine their decision; spots were smaller at scan before holidays
Gayle Hawkins	sinus surgery, still some infection at last appt so back to ENT Monday Feb. 13th
Bill & Jan Holland	Jan has Health issues, good days & bad days
Evelyn Huey	Neck pain, high BP issues; did x-rays and a CT scan with contrast; tests showed bone spurs & compression @ the top of her neck, can't have surgery due to damage to lungs caused by COVID, neurosurgeon wants to change some meds & do some epidurals in her neck 8 weeks apart, twice a week and do a myelogram soon, has to take it easy for the next 2 weeks, no driving because she can't turn her head
Brandon Jones	Shoulder surgery; doing well, PT has not started yet but should soon
Mike Kilgore	Continue prayers; latest blood work good
Brenda Lipscomb (John) Family	As they deal with the loss of Brenda
Lucy Little	Thyroid biopsy & CT scan on her lungs, additional blood work yesterday; please pray for good results
Frances Long	Fell and has staples in her head and her hip is fractured but no surgery is necessary; recovering at home with Home Health & PT; she is better, can walk with a walker, her daughter is there & they have hired someone to come in 3 days a week to help her
Margaret Matthews	congestive heart failure; had a couple of episodes recently, pretty much went comatose; doing better, had a good week last week
Linda McGuirt	Recovering from bronchitis, still coughing a LOT
Elizabeth McGukin	Doing much better, has one spot on her leg that doesn't want to heal
Meg Melton	Shingles since Thanksgiving, Still having head & ear pain, ENT doctor said Meg needed hearing aids, she went yesterday to try some hearing aids & thinks she wants to get a pair; she has negative pressure in both ears & fluid, going to try Flonase for a month then go back; the nerve pain from the shingles could last a year; slowly but surely getting better
Jimmy Peoples	Carpal tunnel surgery Thursday Mar. 2nd rehab will begin Friday
Whitney Rice	Ruptured abscess in colon; surgery to remove part of colon went well, home recovering; back in 5 weeks to discuss reconnection; prayers for continued healing

Danna Roach	Fell & broke her hip, surgery to put in rods went well; did a week of rehab at Russell & came home Saturday, pain is better but she is having a rough time, please pray for strength to do what she needs to do
Carly Smith	Shingles are dried up but the pain is still there
James Smith	experiencing sciatic pain & numbness in his legs & feet. Had his first PT Monday, numbness has decreased somewhat
James Smith	Pray for a meeting room/space that would provide a place for people in the new development off Hwy. 63 to begin meeting until a church could be built, and a church planter to work with them
Jaime Tatom	Surgery for knee replacements went well, pray for her recovery
Jason Tidwell	Doing ok now, being referred to a urologist at UAB, hoping a fresh set of eyes will help
Robert & Joann Vaughn	Brownie's Parents, Robert is home with Hospice, he is not eating well & restless, please pray for him and his caretakers
Marcia Ware	Back pain & leg pain
Jim White	Squamous cell cancer removed on face, because it is fast growing & could possibly come back & he wouldn't know, he is going to have 18 radiation treatments, he will go 3 times a week to cancer center in Auburn
Rachel Willis	First baby, will induce Friday, please pray for a safe delivery & healthy baby; this will be Gloria's first great grandchild
Joe & Ellen Wright	mostly over COVID, Ellen gets the pin out of her finger March 9th
Special Requests	
Annabelle Ashworth	Rare form of cancer, goes to Children's every week for chemo, it's a vicious cycle of low lab values & return trips for infusions multiple times a week; they will evaluate how tumor is responding to chemo in late Jan. with the plan for surgery in February, with a possibility of more radiation after surgery
Lawrence Benson	Doug Reid's brother-in-law in the hospital in GA, had to be resuscitated twice yesterday & is now on a vent, pray there is minimal damage & for healing
Ed & Carolyn Bishop	COVID
Glenda Brock	Heart problems & health issues Jerry Hughes' sister
Greg Busko	Tom's brother lung cancer, not doing chemo or radiation, successful surgery to remove cancer from his lung, no further treatment anticipated
Pat Cutts	Many health issues; has 3-4 fractures of her spine; procedure to put cement in these areas did not help; a little better but still trying to get over the RSV, coughing still an issue, can't talk much without losing her breath, symptoms of scleroderma which are hard to keep at bay; about the same, still struggling Jean Gravette's cousin
Randall Davis	doing better Holly's Uncle
Sophie Grace Doane	Premature; was in prenatal unit for 6 months, home now; has trac in throat to help breathing & a feeding tube; celebrating her first birthday this week Joel R.'s great-niece
Mildred East	Cancer in other breast; surgery went well; oncologist thinks prognosis is good, NO CHEMO, will start a new estrogen lowering drug soon, please pray for no horrible side effects; radiation in 2-4 weeks when incisions heal; radiation started Monday Jan. 30th 5 days a week until February 27th doing good so far Jean Gravette's sister-in-law
Peggy Foreman	Lizz Spencer's Mom EAMC ICU kidney failure; coded last week & was put on a vent, she is off the ventilator & all tubes have been removed, the swelling in her throat literally went down overnight, she is eating & drinking & will go home in the next couple of days! All glory to God! Home with Home Health & PT, trying to get stronger & better
Shelia Fuller	Still doing chemo even though she is in remission Holly's sister-in-law
Kristie Garduno	Breast cancer, mastectomy, back at work but it's rough; still doing infusions

Baby Garner Graham (Patrick & Hollin)	please continue prayers that there are no other permanent issues, continues to show improvement in his reflexes & mobility his eyes & reactions seem to be improved as well (as assessed by Mom & Grandmother) he was 3 months old Monday Max Graham's Grandson
Justin Gilstrap	11 yr. old recovering from a three-dog attack while riding his bike, he is missing 70% of his scalp, one ear, & has several lacerations & staples; he has had more than 10 surgeries in the month since the attack happened, but has made a lot of progress, he will hopefully be moving to Children's Health Care of Atlanta in about 3 weeks Jerry McGukin
Tom Hall	Scheduled for kidney transplant and got COVID Nov. 5 th , must test negative before they can proceed, finally tested negative, Surgery will be March 8th, pre-op March 2nd Praying for successful surgeries for Tom and his donor Jenny Hall's son
Charles Harmon	Cancer has returned; it is very aggressive; about the same Jane Kile's brother
Betty Harper	Brenda Payne's Mama stroke, PT has done all they can, doing pretty good right now
Bucky & AJ Heard	AJ's breast cancer is stage 1, non-aggressive and treatable, looks like she will have a lumpectomy & probably radiation; had another MRI, no other tumors in either breast but the tumor that is there has grown some but it is still stage 1, the doctor is on vacation but hoping to schedule surgery soon, still have not heard from genetic testing results
Jean Henderson	Debbie Langley's Mother shingles are drying up but she is still in a lot of pain
John Hooten	Prostate cancer Linda K's nephew-in-law
Donna Hornsby	Shannon Dark's mom; cancer; no treatments at this time, she can barely talk which is very frustrating to her; please pray for her daughter Shannon as she helps care for her
Jessica Hudson	Cosby's daughter, still out of remission; back on steroids, should start infusions this week , had to wait on labs before setting up
Karson Hughes	Sonya's 10 yr. old great-nephew; cancer continues to spread, increased symptoms & pain; hard time smiling, losing ability to control face muscles; balance is off more than ever; nausea in the morning & hungry but eating is harder & harder, blurry vision, headaches, neck pain; his body is tired, Karson realizes his cancer is growing; please pray for peace & comfort
Larry Johnson (Peggy)	Home from hospital with Home Health, still dealing with issues
Jessica Jones (Bo & Sharon Jones)	Cervical cancer that has possibly spread; surgery went well, surgeon has no reason to believe lymph nodes are involved, will still go forward with hysterectomy in about 6-8 weeks but sees no reason for her not to have a full recovery Lizz Spencer
Katie Kennedy	Glen Elmore's youngest daughter; had a stroke: doing much better; back at work; saw cardiologist Jan. 9 th ; heart monitor did not show anything abnormal; scheduled for a TEE Feb. 13th
Shane Kilgore	Sinus surgery yesterday went well, the doctor got the calcified mass & all the infection, he said it was the worst case he had ever seen
Carol Kuykendall	Spot discovered on lung; biopsy showed cancer; treatments are just a pill for right now; doing ok Charlie's Mom
Dewayne Ledbetter	Holly's cousin's son 45 years old hit by a car, making progress; home from rehab last Friday
Alex Martin	Senior at Beauregard High School; released to go back to sports but lymph nodes still swollen; doctor at Children's did not release him but he got a great report & everything looked normal, blood pressure is only an issue when he misses his meds, he doesn't have to go back for 6 months Stephanie Tidwell
Laura Miller	Cancer MD Anderson Feb. 3 rd She has a proposed plan: surgery in Atlanta, 4 ½ weeks after surgery back to MD Anderson for 6 ½ weeks of targeted radiation; then if needed, which hopefully it won't be, a chemo that is in clinical trial Jean Miller's daughter-in-law

Krista McGukin	Has had uterine cancer; nodules at the bottom of her lungs have not changed since the last scan; oncologist is sending her to a gastrointestinal doctor, something is going on with her intestines
Robert Missildine	cancer
Frank & Roseanne Modugno	Roseanne saw surgeon in NY on the 9 th ; she will be having open heart surgery in the near future. Scheduled to see Dr. Davies February 21st
Shelley Moore	Stage 3 non-small cell lung cancer (Adenocarcinoma), one more chemo treatment in 21 days (from 1/23/23) & then they will evaluate for surgery to remove left lung Debbie Thompson's friend
Benford & Judy Morgan	Jerry Hughes neighbors need knee replacement but health prevents surgery
Glen Nelson Family	Passed away last Saturday Danna's brother
Angela Parker	Breast cancer
Thad Pate	Diagnosed with cancer in his mouth, PET Scan found an aneurysm in his aorta; met with vascular surgeon yesterday to determine if he can have surgery, then surgeons will meet & decide when, hoping to have surgery the end of February, he is in a lot of pain; will have radiation after surgery Bea Pate
Bryce Patten	leukemia, finishes 2 years of chemo in March, he is in remission; bringing home all A's from school, doing great June C.
Linda Kay Peters	Gayle Hawkin's cousin has been in remission but blood work came back bad, back on chemo; had another stroke & is in rehab, not doing good
Bubba Phillips	Surgery on leg got infected; much better, able to work 2-3 hours a day Ann C nephew
Sharon Phillips	Ann C. back pain, she had a block & it has helped, she is doing PT 3 times a week
Robert Pickett	Fell & broke his back in 3 places, bad diabetic, needs heart surgery, but his back has to be fixed first Ann C
Peggy Prewett	Stage 3A cancer; had double mastectomy; removed 7 lymph nodes 5 had cancer cells; started chemo Oct 5 th ; will have to take for a year; chemo makes her very sick, diarrhea & dehydration makes her have to go to ER Linda McGuirt's friend
Teresa Raims	Dementia Jimmy P
Shelia Rigsby	pancreatic cancer; finished radiation therapy & numbers came down initially, but went up drastically. Labs showed pancreas tumor was unchanged but she had tumor studs on her liver, colon, & nodules on her chest. She decided no more treatments, she gets fluids several times a week & they are trying to keep her comfortable; it is near the end, please pray for the family and for peace and comfort Belinda's cousin
David Robinson	Back pain is better, doing exercises to help Holly
Margaret Robinson	macular degeneration; will go back to retina specialist in March for a consult about eye surgery; MRI showed another fracture in her back, she will have a Vertebroplasty (inject fracture with bone cement) next Wednesday Holly's Mom
Chip Scocca	Nanci S. brother, doing ok, thankful for the prayers
Belinda Siggers	Cancer numbers are up, chemo & treatments make her extremely sick, treatments every 3 weeks; tumor is in abdomen next to spleen & colon, MD Anderson Feb. 5th Carol Sellers (Nathan's mother-in-law, Brianna's Mom)
Carolyn Smith	Carly Smith's daughter-in-law cancer, finished her chemo; double mastectomy went well, lab reports came back negative, waiting on reconstruction surgery
Ross Tapley	Was born without enough pigmentation in his eyes which was affecting his sight, at his check-up Monday his vision was perfect! Pat Lynch's great grandson
Dot Vickers	Malignant tumor on spine, nothing they can do, pray for peace & comfort; doing great Gayle Huff her son Jimmy is working & doing good, not living with his Mom
Faye Wakefield	Severe pain, not sure she will improve without a miracle Bro. Ben

Cheryl Waller	Waiting for a heart transplant Gloria's cousin
Glenda Walters (Ronnie)	Serious Stomach surgery February 15th that could have complications and she is anxious, please pray for a successful, uneventful surgery & recovery Belinda Daugherty
Rosby Warnock	4 yr. old, removed large malignant tumor from chest after chemo; had last maintenance chemo through port. scans will be scheduled soon to decide what is next. Ann A.
Nancy Sanford Washburn Family	Nancy's Mom, Bess, passed peacefully at the Veranda, a graveside will be held at a later date
Major Webb	lives in Guam; still having headaches, going to Hawaii this month to see another neurologist Busko's nephew
Sue Weldon	Leg swollen & red, did Doppler Scan to check circulation & her circulation is good, put her on antibiotics & her leg looks better; cancer doctor gave her a shot for her bones, back in 3 months due to AFIB
Tyler White	Just diagnosed with Diabetes, sugar level was over 800 when he got to the hospital, home now taking insulin shots 4 times a day until they get it under control, he is doing better Ann Clark
Paul Williams	John & Brenda Lipscomb's son-in-law emergency brain surgery July 14 th at UAB; follow-up with doctor in Boston: no surgery is needed right now & he may never need surgery, the fistula in his brain can grow & affect his vision over time but that is something that can be monitored
Angie Willis	approved to go on the kidney transplant list; Labs showing kidney failure, they could not finish the fistula on the 18 th because it closed up, doctor will try to do a graft, she wants to try home dialysis, please pray she will be able to do it; lab work will indicate when she starts dialysis; still praying for a donor Susan Tittle's daughter
Jane Wilson	Diagnosed with kidney failure Gloria
Elaine Wright	doing better Holly's aunt
Raymond Yancy	Shoulder replaced, doing well Jean Gravette
Bill Yates	Needs both hips & both knees replaced; had one hip replacement and had a lot of problems with infection, etc. Will have the other hip replaced Feb. 13th
Missionaries/Military and their Families	
Conway's	Missionaries in Kushan Will & Matt Families Mary Belser
Daniel & Jessica Riuz	Joani & Tom's daughter Liberia
Adam & Charli Spates	Nicaragua
Brittany Yonzon	Urban Nations Outreach NY
