

Prayer Concerns April 19, 2023	New Updates are in bold type No current update PRAISE
Home Bound	
Edna Jones	Doing a lot better, she appreciates the prayers
Ruth Wilkes	Not doing well; fell down stairs couple weeks ago; bruised pretty bad but nothing broken; getting to point where Ed, who is also not doing good, may have to put her in a nursing home; they need lots of prayers
Assisted Living & Nursing Home	
Jackie Harrelson	Chapman's Room 408 256-397-1889 3701 Dadeville Road Alex City 35010 declining
Mary Jo Myers	Recovering from a stroke at Chapman's Rm. 214 256-914-0552 Heart not doing well, filling with fluid
Katie Porter	Dadeville HealthCare she would love some visitors
Louise Thomas	Veranda Rm. 5
Mike Weldon	Bill Nichols Veteran's Home
Sue Wheat	Veranda dementia June Clark
Diane Wheeler	Veranda Rm. 10 surgery to removed 4 cancerous moles; she has 3 close together on her head they are treating with chemo cream; she is not feeling well, spots on face still seeping, back to dermatologist, bad days when she can't get out of bed
Our Church & Staff	
Bro Ben & Sonya Hayes	nerve conduction tests did not reveal any answers for Bro. Ben's back issue. Possibly neuropathy; may need to see neurologist; Sonya rotator cuff surgery in May 26 th
Forrest & Caren Jones	traveling
Austin & Katelin Glass	Prayers for them as they deal with issues with Katelin's Mom
Charlie & Michele Kuykendall	Pray for the Lord's will with Michele's job
Hunter & Christina Baker	
Leadership Team	
Vision 2026	New building fund; Pray for the committee

...My heart's desire and prayer to God...
is that they may be saved (Romans 10:1 NIV).

**Please continue to pray for
your "one" and ALL the lost
& unchurched**

Members Needs

Bob Daniel	Diagnosed with multiple myeloma; has started infusions once a week & takes a med daily
Belinda Daugherty	CT of chest was normal; allergist said allergic to grass & dust mites, scan of sinuses was clear, diagnosed with "silent reflux". Treating her with meds for 3 months then back for follow up Tiffany Commander (daughter) surgery April 26th Jaime Farmer (daughter) gall bladder symptoms, still hurting but working, put her on some meds but they have not helped with the discomfort yet
Glen & Connie Elmore	cancer has spread to lymph nodes and hip
Bill Francis	heart cath showed 2 blockages of 100% and 2 that can be helped with a stent; not a candidate for open heart surgery due to health & age; did 2 balloons & 1 stent, he is a bit stronger; PT & OT started Monday at home, next month he will go to EAMC 3 times a week for 3 months
Lucy Fuller	diagnosed with auto-immune disease, meds she has been on not working, doctor is still trying to get approval from insurance for infusions
Bubba & LuCile Gibson	LuCile will be in a boot for a while; Bubba is home & they are both doing pretty good; Bubba started PT, 3X a week in Opelika
Shelia Gullede	Doing pretty well, sleeping less during the day, still very weak, working to build up her strength
Pete Harris	PSA was down to .03 at last check-up; going to take the pills another 3 months & he will get one more shot in 3 months, then the doctor may take him off the meds
Christy Harrison	has cirrhosis, still waiting on appointment with liver specialist (hepatologist) at UAB; gastroenterologist will do another EGD in 3 months, has some scarring in esophagus which should lessen risk of another bleed, did labs to check liver function & doing ultrasound next week to check for ascites
Robert & Gayle Hawkins	Gayle still fighting infection after sinus surgery; had procedure to wash out sinuses, better but not well, cleaned out sinuses again last week, trying a sulphur drug for a month; anemic, appt with oncologist May 2nd to try to figure out why
Bill & Jan Holland	Jan will have a heart ablation Thursday at 7:30 at EAMC
Judy Irvin	Recovering from diverticulitis, much much better
Herman Kile	Squamous cell carcinoma on face, head, and hand; spots are healing well where they removed cancer; some places from last surgery are healing well, others are not, next appt. is Thursday April 27th
Mike Kilgore	Prayers blood work continues to be good
Lowell Ledbetter	Fell & hit his head & spent the night at LMMC, home recovering, little more confused than usual & in a little pain but other than that he is good, little steadier on his feet, PT gave him some exercises to work on at home
Lucy Little	needs surgery to remove a thyroid nodule that we pray is not malignant; has to see neurologist due to numbness in arm before surgery can be scheduled
Margaret Matthews	congestive heart failure
Meg Melton	Doing much better

Patti Noles	Bronchitis, finally feeling better
Jimmy & Brucile Peoples	had Carpal tunnel surgery & rebuilding joint surgery; wearing hand splint molded to fit hand so he can't move his thumb, doc appt. today, right hand is good, got cast off but has to be careful; left hand has brace now, hopefully he can wait until winter to fix it; Brucile has good days & bad days
Whitney Rice	Ruptured abscess in colon; had surgery to remove part of colon; reconnection surgery went well; home recovering
Danna Roach	Fell & broke her hip, surgery to put in rods; great report at last doctor visit, the bone is growing back, can add weight as tolerated
Handley High School in Roanoke	a senior was killed in a car accident Monday night, Bailee Pitchford attends school there
Holly Robinson	Admitted to LMCH Sunday evening with low potassium & magnesium. Discharged Monday, had ultrasound yesterday, back at work today; will see Dr. Mockler & Dr. Davis for follow up May 1st
James Smith	Released from PT, sciatic pain & numbness in legs & feet is better but not gone Pray for a meeting room/space that would provide a place for people in the new development off Hwy. 63 to begin meeting until a church could be built, there is lot of community interest in a church plant
Karla Teel	Surgical procedure to figure out why she can't get over pneumonia; cough is much better, CT scan on sinuses was clear so still don't know what is causing the cough
Jason Tidwell Family	The loss of his Mom, Cindy Bridges
Marcia Ware	Back pain & leg pain
Ellen Wright	got pin out of her finger, still bent at 15-degree angle; PT considered it a failed surgery; only option is to have it permanently fused with a screw, keeping joint splinted to let it heal, probably won't do surgery until Joe gets back from his next trip (April 2th - May 15 th); going to PT for her finger to get middle knuckle mobility going
Special Requests	
Annabelle Ashworth	Rare form of cancer, chemo then surgery; surgeon was able to remove the tumor without damaging anything else; returned to Children's for emergency surgery, everything went well and she is resting comfortably
Brenda Bennett	Diagnosed with 2 tumors, both tumors are benign, she will see an oncologist to decide on treatment June Clark
Lawrence Benson (Laurie)	Doug Reid's brother-in-law continuing to get stronger, busy with rehab & dialysis; his wife Laurie is getting help several times a week; resources help get him to dialysis 3X a week, VA offering benefits
Glenda Brock	Heart problems & health issues Jerry Hughes' sister
Billy & Peggy Bullard	Billy better but still under Hospice care Jim Cahoon
Linda Cambre	Brain bleed, surgery went well, home recovering Dorothy McKelvey's friend
Pat Cutts	Many health issues; procedure to put cement in fractures in spine did not help; symptoms of scleroderma are hard to control; still struggling Jean Gravette's cousin
Sophie Grace Doane	Premature; was in prenatal unit for 6 months; has trac & a feeding tube; doing well but trac may have to be in for 3 years; celebrated first birthday Joel R.'s great-niece
Mildred East	Cancer in other breast; surgery went well; no chemo, finished radiation; pray for minimal side effects from the estrogen lowering drug Jean Gravette's sister-in-law
Dolly Flowers	Linda Kilgore's sister mass between ribs & heart; mass is not malignant
Peggy Foreman	Lizz Spencer's Mom kidney failure; coded & was put on a vent but now Home with Home Health & PT, trying to get stronger & better
Shelia Fuller	Still doing chemo even though she is in remission Holly's sister-in-law

Virginia Fuller	Great report from the cardiologist, no blockages or AFIB, back in 6 months
Kristie Garduno	Breast cancer, had mastectomy & reconstruction surgery but they had to redo it; still doing infusions; hysterectomy scheduled May 3rd Sue Weldon's daughter
Baby Garner Graham (Patrick & Hollin)	4 months old! Still having lots of therapy but showing good signs of improvement; will still be several more months before we know if there will be any lasting effects but PTL he may be totally fine with more time Max Graham's Grandson
Tom Hall	kidney transplant surgery went well, creatinine level came down a little 1.74 from 1.79, gonna change one of the meds to try & help with tummy issues, back in 2 weeks Jenny Hall's son
Mickey Hamby	Prostate cancer Virginia Fuller
Charles Harmon	Cancer has returned; it is very aggressive Jane Kile's brother
Edith Hathcock	87, fell & hit head, was on the floor for over 20 hours; transferred to nursing home for rehab, too weak to go home & probably should not live independently anymore, pray she will be accepting of the situation Jeff's mother
Martha Hayes	Having complications since surgery to remove cyst, she aspirated & got pneumonia; improving, tube out & trying liquids Barbara Reid's Aunt
Bucky & AJ Heard	AJ's breast cancer is stage 1, non-aggressive and treatable; lumpectomy March 24 th , lymph nodes are clear & lump was very small, waiting on biopsy results of DNA testing which determines if cancer could come back in another area
Allison Holbrook	Brenda Hughes niece traveling OR nurse in KY in an accident, vehicle hit her & went under passenger side of her SUV; face & head hit steering wheel, has a concussion, face swollen, eyes swollen shut, getting better but needs prayer
Terry Holdridge	had heart cath , they put one stent in an artery that had a 90% blockage, he has 2 more with 50% blockage they will check in a year
Donna Hornsby	Shannon Dark's mom; cancer; PET scan showed cancer is no better but no worse, too weak to do any treatments right now; she is on Hospice, fighting pneumonia, please pray added antibiotic helps her improve & that she will be able to drink her Boost/Ensure ; please pray for her daughter Shannon as she helps care for her
Ann Hovey	CDIF June Clark
Jessica Hudson	Cosby's daughter, She is in remission! Has to watch for signs of coming out; having MRI for long term back pain & leg numbness & a bone scan today because she has been on steroids so long.
Gene Huff	heart procedure to replace valve cancelled due to bleeding around pacemaker; pacemaker removed for 3 rd time due to complications; went to wound center Monday & they said he was good to do the procedure to put the pace maker back in, saw surgeon today to discuss scheduling
Jessica Jones (Bo & Sharon Jones)	Cervical cancer; surgery went well, cancer is grade 1A2-contained, oncologist is 95% sure he got it all, planning hysterectomy after healed from initial surgery Lizz Spencer
Carol Kuykendall	Spot discovered on lung; biopsy showed cancer; doing ok; taking chemo pill & shots; NO cancer in breast and cancer in lung is much smaller!!! Charlie's Mom
Joshua Lanford	20's PANDAS (Pediatric Autoimmune Neuropsychiatric Disorders Associated with Streptococcal Infections) diagnosed when Obsessive-compulsive disorder (OCD), tic disorder, or both suddenly appear following a strep infection Linda McGuirt
Dewayne Ledbetter	Holly's cousin's son 45 years old hit by a car, making progress; home from rehab
Laura Miller (Stephen)	3 rd round of Cancer; MD Anderson proposed: surgery: removed all lymph nodes but one; started clinical trial chemo 3/13 at Piedmont instead of having to go back to MD Anderson, 2 weeks on & 1 week off for 2 months, then a scan; then 6 ½ weeks of targeted radiation; Jean Miller's daughter-in-law
Frank & Rosanne Modugno	Roseanne's heart surgery went great; home recovering; She needs to stay isolated for now to avoid any sickness; cough is much better but she still cannot sleep, she has a follow up appt. Friday, Please pray specifically for platelet level to be down

Shelley Moore	Stage 3 non-small cell lung cancer, had surgery to remove tumor & affected lymph nodes; got a great pathology report; coughing a lot & in some pain, will see ENT voice specialist at UAB for vocal cord issues, possibility of more chemo or Immunotherapy, home recovering Debbie Thompson's friend (Shannon Nelson Smith – sister)
Benford & Judy Morgan	Jerry Hughes neighbors need knee replacement but health prevents surgery
Thad Pate	Diagnosed with cancer in mouth, surgery went well; removed some of jaw bone & replaced it with bone from his arm, biopsy report showed they got all the cancer; doing really well, next step radiation Bea Pate
Bryce Patten	leukemia, finished 2 years of chemo in March, will go to Children's once a month for blood work & if all goes well, he will get his port out in 2 months June C.
Baby Jackson (Cullen & Lauren Peppers)	Baby Jackson had a stroke during pregnancy, sent him to Montgomery, put him in a "cooling" state to keep brain from swelling and to slow body functions; he is home from the hospital & appears to be "normal" but has not cried Jennie Peoples
Linda Kay Peters	Gayle Hawkin's cousin has been in remission but blood work came back bad, back on chemo; had another stroke & is in rehab, not doing good
Kurt & Leigh Pfitzner	Christian Pfitzner, their adult son, has been missing from his home in Austin TX for 3 weeks, pray for his safe return
Sharon Phillips	Jim Clark's sister back pain, had a light stroke, 1st swallowing test inconclusive so scheduling another, lung doctor Thurs. 20th having trouble breathing when she lays down at night, back ablation Friday 21st
Peggy Prewett	Stage 3A cancer; double mastectomy; removed 7 lymph nodes, 5 had cancer cells; started chemo Oct 5 th ; has to take a year; doing radiation in addition to chemo; had reconstruction surgery; doing better with chemo since they changed dosage Linda M
Teresa Raims	Dementia Jimmy P
David Robinson	Going to Houston Clinic Monday for back pain, pray for answers Holly
Margaret Robinson	Outpatient surgery scheduled Thursday April 27th optic nerve, left eye, they will put in a stent; started Reclast IV for Osteoporosis; bone density scan showed some improvement in back but none in hip Holly's Mom
Chip Scocca	Nanci S. brother, fighting depression
Alicia Sentell	37 years old heart cath showed severe blockages in 3 major arteries, triple bypass surgery went well, out of ICU, please pray for her recovery; she has severe juvenile diabetes; having some trouble with her leg, may need a stent James Smith's niece
Brenda Sharman	Hip replacement, bulging discs – will have surgery in the near future, please pray for pain relief
Belinda Siggers	tumor in abdomen next to spleen & colon, back to MD Anderson to see if the chemo over the last 5 months has worked; had a reaction to last drug during chemo Monday, cancer numbers are way up indicating the drug is not working (Nathan's mother-in-law, Brianna's Mom)
Carolyn Smith	Carly Smith's daughter-in-law cancer, finished chemo; double mastectomy, lab reports came back negative, still waiting on reconstruction surgery
Shannon Tucker	Doris McCuller's daughter surgery went well & she is home recovering
