Louise Thomas	Veranda Rm. 5	
Mike Weldon	Bill Nichols Veteran's Home	
Sue Wheat	Veranda dementia June Clark	
Diane Wheeler	Veranda Rm. 10 today was a good day, place on her face still seeping some, she's thinking about going on Hospice care, they are coming to talk to her	
Our Church & Staff		
Bro Ben & Sonya Hayes	Sonya rotator cuff surgery May 26 th	
Forrest & Caren Jones		
Austin & Katelin Glass		
Charlie & Michele Kuykendall	Pray for the Lord's will with Michele's job	
Hunter & Christina Baker		
Leadership Team		
Vision 2026	New building fund; Pray for the committee	
	...My heart's desire and prayer to God... is that they may be saved (Romans 10:1 NIV).	Please continue to pray for your "one" and ALL the lost & unchurched

Members Needs	
Bob Daniel	Diagnosed with multiple myeloma; has started infusions once a week & takes a med daily
Belinda Daugherty	diagnosed with "silent reflux". Treating with meds for 3 months Tiffany Commander (daughter) surgery April 26th Jaime Farmer (daughter) gall bladder symptoms, still hurting but working, put her on some meds but they have not helped with the discomfort yet
Glen & Connie Elmore	cancer has spread to lymph nodes and hip
Bill Francis	had 2 balloons & 1 stent, he is a bit stronger; PT & OT started at home, will start rehab in May at EAMC 3 times a week for 3 months
Lucy Fuller	diagnosed with auto-immune disease, meds she has been on not working, doctor is still trying to get approval from insurance for infusions
Bubba & LuCile Gibson	LuCile's foot is doing great, bones are healing wearing sandals for short periods area is still tender; Bubba started PT, 3X a week in Opelika
Shelia Gullede	Doing pretty well, sleeping less during the day, still very weak, working to build up her strength
Pete Harris	3-month check-up May 15th, please pray for good results
Christy Harrison	has cirrhosis; waiting on results of ultrasound done Monday, ammonia levels are extremely high, the meds that will lower her levels are rough on the tummy so please pray for Christy
Gayle Hawkins	sinus surgery; cleaned out sinuses again, trying a sulfa drug for a month, sinus issues are better; anemic, has an ulcer caused from takin Mobic, took her off the med & aspirin & gave her something to coat, took an iron test & follow-up in a few weeks
Bill & Jan Holland	Jan had a heart cath last Thursday, she had one 80% blockage & they put in a stent, doing ok
Judy Irvin	Admitted to EAMC Sunday with diverticulitis/colitis, gave her fluids & IV meds; got to go home today
Herman Kile	Squamous cell carcinoma on face , head, and hand; some places from last surgery are healing well, others are not, next appt. is Thursday April 27th
Mike Kilgore	Prayers blood work continues to be good
Lowell Ledbetter	doctor had him get another x-ray of his shoulder & a CT scan of his head, he will set up an appt. with an ortho doctor if needed, goes back in 2 weeks
Lucy Little	needs surgery to remove a thyroid nodule that we pray is not malignant; has to see neurologist due to numbness in arm before surgery can be scheduled
Margaret Matthews	congestive heart failure
Meg Melton	White count is elevated a little so starting her on antibiotics, still feeling tired
Jimmy & Brucile Peoples	had Carpal tunnel surgery & rebuilding joint surgery; wearing hand splint molded to fit hand so he can't move his thumb, right hand is good, got cast off but has to be careful; left hand has brace now, hopefully he can wait until winter to fix it; MRI Friday; Brucile has good days & bad days
Whitney Rice	Ruptured abscess in colon; had surgery to remove part of colon; reconnection surgery went well; home recovering; due to complications may be looking at a 3rd surgery
Danna Roach	Fell & broke her hip, great report at last check up, can add weight as tolerated

Holly Robinson	Admitted to LMCH with low potassium & magnesium. Discharged Monday, had ultrasound, back at work today; will see Dr. Mockler & Dr. Davis for follow up May 1 st
James Smith	Released from PT, sciatic pain & numbness in legs & feet is better but not gone Pray for a meeting room/space that would provide a place for people in the new development off Hwy. 63 to begin meeting until a church could be built, there is lot of community interest in a church plant
Karla Teel	Surgical procedure to figure out why she can't get over pneumonia; cough is much better, CT scan on sinuses was clear so still don't know what is causing the cough
Marcia Ware	Back pain & leg pain
Ellen Wright	finger still bent at 15-degree angle after getting pin out; only option is to have it permanently fused with a screw, keeping splinted, will schedule surgery when Joe gets back from trip (April 25 th - May 15 th); prayers for Joe's safety
Special Requests	
Annabelle Ashworth	Rare form of cancer, chemo then surgery; surgeon was able to remove the tumor without damaging anything else; returned to Children's for emergency surgery, everything went well and she is resting comfortably
Brenda Bennett	Diagnosed with 2 tumors, both tumors are benign, still in a lot of pain & waiting for doctors to decide next step June Clark
Lawrence Benson (Laurie)	Doug Reid's brother-in-law continuing to get stronger, busy with rehab & dialysis
Glenda Brock	Heart problems & health issues Jerry Hughes' sister
Billy & Peggy Bullard	Billy better but still under Hospice care Jim Cahoon
Pat Cutts	Many health issues; please pray they will find a way to treat the scleroderma and not just mask the symptoms; kidneys are more stable, still very thin Jean Gravette's cousin
Mildred East	Cancer in other breast; surgery went well; no chemo, finished radiation; having some side effects from the estrogen lowering drug but trying to take it Jean Gravette's sister-in-law
Dolly Flowers	Linda Kilgore's sister mass between ribs & heart; mass is not malignant
Peggy Foreman	Lizz Spencer's Mom kidney failure; coded & was put on a vent but now Home with Home Health & PT, trying to get stronger & better
Shelia Fuller	Still doing chemo even though she is in remission Holly's sister-in-law
Kristie Garduno	Breast cancer, had mastectomy & reconstruction surgery but they had to redo it; still doing infusions; hysterectomy scheduled May 3rd Sue Weldon's daughter
Baby Garner Graham (Patrick & Hollin)	4 months old! Still having lots of therapy but showing good signs of improvement Max Graham's Grandson
Tom Hall	kidney transplant, creatinine level came down a little 1.74 from 1.79, changed one of meds to try & help with tummy issues, back in 2 weeks Jenny Hall's son
Charles Harmon	Cancer has returned; it is very aggressive Jane Kile's brother
Edith Hathcock	87, fell & hit head, was on the floor for over 20 hours; transferred to nursing home for rehab, had an issue with breathing & is currently in ICU but is doing better Jeff's mother
Martha Hayes	Having complications since surgery to remove cyst, she aspirated & got pneumonia; improving, tube out & trying liquids Barbara Reid's Aunt
Bucky & AJ Heard	AJ's breast cancer is stage 1, non-aggressive and treatable; lumpectomy March 24 th , lymph nodes are clear & lump was very small, waiting on biopsy results of DNA testing which determines if cancer could come back in another area

Donna Hornsby	Shannon Dark's mom; cancer; PET scan showed cancer is no better but no worse, too weak to do any treatments right now; she is on Hospice, fighting pneumonia, please pray added antibiotic helps her improve & that she will be able to drink her Boost/Ensure; please pray for her daughter Shannon as she helps care for her
Jessica Hudson	Cosby's daughter, She is in remission! Has to watch for signs of coming out; having MRI for long term back pain & leg numbness & a bone scan today because she has been on steroids so long.
Gene Huff	heart procedure to replace valve cancelled; pacemaker removed for 3 rd time due to complications; wound center said he was good to do procedure to put pace maker back in, saw surgeon to discuss scheduling
Jessica Jones (Bo & Sharon Jones)	Cervical cancer; surgery went well, cancer is grade 1A2-contained, oncologist is 95% sure he got it all, planning hysterectomy after healed from initial surgery Lizz Spencer
Carol Kuykendall	Spot discovered on lung; biopsy showed cancer; doing ok; taking chemo pill & shots; NO cancer in breast and cancer in lung is much smaller!!! Charlie's Mom
Joshua Lanford	20's PANDAS (Pediatric Autoimmune Neuropsychiatric Disorders Associated with Streptococcal Infections) diagnosed when Obsessive-compulsive disorder (OCD), tic disorder, or both suddenly appear following a strep infection Linda McGuirt
Dewayne Ledbetter	Holly's cousin's son 45 years old hit by a car, making progress; home from rehab
Laura Miller (Stephen)	3 rd round of Cancer; MD Anderson proposed: surgery: removed all lymph nodes but one; started clinical trial chemo 3/13 at Piedmont instead of having to go back to MD Anderson, 2 weeks on & 1 week off for 2 months, then a scan; then 6 ½ weeks of targeted radiation; Jean Miller's daughter-in-law
Frank & Rosanne Modugno	Roseanne's heart surgery went great; home recovering; follow up appt. went well, she is making progress but still cannot sleep, took her off one of the meds so hoping that helps
Shelley Moore	Stage 3 non-small cell lung cancer, had surgery to remove tumor & affected lymph nodes; got a great pathology report; coughing a lot & in some pain, will see ENT voice specialist at UAB for vocal cord issues, possibility of more chemo or Immunotherapy, home recovering Debbie Thompson's friend (Shannon Nelson Smith - sister)
Benford & Judy Morgan	Jerry Hughes neighbors need knee replacement but health prevents surgery
Thad Pate	Diagnosed with cancer in mouth, surgery went well; removed some of jaw bone & replaced it with bone from his arm, biopsy report showed they got all the cancer; doing really well, next step radiation Bea Pate
Bryce Patten	leukemia, finished 2 years of chemo in March, will go to Children's once a month for blood work & if all goes well, he will get his port out in 2 months June C.
Baby Jackson (Cullen & Lauren Peppers)	Baby Jackson had a stroke during pregnancy, sent him to Montgomery, put him in a "cooling" state to keep brain from swelling and to slow body functions; he is home from the hospital & Jennie Peoples
Linda Kay Peters	Gayle Hawkin's cousin has been in remission but blood work came back bad, back on chemo; had another stroke & is in rehab, not doing good
Kurt & Leigh Pfitzner	Christian Pfitzner, their adult son, has been missing from his home in Austin TX for several weeks, pray for his safe return
Sharon Phillips	Jim Clark's sister back pain, had a light stroke, back ablation on left side last Friday has helped a lot, will do right side May 3rd
Peggy Prewett	Stage 3A cancer; double mastectomy & reconstruction surgery; started chemo Oct 5 th ; for a year; having some reactions to the radiation ; doing better with chemo since they changed dosage Linda M
David Robinson	Going to Houston Clinic Monday for back pain, pray for answers Holly
Margaret Robinson	Outpatient surgery scheduled Thursday April 27th optic nerve, left eye, they will put in a stent ; started Reclast IV for Osteoporosis; bone density scan showed some improvement in back but none in hip Holly's Mom
Chip Scocca	Nanci S. brother, fighting depression

Alicia Sentell	37 years old heart cath showed severe blockages in 3 major arteries, triple bypass surgery went well, out of ICU, please pray for her recovery; she has severe juvenile diabetes; having some trouble with her leg, may need a stent James Smith's niece
Brenda Sharman	Hip replacement, bulging discs – will have surgery in the near future, please pray for pain relief
Belinda Siggers	cancer has spread, MD Anderson said only option is to try a clinical trial, pray they can find one closer to home than MD Anderson (Nathan's mother-in-law, Brianna's Mom)
Carolyn Smith	Carly Smith's daughter-in-law cancer, chemo then double mastectomy, still has 2 stitches & a few scabs that need to heal before she can have reconstruction surgery
Maxine Turner	Stroke, blood clot on brain but no swelling, paralyzed on one side; has a feeding tube, still in the hospital; was doing better but had a setback Sunday, had to draw fluid from around heart, she is in less pain & breathing better Gloria (her daughter-in-law's mother)
Jennifer Vaughn	50 needs heart transplant, no energy & in pain Dorothy Holdridge
Cheryl Waller	Doing better but having to be careful; Waiting for heart transplant Gloria's cousin
William Ware	Dorothy Holdridge's brother diagnosed with Alzheimer's
Rosby Warnock	4 yr. old, removed large malignant tumor from chest after chemo; had last maintenance chemo through port, last scans showed no cancer, back in May Ann A.
Sue Weldon	heart doctor appt. went well, back in 3 months for echocardiogram; good report from oncologist, mammogram in May ; UAB May 10 th to see oncologist surgeon
Frank Whorton	fell & blew out disc in back, can't stand up straight; muscle relaxers & pain meds to help him straighten up so they can do tests to decide next step; improving but still in pain Elizabeth McGukin's brother
Angie Willis	had kidney transplant surgery; doing great , going back to work part-time Susan Tittle's daughter
Elaine Wright	Heart cath last Friday, no blockages, she has a hole in the top 2 chambers of her heart, sent her home but will return in 2 weeks to decide on next step Holly's aunt
Missionaries/Military and their Families	
Conway's	Missionaries in Kushan Will & Matt Families Mary Belser
