is that they may be saved (Romans 10:I NIV).

**Please continue to pray for
your "ones" and ALL the
lost & unchurched**

Members Needs	
Ann Clark	Shots in her eye once a month for 4 months (May) for macular degeneration
Bob Daniel	multiple myeloma; started infusions once a week & takes a med daily, goes to RMC every Thursday, started on another med last Thursday & is feeling much better, able to get up & walk around & do for himself a little bit, such an improvement!
Glen & Connie Elmore	cancer has spread to lymph nodes and hip
Bill Francis	2 balloons & 1 stent; PT & OT at home, starts rehab May 11 th at EAMC 3 times a week for 12 weeks, heart rate still low
Lucy Fuller	diagnosed with auto-immune disease, meds have brought inflammation down, waiting on results of MRI
Bubba & LuCile Gibson	LuCile's foot is doing great, bones are healing wearing sandals for short periods, area still tender; Bubba doing PT, 3X a week in Opelika
Shelia Gullede	Doing pretty well, sleeping less during the day, still very weak, working to build up her strength
Pete Harris	Numbers are normal, doctor stopped meds & shots, back in 3 months
Christy Harrison	has cirrhosis; ammonia levels extremely high, meds that will lower levels are rough on the tummy; follow-up blood work showed ammonia levels had gone up instead of down, doctor doubled dosage, ammonia numbers came down from 151 to 67
Gayle Hawkins	sinus surgery; sinus issues are better; anemic, has ulcer caused from taking Mobic; oncologist put her on iron every other day for a month (May 3) then recheck
Ginger Head	MD Anderson May 17th, please pray for beautiful pictures
Bill & Jan Holland	Jan had a heart cath showed one 80% blockage & they put in a stent, follow-up appt. went well, will start cardiac rehab soon
Judy Irvin	EAMC Surgery for perforated colon, in regular room, IV antibiotics, boots to prevent blood clots in legs, maybe home in 2 weeks
Herman Kile	Squamous cell carcinoma on face, head, and hand; some places from last surgery are healing well, others are not, had to reschedule again
Mike Kilgore	Pray blood work continues to be good; it has been good for a year now!!
Lowell Ledbetter	improving
Lucy Little	Doctor thinks her problem is more her middle back than her neck, did another MRI Monday, she has severe arthritis in her spine; has shingles & her AC is broken until repair man can come
Margaret Matthews	congestive heart failure
Meg Melton	feeling better
Jim Missildine	Fell, MRI showed an inferior endplate fracture at L4; doing better, hoping it will heal on its own
Jimmy & Brucile Peoples	CT scan May 12 th ; MRI showed a spot, biopsy June 5th ; Brucile has good days & bad days
Whitney Rice	Ruptured abscess in colon; due to complications may be looking at a 3rd surgery, getting a second opinion June 5th
Danna Roach	Fell & broke her hip, bone is growing back nicely & she is doing good
Karla Teel	Numbness in feet is degenerative nerve damage from shin to toes; found a lump in clavicle, fatty tumor that will have to be removed but not cancer; has a heart disorder called AVT, scheduling an ECHO & will do a 7-day heart monitor
Marcia Ware	Back & leg pain

Ellen Wright	finger still bent at 15-degree angle; only option is to have it permanently fused with a screw, hand surgeon appt. Monday, will have it fused August 8th, Joe is having issues with a cough, scheduling an upper GI
Special Requests	
Annabelle Ashworth	Rare form of cancer, chemo then surgery; surgeon was able to remove the tumor without damaging anything else
Ashley Baggett	Lost baby Monday 7 weeks before due, BP is coming down Linda McGuirt's niece
Brenda Bennett	2 benign tumors, still in pain, waiting for doctors to decide next step June Clark
Glenda Brock	Heart problems & health issues Jerry Hughes' sister
Anne Caffey (Dave)	Fell, 5 cracks in pelvis; home recovering with doctor's orders for limited movement Jimmy Bagley's friend
David Carlisle	Grandview ICU severe kidney infection & his body is not ridding itself of CO2 it produces possibly due to sleep apnea
Tiffany Commander	Daugherty's daughter surgery went well; her BP was down some so doctor wants her to continue diet modifications for another week & recheck
Pat Cutts	please pray they will find a way to treat the scleroderma and not just mask the symptoms; kidneys are more stable, still very thin Jean Gravette's cousin
Shelby Deaton	Ann C's sister-in law cancer in same breast & lymph nodes, cancer has spread to bones: ribs, pelvis, hip; it cannot be cured but they are going to do a clinical trial chemo to hopefully give her a few years of quality life
Mildred East	Cancer in other breast; surgery went well; finished radiation; some side effects from estrogen lowering drug but trying to take it Jean Gravette's sister-in-law
Shelia Fuller	Still doing chemo even though she is in remission Holly's sister-in-law
Kristie Garduno	Breast cancer, had mastectomy & reconstruction surgery but they had to redo it; still doing infusions; recovering from hysterectomy, doing well Sue Weldon's daughter
Baby Garner Graham (Patrick & Hollin)	4 months old! Still having lots of therapy but showing good signs of improvement Max Graham's Grandson
