	<div style="display: flex; justify-content: space-between;"> <div style="border: 1px solid black; padding: 5px; background-color: #333; color: white; text-align: center;"> ...My heart's desire and prayer to God... is that they may be saved (Romans 10:1 NIV). </div> <div style="text-align: center;"> Please continue to pray for your "one" and ALL the lost & unchurched </div> </div>

Members Needs	
Ann Clark	Eye problems, has to go once a month for 4 months & get shots in her eye for macular degeneration
Bob Daniel	Diagnosed with multiple myeloma; has started infusions once a week & takes a med daily; feeling some better, goes to RMC every Thursday, praying for improvement every week
Glen & Connie Elmore	cancer has spread to lymph nodes and hip
Bill Francis	2 balloons & 1 stent; PT & OT at home, will start rehab May 11 th at EAMC 3 times a week for 12 weeks, issues with high BP & low heart rate
Lucy Fuller	diagnosed with auto-immune disease, meds have brought inflammation down, waiting on results of MRI
Bubba & LuCile Gibson	LuCile's foot is doing great, bones are healing wearing sandals for short periods area is still tender; Bubba doing PT, 3X a week in Opelika
Shelia Gullede	Doing pretty well, sleeping less during the day, still very weak, working to build up her strength
Pete Harris	3-month check-up May 15 th , please pray for good results
Christy Harrison	has cirrhosis; ammonia levels are extremely high, the meds that will lower her levels are rough on the tummy; follow-up blood work showed ammonia levels had gone up instead of down, doctor doubled dosage, please pray it works
Gayle Hawkins	sinus surgery; sinus issues are better; anemic, has an ulcer caused from taking Mobic, took her off the med & aspirin & gave her something to coat; oncologist put her on iron every other day for a month then recheck, infusion will be next step, back to ENT tomorrow
Bill & Jan Holland	Jan had a heart cath showed one 80% blockage & they put in a stent, follow-up appt. tomorrow
Judy Irvin	EAMC Surgery for perforated colon Sunday, in ICU in bad shape but hopefully on the road to recovery now
Herman Kile	Squamous cell carcinoma on face, head, and hand; some places from last surgery are healing well, others are not, rescheduled next appt. for Thursday May 11th
Mike Kilgore	Pray blood work continues to be good
Lowell Ledbetter	doctor had him get another x-ray of his shoulder & a CT scan of his head, he will set up an appt. with an ortho doctor if needed, goes back in 2 weeks; doing pretty well, still some pain but making progress
Margaret Matthews	congestive heart failure
Meg Melton	White count is elevated a little so starting her on antibiotics, feeling a little better
Jimmy & Brucile Peoples	Jimmy had Carpal tunnel surgery & rebuilding joint surgery; right hand is good, got cast off but has to be careful; left hand has brace now, hopefully can wait until winter to fix it; MRI last Friday, results Thursday ; Brucile has good days & bad days
Whitney Rice	Ruptured abscess in colon; had surgery to remove part of colon; reconnection surgery went well; home recovering; due to complications may be looking at a 3rd surgery
Danna Roach	Fell & broke her hip, bone is growing back nicely & she is doing good
Holly Robinson	Wearing a heart monitor
Karla Teel	Numbness in feet is degenerative nerve damage from shin to toes, no reason yet; found a lump in clavicle, fatty tumor that will have to be removed; wearing a heart monitor this week; last week of finals! Prayers please
Marcia Ware	Back & leg pain

Ellen Wright	finger still bent at 15-degree angle; only option is to have it permanently fused with a screw, will schedule surgery when Joe gets back from trip (April 25th - May 15 th); prayers for Joe's safety
Special Requests	
Annabelle Ashworth	Rare form of cancer, chemo then surgery; surgeon was able to remove the tumor without damaging anything else
Brenda Bennett	Diagnosed with 2 tumors, both tumors are benign, still in a lot of pain & waiting for doctors to decide next step June Clark
Glenda Brock	Heart problems & health issues Jerry Hughes' sister
Tiffany Commander	Daugherty's daughter surgery last Wednesday went well; BP has been dangerously high but is better, still high in the morning, trying suggestions from the doctor before going on meds, recheck in a week
Pat Cutts	please pray they will find a way to treat the scleroderma and not just mask the symptoms; kidneys are more stable, still very thin Jean Gravette's cousin
Shelby Deaton	Ann C's sister-in law cancer in other breast & lymph nodes, spot on kidney, bone scan this week
Mildred East	Cancer in other breast; surgery went well; finished radiation; some side effects from estrogen lowering drug but trying to take it Jean Gravette's sister-in-law
Shelia Fuller	Still doing chemo even though she is in remission Holly's sister-in-law
Kristie Garduno	Breast cancer, had mastectomy & reconstruction surgery but they had to redo it; still doing infusions; hysterectomy scheduled May 3rd Sue Weldon's daughter
Baby Garner Graham (Patrick & Hollin)	4 months old! Still having lots of therapy but showing good signs of improvement Max Graham's Grandson
Tom Hall	kidney transplant, got a great report from the doctor yesterday, creatinine level came down to 1.46 Jenny Hall's son
Charles Harmon	Cancer has returned; it is very aggressive Jane Kile's brother
Edith Hathcock	87, fell & hit head, was on the floor for over 20 hours; went back to assisted living last Thursday & back to hospital Friday morning at 4am, her pneumonia is worse instead of improving Jeff's mother
Bucky & AJ Heard	lumpectomy, lymph nodes clear & lump very small, waiting on biopsy results of DNA testing which determines if cancer could come back in another area
Donna Hornsby	Shannon Dark's mom; cancer; PET scan showed cancer is no better & no worse, too weak to do treatments; on Hospice, fighting pneumonia, please pray added antibiotic helps her improve & that she will be able to drink her Boost/Ensure; please pray for her daughter Shannon as she helps care for her
Jessica Hudson	Cosby's daughter, back in remission; having MRI for long term back pain & leg numbness & a bone scan today because she has been on steroids so long.
Ed Huey	Did have a heart attack Monday but doing ok; he will be on meds, special diet & exercise, troponin levels still too elevated to go home, not doing well, heart is very irregular & he could go into cardiac arrest
Gene Huff	Needs heart procedure to replace valve; pacemaker removed 3 rd time due to complications; procedure to put pace maker back in scheduled for Monday a.m.
