<p>Hunter & Christina Baker</p>	
<p>Leadership Team</p>	
<p>VBS</p>	<p>Teachers, workers, kids that will attend</p>
<p>Vision 2026</p>	<p>New building fund; Pray for the committee</p>
<p>Caring for Dadeville Fund</p>	<p>Pray for wisdom for the committee to distribute money well</p>

...My heart's desire and prayer to God...
is that they may be saved (Romans 10:1 NIV).

Please continue to pray for your "ones" and ALL the lost & unchurched

Members Needs	
Ann Clark	Shots in her eye once a month for 4 months (May) for macular degeneration; shots today
June Clark	Fell & broke her hip, had partial hip replacement (Ball joint), doing well; follow up appt. Tuesday
Bob Daniel	multiple myeloma; infusions once a week & meds, PT @ RMC every Thursday, started on another med & is feeling much better, can walk around & do for himself a little
Glen & Connie Elmore	cancer has spread to lymph nodes and hip
Bill Francis	2 balloons & 1 stent; rehab at EAMC 3 times a week for 12 weeks, finished with heart monitor but won't get results for 3-4 weeks, playing insurance game for pacemaker approval, no energy - at therapy supposed to do 2 machines for 15 minutes each and he can only manage 5 minutes
Lucy Fuller	diagnosed with auto-immune disease, meds have brought inflammation down, waiting on results of MRI
Bubba & LuCile Gibson	LuCile's foot is doing great, bones are healing; Bubba doing PT, 3X a week in Opelika
Shelia Gullede	Doing pretty well, sleeping less during the day, still very weak, working to build up her strength
Cale Hanks	Hip flexor is partially detached, pray the detachment doesn't worsen; doing so much better, not hurting much at all and walking on his own
Christy Harrison	has cirrhosis; ammonia levels extremely high, meds that will lower levels are rough on the tummy; ammonia numbers went up but she backed off on her meds because she was doing better; Hospice doctor will decide if she needs to stay on the meds
Gayle Hawkins	sinus surgery; sinus issues are better; anemic, has ulcer caused from taking Mobic; oncologist put her on iron every other day for a month (May 3) then recheck
Bill & Jan Holland	Jan diagnosed with frontal lobe dementia; heart cath showed one 80% blockage & they put in a stent, doing cardiac rehab
Jason Hughes	Heart problems Jerry & Brenda's son
Judy Irvin	EAMC Surgery for perforated colon, in regular room; doing better; doing rehab MAYBE home today
Lowell Ledbetter	Fell & pulled a muscle in his back trying to get up, still in some pain
Lucy Little	Doctor thinks her problem is more her middle back than her neck, did another MRI Monday, she has severe arthritis in her spine; shingles are still very painful and she is very tired
Margaret Matthews	congestive heart failure; on Hospice care
Meg Melton	Possibly retaining fluid around lungs, ECHO for heart & ultra sound for lungs June 5th
Jim Missildine	inferior endplate fracture at L4; the fracture will heal with time, epidural block scheduled for next Tuesday, pain level is more tolerable, working on building up strength
Jimmy & Brucile Peoples	CT scan May 12 th ; MRI showed a spot, biopsy June 5th; got a shot in each hand, Brucile has good days & bad days
Whitney Rice	Ruptured abscess in colon; due to complications she had another surgery 5/23, after her body has time to heal, she will have surgery in August to do some repairs, then reversal surgery in 6-8 weeks
Danna Roach	Fell & broke her hip, bone is growing back nicely, doing good

Holly Robinson	Follow up with cardiologist June 2nd
Karla Teel	Numbness in feet is degenerative nerve damage from shin to toes; found a lump in clavicle, fatty tumor that will have to be removed but not cancer; has a heart disorder called AVT, waiting to do more tests
Marcia Ware	Back & leg pain
Joe & Ellen Wright	finger still bent at 15-degree angle; surgery to have it fused permanently with a screw August 8 th ; Joe will schedule hiatus hernia surgery mid-August
Special Requests	
David Carlisle	home with CPap & oxygen Elaine Smith
Pat Cutts	please pray they will find a way to treat the scleroderma and not just mask the symptoms; kidneys are more stable, still very thin Jean Gravette's cousin
Shelby Deaton	Ann C's sister-in law cancer has spread to bones: ribs, pelvis, hip; can't be cured, finishes radiation this week then doctor will decide which clinical trial is best for her cancer
Mildred East	Cancer in other breast; surgery went well; finished radiation; side effects from estrogen lowering drug are debilitating, pray they can find an alternative med that will work Jean Gravette's sister-in-law
Shelia Fuller	Still doing chemo even though she is in remission Holly's sister-in-law
Kristie Garduno	Breast cancer, had mastectomy & reconstruction surgery but they had to redo it; still doing infusions; recovering from hysterectomy, doing well Sue Weldon's daughter
Baby Garner Graham (Patrick & Hollin)	Still having lots of therapy but showing good signs of improvement Max Graham's Grandson
Tom Hall	kidney transplant, doing great, went back to work Jenny Hall's son
Charles Harmon	Cancer has returned; it is very aggressive; he is trying a new drug Jane Kile's brother
Edith Hathcock	87, fell & hit head, was on the floor for over 20 hours; moved to a nursing home Jeff's mother
Gene Huff	Replaced pacemaker and it is healing well; procedure for Teva heart procedure to put a sleeve in aorta to open it up scheduled for June 12th
Joshua Lanford	20's PANDAS (Pediatric Autoimmune Neuropsychiatric Disorders Associated with Streptococcal Infections) diagnosed when Obsessive-compulsive disorder (OCD), tic disorder, or both suddenly appear following a strep infection Linda McGuirt
Laura Miller (Stephen)	3 rd round of Cancer; surgery: removed all lymph nodes but one; got a very positive report from the scan, clinical trial chemo seems to be very effective, will complete 6 cycles, surgery end of July, then radiation at MD Anderson in August Jean Miller's daughter-in-law
Benford & Judy Morgan	Jerry Hughes neighbors need knee replacement but health prevents surgery
Kay Nix	Holly's sister-in-law has MCL (Mantle Cell Lymphoma) Car-T cell transplant therapy; chemo this week to prepare her to have the cell-T transplant next Tuesday
Thad Pate	Mouth cancer, surgery went well; side effects from radiation, 10 more treatments, can't eat & has lost 21 pounds, if he continues to lose weight may put in feeding tube, IV fluids are helping Bea Pate
Bryce Patten	leukemia, finished 2 years of chemo in March, blood work once a month, if all goes well port out in 2 months (May) June C.
Brent Payne	Had knee replacement, doing great, he sent Gloria home
Baby Jackson (Cullen & Lauren Peppers)	Baby Jackson stroke during pregnancy; home, appears normal & is growing but does not cry Jenny Peoples
Jenny Peoples	Doing great, back to work around the June 22nd

Sharon Phillips	Jim Clark's sister, light stroke, back is doing good, PET scan was clear; kidney not functioning properly, appt. 6th
Peggy Prewett	Stage 3A cancer; double mastectomy & reconstruction; chemo & radiation; having a hard time with radiation Linda M
David Robinson	Anti-inflammatory helping with pain, appt. with surgeon June 2nd
Margaret Robinson	Eye surgery went well & eyes are showing improvement, follow-up June 9 th ; bones are fusing together putting stress on other bones, pain management doctor tomorrow Holly's Mom
Chip Scocca	Nanci S. brother, fighting depression
Brenda Sharman	Back surgery, still can't bend lift or turn but able to drive & stay home alone Jean G.
Belinda Siggers	cancer has spread, only option is a clinical trial, waiting on insurance approval (Nathan's mother-in-law, Brianna's Mom)
Ray Townsend	Ray Burke's stepbrother surgery for ablation & pacemaker went well; home recovering with left arm in a sling, can't use it for 6 weeks, some pain but doing good
Jean Tucker	Back surgery June 5th Mike's Mom
Maxine Turner	Stroke, paralyzed on one side; feeding tube, in a care facility Gloria
Jennifer Vaughn	50 needs heart transplant, no energy & in pain Dorothy Holdridge
William Ware	Dorothy Holdridge's brother diagnosed with Alzheimer's
Rosby Warnock	4 yr. old, removed large malignant tumor from chest after chemo; finished chemo, last scans showed no cancer, back in May Ann A.
Sue Weldon	mammogram in June; UAB June 12 th oncologist surgeon
Kelly White Family	Julie Kline, her niece's friend cancer on her tongue & blood clot in her throat, chemo & feeding tube, on Hospice, don't know if she is saved; passed away last Friday, she was witnessed to before she passed
