Leadership Team	
Vision 2026	New building fund; Pray for the committee
Caring for Dadeville Fund	Pray for wisdom for the committee to distribute money well

...My heart's desire and prayer to God...
is that they may be saved (Romans 10:1 NIV).

**Please continue to pray for
your "ones" and ALL the
lost & unchurched**

Members Needs	
Ann Clark	Shots in her eye once a month for 4 months (May) for macular degeneration; sight was a little better, will keep doing shots until there is no improvement
June Clark	Fell & broke her hip, had partial hip replacement (Ball joint); drain & staples out, doing great, back in a month
Bob Daniel	multiple myeloma; infusions once a week & meds, PT @ RMC every Thursday, started on another med & is feeling much better , immune system is not good
Glen & Connie Elmore	cancer has spread to lymph nodes and hip
Bill Francis	2 balloons & 1 stent; rehab at EAMC 3 times a week for 12 weeks, got pacemaker, BP has been running extremely high, doctor said it would take 2-3 months for it to straighten out, changed meds; BP still running high, cardiologist appt. Thursday
Bubba & LuCile Gibson	LuCile's foot is doing great, bones are healing; Bubba doing PT, 3X a week in Opelika
Rosalyn Godwin	Having a hard time with depression since Zack passed away
Shelia Gullede	Doing pretty well, sleeping less during the day, working to build up her strength
Christy Harrison	has cirrhosis; Hospice doctor will decide if she needs to stay on meds to lower ammonia levels
Gayle Hawkins	sinus surgery; sinus issues are better; anemic, has ulcer caused from taking Mobic; red blood cell count came up & iron level came up a little, back in 3 months
Bill & Jan Holland	Jan diagnosed with frontal lobe dementia; heart cath showed one 80% blockage & they put in a stent, doing cardiac rehab
Jason Hughes	Heart problems Jerry & Brenda's son
Judy Irvin	Surgery for perforated colon; home recovering, doing ok but having a rough time
Peggy Kolen	Her sister Bonnie is in a coma, please pray the Lord comforts Bonnie's family and heals Bonnie if it is His will
Lowell Ledbetter	Pray for him to gain strength
Lucy Little	Doctor thinks her problem is more her middle back than her neck, did another MRI Monday, she has severe arthritis in her spine; shingles still in pain
Margaret Matthews	congestive heart failure; on Hospice care
Meg Melton	ECHO of heart was good; the problem is with her lungs, she had lost 5 pounds since he saw her last which was fluid, pain possibly coming from gall bladder, pray it is not gall bladder because Ryan says that would put a lot of stress on her lungs; further tests next Wednesday
Jim Missildine	inferior endplate fracture at L4; the fracture will heal with time, maintaining on meds, trying to wean off but pain is still there, doctor said it could take 2 weeks for epidural to work, follow up June 22
Jimmy & Brucile Peoples	Had biopsy & procedure June 5 th ; results June 20th Brucile not doing good, having a lot of pain
Whitney Rice	Surgery for ruptured abscess in colon; due to complications she had another surgery 5/23, another surgery in August to do some repairs, then reversal surgery in 6-8 weeks
Danna Roach	Fell & broke her hip, bone is growing back nicely, doing good
Jerilyn Smith	Parents have to move to new facility in June, especially hard for her Dad who is in Memory Care, please pray for a smooth transition
Karla Teel	Numbness in feet is degenerative nerve damage from shin to toes; found a lump in clavicle, fatty tumor that will have to be removed but not cancer; has a heart disorder called AVT, waiting to do more tests
Marcia Ware	Back & leg pain

Joe & Ellen Wright	finger still bent at 15-degree angle; surgery to have it fused permanently with a screw August 8 th ; Joe will schedule hiatus hernia surgery mid-August
Special Requests	
Matthew Alford	Major stomach issues, still in the hospital, 2 or 3 good days last week but took a step backwards over the weekend – nausea, not able to eat & keep it down, very weak & has lost a significant amount of weight Daugherty's friend
Locklyn Leigh-ann Buzby	Parents: Cody & Autumn Brewer's new granddaughter born early Saturday morning, EAMC NICU infection in her lungs, now has pneumonia
Pat Cutts	please pray they will find a way to treat the scleroderma and not just mask the symptoms; kidneys are more stable, still very thin Jean Gravette's cousin
Shelby Deaton	Ann C's sister-in law cancer has spread to bones; after radiation doctor will decide which clinical trial is best for her cancer
Mildred East	Cancer in other breast; surgery went well; finished radiation; side effects from estrogen lowering drug are debilitating, pray they can find an alternative med that will work Jean Gravette's sister-in-law
Shelia Fuller	Still doing chemo even though she is in remission Holly's sister-in-law
Kristie Garduno	Breast cancer, had mastectomy & reconstruction surgery but they had to redo it; still doing infusions; recovering from hysterectomy, doing well Sue Weldon's daughter
Baby Garner Graham (Patrick & Hollin)	Still having lots of therapy but showing good signs of improvement Max Graham's Grandson
Tom Hall	kidney transplant, went back to work, great report from the doctor, doesn't have to go back until June 27th Jenny Hall's son
Charles Harmon	Cancer has returned; it is very aggressive; he is trying a new drug Jane Kile's brother
Edith Hathcock	87, fell & hit head, was on the floor for over 20 hours; moved to a nursing home Jeff's mother
Gene Huff	Replaced pacemaker and it is healing well; did Teva heart procedure Monday to put a sleeve in aorta to open it up, admitted him due to some issues with his heart, maybe home Tuesday; his heart was damaged from such an extended time without the pacemaker, just has to adhere to diet & fluid intake
Joshua Lanford	20's PANDAS (Pediatric Autoimmune Neuropsychiatric Disorders Associated with Streptococcal Infections) diagnosed when Obsessive-compulsive disorder (OCD), tic disorder, or both suddenly appear following a strep infection Linda McGuirt
Laura Miller (Stephen)	3 rd round of Cancer; surgery: removed all lymph nodes but one; positive report from scan, clinical trial chemo seems to be very effective, will complete 6 cycles, surgery end of July, then radiation at MD Anderson in August Jean Miller's daughter-in-law
Benford & Judy Morgan	Jerry Hughes neighbors need knee replacement but health prevents surgery
Kay Nix	Holly's sister-in-law has MCL (Mantle Cell Lymphoma) Car-T cell transplant therapy; had chemo to prepare her to have the cell-T transplant on 6/6; doing good so far
Thad Pate	Surgery for mouth cancer; side effects from radiation, can't eat & has lost 21 pounds, if he continues to lose weight may put in feeding tube, IV fluids are helping Bea Pate
Bryce Patten	leukemia, finished 2 years of chemo in March, blood work once a month, if all goes well port out in 2 months (May) June C.
Baby Jackson (Cullen & Lauren Peppers)	Baby Jackson stroke during pregnancy; home, appears normal & is growing but does not cry Jenny Peoples
Jenny Peoples	Doing great, back to work around the June 22 nd
Sharon Phillips	Jim Clark's sister, light stroke; kidney not functioning properly, ultrasound on kidneys Thursday, back starting to hurt again, may have another epidural soon
Peggy Prewett	Stage 3A cancer; double mastectomy & reconstruction; chemo & radiation; having a hard time with radiation Linda M

David Robinson	Anti-inflammatory helping with back pain
Margaret Robinson	Eye surgery went well & eyes are showing improvement, follow-up June 9 th , hoping specialist will dismiss her ; bones are fusing together putting stress on other bones, doing better, she can drive a little, needs to move more; regular eye doctor said her eyes have improved Holly's Mom
Chip Scocca	Nanci S. brother, fighting depression
Brenda Sharman	Back surgery, still can't bend lift or turn but able to drive & stay home alone Jean G.
Belinda Siggers	cancer has spread, only option is a clinical trial, received a treatment last Friday; tentatively supposed to have another chemo treatment Friday but still not the one her doctor felt was best for her (Nathan's mother-in-law, Brianna's Mom)
Daniel Tatum	Kevin Murphy's nephew had a cyst removed from tailbone, a week later he got sepsis, did well & went home but fever came back yesterday and he is back in ICU
Ray Townsend	Ray Burke's stepbrother surgery for ablation & pacemaker went well; home recovering with left arm in a sling, can't use it for 6 weeks, got a good report from the doctor, pacemaker is only having to work 46% of the time, his heart is working on its own the rest of the time
Jean Tucker	Back surgery June 5th went well per the doctor, doing good, slow recovery process Mike's Mom
Maxine Turner	Stroke, paralyzed on one side; feeding tube, in a care facility Gloria
Sue Tutcher	Carol Seller's Aunt doing better, got to go home from hospital but still running tests
Jennifer Vaughn	50 needs heart transplant, no energy & in pain Dorothy Holdridge
William Ware	Dorothy Holdridge's brother diagnosed with Alzheimer's
James Watkins	16 years old Bad car wreck Tuesday afternoon, on life support
