Members Needs	
Tina Bryan	Fell on her shoulder Monday evening, doctor thinks she has a tear in her rotator cuff, she will try exercises for 4 weeks hoping it heals
Ann Clark	Shots in her eye once a month for 4 months (May) for macular degeneration; sight was a little better, will keep doing shots until there is no improvement
June Clark	Fell & broke her hip, had partial hip replacement (Ball joint); drain & staples out, doing great, back in a month
Bob Daniel	multiple myeloma; infusions once a week & meds, PT @ RMC every Thursday, started on another med & is feeling much better, immune system is not good
Glen & Connie Elmore	cancer has spread to lymph nodes and hip
Bill Francis	2 balloons & 1 stent; rehab at EAMC 3 times a week for 12 weeks, got pacemaker, BP has been running extremely high, doctor said it would take 2-3 months for it to straighten out, changed meds; tiny bit better, BP still running high
Bubba & LuCile Gibson	LuCile's foot is doing great, bones are healing; Bubba doing PT, 3X a week in Opelika
Rosalyn Godwin	Having a hard time with depression since Zack passed away
Shelia Gullede	Doing pretty well, sleeping less during the day, working to build up her strength
Christy Harrison	has cirrhosis; Hospice doctor will decide if she needs to stay on meds to lower ammonia levels
Gayle Hawkins	sinus surgery; ENT said she is better but still not well, back in 3 months; anemic, has ulcer caused from taking Mobic; red blood cell count came up & iron level came up a little, back in 3 months (Sept.)
Bill & Jan Holland	Jan diagnosed with frontal lobe dementia; heart cath showed one 80% blockage & they put in a stent, doing cardiac rehab
Jason Hughes	Heart problems Jerry & Brenda's son
Judy Irvin	Surgery for perforated colon; home recovering, doing ok but having a rough time
Peggy Kolen	Her sister Bonnie is awake, talking & responding some but not fully coherent, has pneumonia but much better moving to a regular room
Lowell Ledbetter	Pray for him to gain strength
Lucy Little	Doctor thinks her problem is more her middle back than her neck, did another MRI Monday, she has severe arthritis in her spine; still tired but the pain from the shingles is a little better
Margaret Matthews	congestive heart failure; on Hospice care
Meg Melton	ECHO of heart was good; the problem is with her lungs, she lost 5 pounds since he saw her last which was fluid, pain possibly coming from gall bladder, pray it is not gall bladder because Ryan says that would put a lot of stress on her lungs; can't lay flat 4 hours for gall bladder scan (HIDA) so going to do a CT scan and see if that shows anything; Back to pulmonary doctor (Sharma) Wednesday 28th
Jim Missildine	inferior endplate fracture at L4; the fracture will heal with time, maintaining on meds, trying to wean off but pain is still there, doctor said it could take 2 weeks for epidural to work, follow up June 22
Mary Jo Myers Family	She passed away last week; continue to pray for her family
Jimmy & Brucile Peoples	Results of biopsy showed a small spot on the prostate that they will watch closely Brucile not doing good
Whitney Rice	Surgery for ruptured abscess in colon; due to complications she had another surgery 5/23, another surgery in August to do some repairs, then reversal surgery in 6-8 weeks
Danna Roach	Fell & broke her hip, bone is growing back nicely, doing good

Holly Robinson	Stomach issues, having 2 tests July 3rd and more tests July 5th to try to figure out what's causing
Jerilyn Smith	Parents have to move to new facility Thursday, especially hard for her Dad who is in Memory Care, please pray for a smooth transition
Karla Teel	Numbness in feet is degenerative nerve damage from shin to toes; lump in clavicle, fatty tumor that will have to be removed but not cancer; has a heart disorder called AVT, waiting to do more tests
Marcia Ware	Back & leg pain
Joe & Ellen Wright	finger still bent at 15-degree angle; surgery to have it fused permanently with a screw August 8 th ; Joe will schedule hiatus hernia surgery mid-August
Special Requests	
Matthew Alford	Major stomach issues, home, improving slowly, eating very small amounts supplemented by liquid nutrition given by IV, continue to pray for healing Daugherty's friend
Locklyn Leigh-ann Buzby	Parents: Cody & Autumn Brewer's new granddaughter home from the hospital Saturday, doing much better
Pat Cutts	please pray they will find a way to treat the scleroderma and not just mask the symptoms; kidneys are more stable, still very thin Jean Gravette's cousin
Heath Daniel	on a continuing education trip in Boston & had AFIB episode; ablation Monday, flew home yesterday, needs a pacemaker, will see heart doctor tomorrow
Shelby Deaton	Ann C's sister-in-law cancer has spread to bones; on chemo, nauseous & no energy, hoping to do a different treatment
Mildred East	Cancer in other breast; surgery & radiation; side effects from estrogen lowering drug are debilitating, pray for an alternative med that will work Jean Gravette's sister-in-law
Shelia Fuller	Still doing chemo even though she is in remission Holly's sister-in-law
Kristie Garduno	Breast cancer, had mastectomy & reconstruction surgery but they had to redo; still doing infusions; recovering from hysterectomy, little better each day Sue Weldon's daughter
Baby Garner Graham (Patrick & Hollin)	Still having lots of therapy but showing good signs of improvement Max Graham's Grandson
Tom Hall	kidney transplant, went back to work, great report from the doctor, doesn't have to go back until June 27th Jenny Hall's son
Charles Harmon	Cancer has returned; it is very aggressive; he is trying a new drug Jane Kile's brother
Edith Hathcock	87, fell & hit head, was on floor for over 20 hours; back in ICU, 12th day Jeff's mother
Gene Huff	Replaced pacemaker and it is healing well; doing well after his heart procedure to put a sleeve in aorta to open it up, his heart was damaged from such an extended time without the pacemaker, just has to adhere to diet & fluid intake
Joshua Lanford	20's PANDAS (Pediatric Autoimmune Neuropsychiatric Disorders Associated with Streptococcal Infections) diagnosed when Obsessive-compulsive disorder (OCD), tic disorder, or both suddenly appear following a strep infection Linda McGuirt
Laura Miller (Stephen)	3 rd round of Cancer; surgery: removed all lymph nodes but one; positive report from scan, clinical trial chemo seems to be very effective, will complete 6 cycles, surgery end of July, then radiation at MD Anderson in August Jean Miller's daughter-in-law
Benford & Judy Morgan	Jerry Hughes neighbors need knee replacement but health prevents surgery
Kay Nix	Holly's sister-in-law has MCL (Mantle Cell Lymphoma) Car-T cell transplant therapy; had chemo to prepare for cell-T transplant on 6/6; doing good so far
Thad Pate	Surgery for mouth cancer; finished radiation but still some side effects, trouble eating, praying scans will show no cancer and he won't need chemo Bea Pate
Bryce Patten	leukemia, finished 2 years of chemo in March, blood work once a month June C.

Baby Jackson (Cullen & Lauren Peppers)	Baby Jackson stroke during pregnancy; home, appears normal & is growing but does not cry Jenny Peoples
Jenny Peoples	Doing great, going back to work tomorrow
Sharon Phillips	Jim Clark's sister, light stroke; kidney not functioning properly, ultrasound Thursday, back hurting again, another epidural after approved by doctor
Peggy Prewett	Stage 3A cancer; double mastectomy & reconstruction; chemo & radiation; having a hard time with radiation Linda M
David Robinson	Anti-inflammatory helping with back pain, anemic
Margaret Robinson	Eye surgery went well & eyes are showing improvement, doing better Holly's Mom
Chip Scocca	Nanci S. brother, fighting depression
Brenda Sharman	Back surgery, still can't bend lift or turn but able to drive & stay home alone Jean G.
Belinda Siggers	cancer has spread, only option is a clinical trial, she has been told she is getting a new treatment July 1, has another tumor in her neck (Nathan's mother-in-law, Brianna's Mom)
Daniel Tatum	Kevin Murphy's nephew had a cyst, a week later got sepsis, did well & went home but fever returned so back to ICU; home now, 6 weeks of antibiotic infusions at home, please pray for his parents as caretakers
Ray Townsend	Ray Burke's stepbrother surgery for ablation & pacemaker went well; pacemaker is only having to work 46% of the time, his heart is working on its own the rest of the time, getting better every day
Jean Tucker	Back surgery June 5 th went well, having a lot of pain, waiting on results of CT scan, slow recovery process Mike's Mom
Maxine Turner	Stroke, paralyzed on one side; feeding tube, in a care facility Gloria
Sue Tutcher	Carol Seller's Aunt doing better, still waiting on a diagnosis from the gastro doc & the hematologist concerning blood loss
Jennifer Vaughn	50 needs heart transplant, heart attack last Thursday & quit breathing, her Dad did CPR til ambulance got there, shocked twice and got her back, hospital in Atlanta still unconscious; prognosis not good, pray for peace & comfort for her family, especially her kids Dorothy Holdridge
William Ware	Dorothy Holdridge's brother diagnosed with Alzheimer's
James Watkins Family	17 lost his life in a car wreck last week, he was an organ donor; please pray for peace & comfort for the family; his cousin Shawn Childers needed a kidney & he and James were a 100% match; had transplant surgery Tuesday and it went great, please pray for his recovery to go as well
Sue Weldon	Hurt her leg & her back has been bothering her
Wade Weldon	Having some problems
Frank Whorton	MRI showed compression fracture of L 3, orthopedic doctor gave him a back brace, appt. with surgeon July 27th Elizabeth McGukin's brother
Cindy Wiggins	Heart issues (leaking valve)
Angie Willis	had kidney transplant surgery; doing great, back at work Susan Tittle's daughter
