Members Needs

Tina Bryan	Fell on her shoulder, doctor thinks she has a tear in her rotator cuff, she will try exercises for 4 weeks hoping it heals
-------------------	--

Ann Clark	no shots last week, no more leakage or bleeding, eye is at maximum but praying for better vision , once a month for 4 months (May) for macular degeneration
Bob Daniel	multiple myeloma; infusions once a week & meds, PT @ RMC every Thursday, continues to improve, treatment on Thursdays knocks him for a loop but usually better in a day or two
Glen & Connie Elmore	cancer has spread to lymph nodes and hip
Bill Francis	2 balloons & 1 stent; rehab EAMC 3 times a week for 12 weeks, got pacemaker, doing therapy & seems better
Bubba & LuCile Gibson	LuCile's foot is doing great, bones are healing; Bubba doing PT, 3X a week in Opelika
Rosalyn Godwin	Having a hard time with depression since Zack passed away
Shelia Gullede	Doing pretty well, sleeping less during the day, working to build up her strength
Jenny Hall	Surgery Monday went well, pathology report came back cancer free
Christy Harrison	has cirrhosis; on Hospice
Gayle Hawkins	sinus surgery; ENT said she is better but not well; anemic, has ulcer caused from taking Mobic; red blood cell count came up & iron level came up a little, back in Sept.
Ginger Head	been sick since last Wednesday
Bill & Jan Holland	Jan diagnosed with frontal lobe dementia; heart cath showed one 80% blockage & they put in a stent, doing cardiac rehab; Bill is pretty sick, got a steroid shot this morning
Brenda Hughes	Ultrasound on her legs Monday showed the need for additional surgeries, back in October to decide
Judy Irvin	Surgery for perforated colon; home recovering, doing much better
Mike Kilgore	severe headaches, blurred & double vision and 1 eyelid shut, IGG4 levels (the blood marker they have been watching the last year) was very high, he will take high doses of steroids for the next 4-5 months, please pray this will put the IGG4 in remission
Lucy Little	severe arthritis in spine; shingles, pain seems to get better, then gets worse again
Margaret Matthews	congestive heart failure; on Hospice care, passing out more frequently & for longer periods of time; pray for peace for Joani & comfort for Mrs. Margaret
Meg Melton	ECHO of heart was good; problem is with lungs, CT scan of lungs showed a nodule, CT of abdomen showed a new finding in upper right lung, fluid in her lungs; & mass on her kidneys; blood work is not good; PET scan Friday July 14th , she will see Gilbert (gastroenterologist) July 17; please pray for comfort, she is still in pain
Jim Missildine	inferior endplate fracture at L4; the fracture will heal with time, doing very well
Jimmy & Brucile Peoples	Results of biopsy showed a small spot on prostate, suggestion by doctor was to watch closely, radiologist recommends treatments, pray for the Lord's guidance to make the right decision; blood work Thursday; Brucile had doc. appt. this morning
Whitney Rice	Surgery for ruptured abscess in colon; complications required a 3 rd surgery 5/23, appt. in August to discuss surgery to do repairs, then reversal surgery in 6-8 weeks
Danna Roach	Fell & broke her hip, good report from the doctor, only restrictions don't fall, don't break another bone
Holly Robinson	Stomach issues, waiting on test results
Jerilyn Smith	Parents moved to new facility last Thursday, especially hard for her Dad who is in Memory Care, both are adjusting pretty good

Karla Teel	lump in clavicle, fatty tumor that will have to be removed but not cancer; has a heart disorder called AVT; Numbness in feet is degenerative nerve damage from shin to toes; neurologist took more blood work for tests but no answers yet
Mike Tucker	test results were good, still same symptoms but no worse
Marcia Ware	Back & leg pain
Joe & Ellen Wright	finger still bent at 15-degree angle; surgery to have it fused permanently with a screw; Joe will be back in USA October 6th
Special Requests	
Matthew Alford	Major stomach issues, home, improving slowly, eating very small amounts supplemented by IV nutrition, continue to pray for healing Daugherty's friend
Jack Anthony	Major heart problems Gloria's friend
Shawn Childers	Received his cousin James Watkins (17 lost his life in a car wreck) kidney, the transplant surgery went great, labs look good; struggling with the fact someone had to die for him to get better
Pat Cutts	please pray they will find a way to treat the scleroderma and not just mask the symptoms; kidneys are more stable, still very thin Jean Gravette's cousin
Heath Daniel	on a continuing education trip in Boston & had AFIB episode which required an ablation, heart cath 29th & pacemaker/defibrillator 6th both went well
Shelby Deaton	Ann C's sister-in law cancer has spread to bones; on immunotherapy infusions
Mildred East	Cancer in other breast; surgery & radiation; took her off estrogen lowering drug for 2 months due to extreme side effects, then will start her on very low dose of a different med and increase gradually Jean Gravette's sister-in-law
Kurt & Leigh Pfitzner	Bypass Surgery today, Kurt was in recovery at 11:45 but Leigh had not talked to doctor yet
Shelia Fuller	Still doing chemo even though she is in remission Holly's sister-in-law
Kristie Garduno	Breast cancer, recovering from mastectomy, 3 reconstruction surgeries and a hysterectomy; still doing infusions; little better each day Sue Weldon's daughter
Baby Garner Graham (Patrick & Hollin)	Still having lots of therapy but showing good signs of improvement Max Graham's Grandson
Tom Hall	kidney transplant, back at work, great report from the doctor, blood work looks good, doing great Jenny Hall's son
Charles Harmon	Cancer has returned; it is very aggressive; he is trying a new drug Jane Kile's brother
Edith Hathcock	87, fell & hit head, was on floor for over 20 hours; back at the nursing home doing great; prayers have been heard and answered Jeff's mother
Ashley Hernandez	Mission trip to Philippines July 1 st - 11 th , arrived home safely yesterday
Jessica Hudson	Cosby's daughter, still in remission; does not have RA, has Fibromyalgia & Neuropathy, using bone stimulator in foot, if it doesn't start healing will put in plate
Jason Hughes	Heart ablation went well, home recovering, doing good
Joshua Lanford	20's PANDAS (Pediatric Autoimmune Neuropsychiatric Disorders Associated with Streptococcal Infections) diagnosed when Obsessive-compulsive disorder (OCD), tic disorder, or both suddenly appear following a strep infection Linda McGuirt
Olivia Laytham	Sharon Phillip's grandbaby milk going into lungs not stomach, therapy to teach her how to suck, back to doctor 27th to get feeding tube out
Laura Miller (Stephen)	3 rd round of Cancer; surgery: removed all lymph nodes but one; clinical trial chemo seems to be very effective, will complete 6 cycles, last chemo July 3 rd ; surgery tentatively end of July, but possibly straight to MD Anderson for targeted radiation, pray the doctors make the best decision Jean Miller's daughter-in-law
Benford & Judy Morgan	Jerry Hughes neighbors need knee replacement but health prevents surgery

Jason Murphy	Bagley's son-in-law had outpatient surgery Tuesday but had to be taken to ER by ambulance, BP low and fluid in his lungs, decided not to put him in a coma, in ICU on a ventilator but started lowering % of O2 this morning, one lung is collapsed, blood mass in lower left lung they are treating with antibiotics; doctor said he needs rest and time for the meds to work
Kay Nix	Holly's sister-in-law has MCL (Mantle Cell Lymphoma) Car-T cell transplant therapy; had chemo to prepare for cell-T transplant on 6/6; doing good so far
Thad Pate	Surgery for mouth cancer; finished radiation, trouble eating, gets IV once a week, praying scans in August will show no cancer and he won't need chemo Bea Pate
Bryce Patten	leukemia, finished 2 years of chemo in March, blood work once a month June C.
Baby Jackson	stroke during pregnancy; home, appears normal & is growing but does not cry Jenny Peoples (Cullen & Lauren Peppers)
John Phillips	Cancer & abscess in stomach, blood in urine, passing clots, not doing well
Sharon Phillips	Jim Clark's sister, light stroke; kidney not functioning properly, got another epidural for back, doing well with a lot less pain
Peggy Prewett	Stage 3A cancer; double mastectomy & reconstruction; chemo & radiation; having a hard time with radiation Linda M
David Robinson	Anti-inflammatory helping with back pain, anemic
Margaret Robinson	Eye surgery went well & eyes are showing improvement, doing better Holly's Mom
Chip Scocca	Nanci S. brother, fighting depression
Brenda Sharman	Back surgery, still can't bend lift or turn but able to drive & stay home alone Jean G.
Belinda Siggers	cancer has spread, had new treatment July 1, another tumor in neck; cancer numbers down 50%, feeling good; back every 2 weeks, alternate chemo & treatment for fluid build-up on tumors (Nathan's mother-in-law, Brianna's Mom)
Daniel Tatum	Kevin Murphy's nephew cyst removed, sepsis, was better, fever returned again, back to ICU; came home Friday, took off all antibiotics, giving mega doses of steroids for a month
Jean Tucker	Back surgery June 5 th went well, having a lot of pain, waiting on results of CT scan, slow recovery process but she is improving Mike's Mom
