Our Church & Staff

Bro Ben & Sonya Hayes Sonya - recovering from rotator cuff surgery, doing well, still some trouble sleeping **mammogram & ultrasound showed suspicion of a serious malignancy in her right breast, prayers for gynecologist appt. 27th that they will immediately proceed to MRI or biopsy instead of repeating those tests**

Forrest & Caren Jones

Austin & Katelin Glass

Charlie & Michele Kuykendall Pray for the Lord's will with Michele's job Michele's eye surgery went great, **continue to pray for her vision to improve & maintain; appt. in Bham & Montgomery today, pray the Lord will guide the doctors**

Hunter & Christina Baker

Leadership Team

Vision 2026 New building fund; Pray for the committee

Caring for Dadeville Fund Pray for wisdom for the committee to distribute money well

...My heart's desire and prayer to God... is that they may be saved (Romans 10:1 NIV).

Please continue to pray for your "ones" and ALL the lost & unchurched

Members Needs

Tina Bryan	Fell on her shoulder, doctor thinks she has a tear in her rotator cuff, she will try exercises for 4 weeks hoping it heals
Brownie Caldwell	outpatient surgery Monday went well, she is doing good
Ann Clark	no more leakage or bleeding, eye is at maximum but praying for better vision (macular degeneration)
Bob Daniel	multiple myeloma; infusions once a week & meds, PT @ RMC every Thursday, continues to improve, treatment on Thursdays knocks him for a loop but usually better in a day or two
Glen & Connie Elmore	cancer has spread to lymph nodes and hip
Bill Francis	2 balloons & 1 stent; rehab EAMC 3 times a week for 12 weeks, got pacemaker, doing therapy; still having issues with BP going up
Bubba & LuCile Gibson	LuCile's foot is doing great, bones are healing; Bubba doing PT, 3X a week in Opelika
Rosalyn Godwin	Having a hard time with depression since Zack passed away
Shelia Gulledege	Doing pretty well, sleeping less during the day, working to build up her strength
Jenny Hall	Surgery went well, pathology report came back cancer free; doing good
Christy Harrison	has cirrhosis; on Hospice, ammonia levels were down to 40 with no meds, EGD Tuesday showed esophageal varices are all gone, praise God from whom all blessings flow
Gayle Hawkins	sinus surgery; better but not well; anemic: ulcer caused from Mobic; red blood cell count came up & iron level came up a little, back in Sept.
Ginger Head	Has been very sick, finally getting better
Bill & Jan Holland	Jan diagnosed with frontal lobe dementia; heart cath showed one 80% blockage & they put in a stent, doing cardiac rehab; Bill has been struggling with sinus crud
Brenda Hughes	Cataract surgery, one eye August 7 th & the other eye August 28 th ; Ultrasound on legs showed the need for additional surgeries, back in October to decide when
Judy Irvin	Surgery for perforated colon; home recovering, doing much better
Mike Kilgore	severe headaches, blurred & double vision and 1 eyelid shut, IGG4 levels (the blood marker they have been watching the last year) was very high, he will take high doses of steroids for the next 4-5 months, pray the vision in his eyes improves
Lucy Little	severe arthritis in spine; shingles, better
Margaret Matthews	congestive heart failure; on Hospice care, passing out more frequently & for longer periods of time; pray for peace for Joani & comfort for Mrs. Margaret
Meg Melton	ECHO of heart was good; problem is with lungs, CT scan of lungs showed a nodule, CT of abdomen showed a new finding in upper right lung, fluid in her lungs; & mass on her kidneys; blood work is not good; had PET scan Friday 14 th ; please pray for comfort, she is still in pain
Jimmy & Brucile Peoples	Results of biopsy showed a small spot on prostate, suggestion by doctor was to watch closely, radiologist recommends treatments, pray for the Lord's guidance to make the right decision; blood work a week from Thursday; Brucile got a shot last Wednesday and it may be helping a little
Whitney Rice	Surgery for ruptured abscess in colon; complications required a 3 rd surgery 5/23, appt. in August to discuss surgery to do repairs, then reversal surgery in 6-8 weeks
Danna Roach	Fell & broke her hip, good report from the doctor, only restrictions don't fall, don't break another bone

Holly Robinson	Stomach issues, all test results came back good
Jerilyn Smith	Parents moved to new facility last Thursday, especially hard for her Dad who is in Memory Care, both are adjusting pretty good
Karla Teel	lump in clavicle, fatty tumor that will have to be removed but not cancer; has a heart disorder called AVT; Numbness in feet is degenerative nerve damage from shin to toes; pulmonary issues seem to be almost gone, working on neuropathy issues
Mike Tucker	test results were good, still same symptoms but no worse; episodes have been less frequent last few days
Marcia Ware	Back & leg pain
Joe & Ellen Wright	finger still bent at 15-degree angle; surgery to have it fused permanently with a screw; Joe will be back in USA October 6th
Special Requests	
Matthew Alford	Major stomach issues, home, much better, slowly eating more, gained 3 pounds in last 2 weeks, he got down to less than 100 pounds, going to PT & able to attend SS & worship on Sunday Daugherty's friend
Jack Anthony	Major heart problems Gloria's friend
Doug Chaffin	Cancer on his tongue , he had throat cancer 5 years ago but was healed from that Linda McGuirt
Shawn Childers	Received his cousin James Watkins (17 lost his life in a car wreck) kidney, the transplant surgery went great, labs look good; got a good report at his check-up Monday
Pat Cutts	please pray they will find a way to treat the scleroderma and not just mask the symptoms; kidneys are more stable, still very thin Jean Gravette's cousin
Donna Davis	Shingles on her face and in one eye Jenny Hall's sister
Shelby Deaton	Ann C's sister-in law cancer has spread to bones; on immunotherapy infusions
Craig DeFoe	Recovering from back surgery & multiple complications, went limp & became unresponsive in rehab Tuesday morning, got him back & transferred to hospital Sonya's brother
Mildred East	Cancer in other breast; surgery & radiation; took her off estrogen lowering drug for 2 months due to extreme side effects, then will start her on very low dose of a different med and increase gradually Jean Gravette's sister-in-law
Kurt & Leigh Pfitzner	Bypass surgery went well, they did 2 bypasses, got to come home Monday, roughed up a bit but in good spirits
Shelia Fuller	Still doing chemo even though she is in remission Holly's sister-in-law
Kristie Garduno	Breast cancer, recovering from mastectomy, 3 reconstruction surgeries and a hysterectomy; still doing infusions; little better each day Sue Weldon's daughter
Baby Garner Graham (Patrick & Hollin)	Still having lots of therapy but showing good signs of improvement Max Graham's Grandson
Tom Hall	kidney transplant, back at work, doing great Jenny Hall's son
Charles Harmon	Cancer has returned; it is very aggressive; some of the new drugs help Jane Kile's brother
Edith Hathcock	87, fell & hit head, was on floor for over 20 hours; back at the nursing home Jeff's mother
Jessica Hudson	Cosby's daughter, still in remission; does not have RA, has Fibromyalgia & Neuropathy, using bone stimulator in foot, if it doesn't start healing will put in plate
Jason Hughes	Heart ablation went well, home recovering, doing good, 4 more weeks of meds
Joshua Lanford	20's PANDAS (Pediatric Autoimmune Neuropsychiatric Disorders Associated with Streptococcal Infections) diagnosed when Obsessive-compulsive disorder (OCD), tic disorder, or both suddenly appear following a strep infection Linda McGuirt
Olivia Laytham	Sharon Phillip's grandbaby milk going into lungs not stomach, therapy to teach her how to suck, back to doctor 27th to get feeding tube out

Laura Miller (Stephen)	3 rd round of Cancer; surgery: removed all lymph nodes but one; clinical trial chemo seems to be very effective, will complete 6 cycles, last chemo July 3 rd ; surgery tentatively end of July, but possibly straight to MD Anderson for targeted radiation, pray the doctors make the best decision Jean Miller's daughter-in-law
Benford & Judy Morgan	Jerry Hughes neighbors need knee replacement but health prevents surgery
Jason Murphy	Bagley's son-in-law had outpatient surgery but had to be taken to ER by ambulance, BP low and fluid in his lungs, blood mass in lower left lung they are treating with antibiotics; up walking & breathing on his own, got to come home Tuesday
Kay Nix	Holly's sister-in-law has MCL (Mantle Cell Lymphoma) Car-T cell transplant therapy; had chemo to prepare for cell-T transplant on 6/6; doing good so far
Thad Pate	Surgery for mouth cancer; finished radiation, trouble eating, gets IV once a week, praying scans in August will show no cancer and he won't need chemo Bea Pate
Bryce Patten	leukemia, finished 2 years of chemo in March, blood work once a month June C.
Baby Jackson	stroke during pregnancy; home, appears normal & is growing but does not cry Jenny Peoples (Cullen & Lauren Peppers)
John Phillips	Cancer & abscess in stomach, blood in urine, passing clots, not doing well
Sharon Phillips	Jim Clark's sister, light stroke; kidney not functioning properly, doing well with a lot less pain, had another epidural today
Peggy Prewett	Stage 3A cancer; double mastectomy & reconstruction; chemo & radiation; had to stop radiation it was burning her so much Linda M
David Robinson	Anti-inflammatory helping with back pain, anemic
Margaret Robinson	Eye surgery went well & eyes are showing improvement, doing better Holly's Mom
Barbara Scholl	Echo showed she is in heart failure which is sudden & unexpected but thankful she has no symptoms; doc told her to continue being as active as she has been, stress test later this week Elizabeth Hindman's mother
Chip Scocca	Nanci S. brother, fighting depression
Brenda Sharman	Back surgery helped her a lot, she is doing well Jean G.
Belinda Siggers	cancer has spread, had new treatment July 1, another tumor in neck; cancer numbers down 50%, feeling good; back every 2 weeks, alternate chemo & treatment for fluid build-up on tumors (Nathan's mother-in-law, Brianna's Mom)
Daniel Tatum	Kevin Murphy's nephew cyst removed, sepsis, was better, fever returned again, back to ICU; home recovering, stopped all antibiotics, mega doses of steroids for a month
Jean Tucker	Back surgery June 5 th went well, still healing but pain is tolerable now, good report at follow up appt. yesterday Mike's Mom
William Ware	Dorothy Holdridge's brother diagnosed with Alzheimer's
Sue Weldon	Hurt her leg, cellulitis
Frank Whorton	MRI showed compression fracture of L 3, orthopedic doctor gave him a back brace, appt. with surgeon July 27th Elizabeth McGukin's brother
Angie Willis	had kidney transplant surgery; continues to do well Susan Tittle's daughter
Elaine Wright	Cardiac ablation for AFIB went well; surgery to repair hole in heart went well Holly
