Louise Thomas Veranda Rm. 5

Mike Weldon Bill Nichols Veteran's Home

Sue Wheat Veranda dementia June Clark

Diane Wheeler Veranda Rm. 10; Hospice nurse said her heart is getting weaker, **had a good day Sunday, has a sitter**

Our Church & Staff

Bro Ben & Sonya Hayes Sonya - recovering from rotator cuff surgery; mammogram & ultrasound showed suspicion of a serious malignancy in her right breast, **some good news, needle biopsy was benign, possibility core biopsy might be needed based on her report, but PRAISES & believing in the positive**

Forrest & Caren Jones

Austin & Katelin Glass

Charlie & Michele Kuykendall Pray for the Lord's will with Michele's job Michele's eye surgery went great, continue to pray for her vision to improve & maintain; shot for bleeding in right eye, **more laser surgery scheduled for left eye August 8**; she cannot drive at this time, Praise that she got a doctor's excuse to start school later

Hunter & Christina Baker

Leadership Team

Vision 2026 **New building fund; Pray for the committee**

Caring for Dadeville Fund **Pray for wisdom for the committee to distribute money well**

...My heart's desire and prayer to God...
is that they may be saved (Romans 10:1 NIV).

Please continue to pray for
your "ones" and ALL the
lost & unchurched

Members Needs

Ann Atkins	Knee replacement Sept. 6 th
Tina Bryan	Fell on her shoulder, doctor thinks she has a tear in her rotator cuff, exercises did not work, now has to try PT for 4 weeks to play the insurance game
Brownie Caldwell	outpatient surgery went well, drains out yesterday, doc said everything looked good; stitches out yesterday
Ann Clark	no more leakage or bleeding, eye is at maximum but praying for better vision (macular degeneration)
Bob Daniel	multiple myeloma; infusions once a week & meds, PT @ RMC every Thursday, continues to improve
Glen & Connie Elmore	cancer has spread to lymph nodes and hip
Bill Francis	2 balloons & 1 stent; rehab EAMC 3 times a week for 12 weeks, got pacemaker, doing therapy; still having issues with BP going up, on nitroglycerin patch
Bubba & LuCile Gibson	Bubba doing PT, 2X a week in Opelika
Rosalyn Godwin	Having a hard time with depression since Zack passed away
Shelia Gullede	Doing pretty well, sleeping less during the day, working to build up her strength
Jenny Hall	Surgery went well, pathology report came back cancer free; doing good, doctor said she could return to normal activities
Christy Harrison	has cirrhosis; on Hospice, ammonia levels were down to 40 with no meds, EGD showed esophageal varices are all gone, praises!
Gayle Hawkins	sinus surgery; better but not well; anemic: ulcer caused from Mobic; red blood cell count came up & iron level came up a little, back in Sept.
Bill & Jan Holland	Jan diagnosed with frontal lobe dementia; heart cath showed one 80% blockage & they put in a stent, doing cardiac rehab; mobility issues, doc appt today Bham
Jerry & Brenda Hughes	Jerry was admitted to hospital Saturday afternoon with dehydration & low heart rate. He got to come home Monday but is still weak. He will follow up with the cardiologist. Brenda: Cataract surgery, one eye August 7th & the other eye August 28th; Ultrasound on legs showed the need for additional surgeries, back in October to decide when
Judy Irvin	Recovering from surgery for perforated colon, doing much better
Mike Kilgore	severe headaches, blurred & double vision and 1 eyelid shut, IGG4 levels (the blood marker they have been watching the last year) was very high, he will take high doses of steroids for the next 4-5 months, pray the vision in his eyes improves
Terri McCutcheon	Wrist surgery yesterday went well, follow-up appt. Friday
Linda McGuirt	Arm & shoulder pain, doing better after shot
Meg Melton	Mass in her lung along with fluid, procedure this morning to drain the fluid on her lungs went great, drained almost a liter of fluid, the fluid was pressing on her lung causing a lot of her pain, waiting on lab results
Jimmy & Brucile Peoples	Results of biopsy showed a small spot on prostate, suggestion by doctor was to watch closely, radiologist recommends treatments, pray for the Lord's guidance to make the right decision; blood work today to compare to last time; Brucile had an MRI Sunday, please pray for answers and relief!

Whitney Rice	Surgery for ruptured abscess in colon; complications required a 3 rd surgery 5/23, consult appt. August 24th to discuss surgery to do repairs, reversal surgery 6-8 weeks after repair surgery
Danna Roach	Fell & broke her hip, good report from the doctor, only restrictions don't fall, don't break another bone
Karla Teel	lump in clavicle, fatty tumor that will have to be removed but not cancer; has a heart disorder called AVT; Numbness in feet is degenerative nerve damage from shin to toes; pulmonary issues seem to be almost gone, working on neuropathy issues
Mike Tucker	test results were good, still same symptoms but no worse; episodes have been less frequent last few days
Marcia Ware	Back & leg pain
Marcia Washburn	Fell, in a boot
Joe & Ellen Wright	finger still bent at 15-degree angle; surgery to have it fused permanently with a screw; Joe will be back in USA October 6th
Special Requests	
Matthew Alford	Major stomach issues, home, much better, slowly eating more, gained 3 pounds in last 2 weeks, he got down to less than 100 pounds, going to PT Daugherty's friend
Jack Anthony	Major heart problems Gloria's friend
Doug Chaffin	Cancer on his tongue, he had throat cancer 5 years ago but was healed from that Linda McGuirt
Shawn Childers	Received his cousin James Watkins (17 lost his life in a car wreck) kidney, the transplant surgery went great, labs look good; got a good report at his check-up
Pat Cutts	please pray they will find a way to treat the scleroderma and not just mask the symptoms; kidneys are more stable, still very thin Jean Gravette's cousin
Donna Davis	Shingles on her face and in one eye, doing better, shingles did not get in her eye Jenny Hall's sister
Shelby Deaton	Ann C's sister-in law cancer has spread to bones; on immunotherapy infusions
Craig DeFoe	Recovering from back surgery & multiple complications, went limp & became unresponsive in rehab, got him back & transferred to hospital; had a heart attack in the hospital; has improved & is still working through rehab Sonya's brother
Mildred East	Cancer in other breast; surgery & radiation; took her off estrogen lowering drug for 2 months due to extreme side effects, then will start her on very low dose of a different med and increase gradually Jean Gravette's sister-in-law
Shelia Fuller	Still doing chemo even though she is in remission Holly's sister-in-law
Kristie Garduno	Breast cancer, recovering from mastectomy, 3 reconstruction surgeries and a hysterectomy; still doing infusions; little better each day; went back to work & got COVID first week Sue Weldon's daughter
Baby Garner Graham (Patrick & Hollin)	Still having lots of therapy but showing good signs of improvement Max Graham's Grandson
Janette Grantham	Blood clots in her right arm resulted in amputation below the elbow Linda McGuirt
Tom Hall Laine Hall	kidney transplant, back at work, doing great Jenny Hall's son had COVID but is back at work at the hospital, Tom is having symptoms so he probably has it now
Charles Harmon	Cancer returned; very aggressive; some of the new drugs help Jane Kile's brother
Edith Hathcock	87, fell & hit head, was on floor for over 20 hours; back at the nursing home, declining but hanging in there Jeff's mother
Jessica Hudson	Cosby's daughter, still in remission; has Fibromyalgia & Neuropathy, using bone stimulator in foot, if it doesn't start healing will put in plate; all of the kidney blood work came back normal, back in 4 months (Nov.)
Jason Hughes	Heart ablation went well, home recovering, doing good, 2 more weeks of meds

Joshua Lanford	20's PANDAS (Pediatric Autoimmune Neuropsychiatric Disorders Associated with Streptococcal Infections) diagnosed when Obsessive-compulsive disorder (OCD), tic disorder, or both suddenly appear following a strep infection Linda McGuirt
Olivia Laytham	Sharon Phillip's grandbaby milk going into lungs not stomach, feeding tube is out, doing good
Krista McGukin	She got a new job that starts Sept. 11h ; she has to move but her house has sold
Laura Miller (Stephen)	3 rd round of Cancer; responded well to chemo, tumor is much smaller but they still can't tell if the blood vessel is running beside the tumor or through the tumor; surgery August 3 rd , prayer is blood vessel is beside tumor so they can remove it; either way she will go to MD Anderson 3-4 weeks after surgery for 6 ½ weeks of targeted radiation Jean Miller's daughter-in-law
Benford & Judy Morgan	Jerry Hughes neighbors need knee replacement but health prevents surgery
Jason Murphy	Bagley's son-in-law had outpatient surgery but had to be taken to ER by ambulance, BP low and fluid in his lungs, blood mass in lower left lung they are treating with antibiotics; recovering at home doing good, it's a long recovery but he improving every day
Kay Nix	Holly's sister-in-law has MCL (Mantle Cell Lymphoma) had cell-T transplant; she is in full remission, no more meds
Thad Pate	Surgery for mouth cancer; finished radiation, MRI on spine & brain showed no more cancer, had to put feeding tube back in because he can't eat & has lost so much weight, walking on a walker, starts PT Aug. 4 th , cannot drive or work right now, praying he gains weight & strength Bea Pate
Bryce Patten	leukemia, finished 2 years of chemo in March, blood work once a month June C.
Baby Jackson	stroke during pregnancy; home, appears normal & is growing but does not cry Jenny Peoples (Cullen & Lauren Peppers)
Kurt & Leigh Pfitzner	Bypass surgery went well, they did 2 bypasses, home recovering, good report from surgeon, recovery is ahead of expectations, surgeon released him to his regular cardiologist, just needs to work on rehab & being a good patient
John Phillips	Cancer & abscess in stomach, emergency surgery Sunday morning, abdomen was still full of infection after antibiotics, cleaned it out & put in drain, had another surgery Monday, hopefully home this week
Sharon Phillips	Jim Clark's sister, light stroke; had another epidural; feeling great, doing exercises
Peggy Prewett	Stage 3A cancer; double mastectomy & reconstruction; chemo & radiation; had to stop radiation it was burning her so much Linda M
David Robinson	Anti-inflammatory helping with back pain, anemic
Margaret Robinson	Eye surgery went well & eyes are showing improvement, doing better Holly's Mom
Barbara Scholl	Echo showed she is in heart failure which is sudden & unexpected but thankful she has no symptoms; doc told her to continue being as active as she has been, stress test last Friday & follow up cardiology appt. Aug. 8th Elizabeth Hindman's mother
Chip Scocca	Nanci S. brother, fighting depression
Brenda Sharman	Back surgery helped her a lot, she is doing well Jean G.
Belinda Siggers	cancer has spread, goes every 2 weeks, alternate chemo & treatment for fluid build-up on tumors (Nathan's mother-in-law, Brianna's Mom)
Daniel Tatum	Kevin Murphy's nephew cyst removed, sepsis, was better, fever returned again, back to ICU; home recovering, stopped all antibiotics, mega doses of steroids for a month
Cheryl Waller	will stay at UAB until she has heart transplant Gloria
Ronnie Ward	(Carol) triple bypass EAMC yesterday, had to have 4 bypasses, surgery went well, still in ICU but asking for razor, cell phone, and billfold Carol Sellers
William Ware	Dorothy Holdridge's brother diagnosed with Alzheimer's

Sue Weldon	Hurt her leg, cellulitis
Frank Whorton	MRI showed compression fracture of L 3, orthopedic doctor gave him a back brace, appt. with back surgeon postponed due to diverticulitis issues that require surgery, waiting on urologist & surgeon to coordinate schedules Elizabeth McGukin's brother
Angie Willis	had kidney transplant surgery; continues to do well Susan Tittle's daughter
Elaine Wright	Cardiac ablation for AFIB went well; surgery to repair hole in heart went well Holly
Missionaries/Military and their Families	
Conway's	Missionaries in Kushan Will & Matt Families Mary Belser
Daniel & Jessica Riuz	Joani & Tom's daughter Liberia
Spates Family	Nicaragua
