Bubba & LuCile Gibson	Bubba doing PT, 2x a week in Opelika
Rosalyn Godwin	Having a hard time with depression since Zack passed away
Christy Harrison	has cirrhosis; on Hospice, great news at last appt., liver functioning at 100%, ammonia levels normal PRAISES
Gayle Hawkins	sinus surgery; better but not well; off iron for 4 months to see how she does 9/8/23 ENT appt. yesterday: sinuses are still a mess, cleaned out & did culture, back in 2 months, surgery is a strong possibility
Bill & Jan Holland	Jan diagnosed with frontal lobe dementia; still having issues from CDIF ; mobility issues; Bill: pulmonologist said lungs were clear & BP issues probably related to meds
Brenda Hughes	infection in eye after second cataract surgery, treating with antibiotics, eye is doing good ; Ultrasound on legs showed need for additional surgeries, back in October
Judy Irvin	Colonoscopy report good; appt. with surgeon Thursday, will schedule reversal surgery
Lisa Kidd	Biopsy on end of thumb came back positive; appt. with Dr. Thompson at Grandview Cancer Center, she is currently stage 2 but they did feel a small lump under her left armpit so they will run tests, oncologist referred her to a hand surgeon, he will do her surgery next week and he will have to remove half of her left thumb.
Frances Long & Family	Lost her youngest son, Ed, to cancer; pray for the family
Cindy McGill	Breast needle biopsy came back positive, overall a positive report from MRI, cancer is stage 2 (barely in the parameters), has only had cancer 2-3 months, very treatable with high success rate; treatment plan is surgery followed by a year of chemo then radiation; recovering from lumpectomy; drain out this afternoon
Jim Missildine	MOHS procedure on face yesterday in B'ham; Doctors removed a 3/4" diameter skin cancer from his cheek, so he has a long incision, but it went well. They were thankful for the kind staff and the hospital chaplain, too, who visited and prayed with them before the surgery; has to take it easy for 2 weeks
Jimmy & Brucile Peoples	Results of biopsy showed a spot on prostate, procedure to prep for radiation went well, did marking & mold Tuesday, radiation started today and it went fine, 5x a week for 28 treatments; Brucile MRI showed arthritis & bone deterioration, ortho spine specialist waiting for results from nerve tests before deciding next step

Ray Porter	recovering from knee replacement, Regina said he is being a good patient but they are both exhausted, some days are better, others not so good, overall he is doing well
Whitney Rice	Surgery for ruptured abscess in colon; complications required a 3 rd surgery 5/23, surgery to do repairs will not be done until after Tiffany's wedding in November, reversal surgery 6-8 weeks after repair surgery
Karla Teel	heart disorder called SVT (heart beats super-fast); Numbness in feet degenerative nerve damage from shin to toes; lump under arm is excessive scar tissue from the dozen plus surgeries, the lump was muscle tissue, still hurting because could not start therapy until next week; appt. with UAB Neuromuscular Clinic for neuropathy mid-November
Jason Tidwell	Went back to work, will follow up with urologist
Marie Tidwell	All clear from retina specialist, cataract surgery scheduled for Oct.4 ; it was just scar tissue and not latis degeneration
Joann Vaughn	Cough CT scan showed pneumonia, treating with antibiotics, trying to get her energy level back, doing better
Joe & Ellen Wright	finger still bent at 15-degree angle; surgery to have it fused permanently with a screw; Joe will be back in USA October 7th
Special Requests	
Jason & Geni Abernathy	Jason: outpatient surgery for torn tendons in his arm, will wear immobilizer brace for 6 weeks, then 3 months to recover, he is improving; Geni: Lyme disease from a tick, it has progressed to neurological symptoms & joints, in a lot of pain, rheumatologist wanted to refer her to infection specialist, went to holistic medicine doctor in TN and feels like they can help her Christy's son-in-law
