

Sunday, November 19th

10:00 FBC Sanctuary Neighbors to Nations Al Jackson, former pastor at Lakeview Baptist Church in Auburn, will be speaking about a passion for the nations.

Lunch provided after the service that will focus on the different areas of the world that we engage: Pizza for New York City, Mexican food for South America, and Hummus and Falafel for the Jewish people. Al Jackson will speak in a Question-and-Answer format during lunch. **You may bring a dessert if you would like to.**

3:00 Community Wide Thanksgiving Service @ Lake Community Church

5:00 Sanctuary FBC Harvest Evangelism will be coming to speak to us about a local ministry to addicts and the homeless.

**Prayer Concerns
November 15, 2023**

New Updates are in **bold type**
No current update **PRAISE**

Home Bound

Edna Jones

Not doing well, Hospice (Tuesday), on morphine, in & out of consciousness, please pray for comfort & peace

Ed Wilkes

had a retina separation in his left eye last week, they stitched it back into place, he can only see light now but hopefully better in 7 weeks; right eye is dim from macular degeneration; can't drive right now, also dealing with dermatologist

Assisted Living & Nursing Home

Jackie Harrelson

Chapman's Room 408 256-397-1889 3701 Dadeville Road

Leadership Team

Vision 2026

New building fund; Pray for the committee

Caring for Dadeville Fund

Pray for wisdom for the committee to distribute money well

Search Committee

Pray for the Lord's guidance

PRAY FOR ISRAEL

...My heart's desire and prayer to God...
is that they may be saved (Romans 10:1 NIV).

Please continue to pray for
your "ones" and ALL the
lost & unchurched

Members Needs

Cree Atkins	Knee replacement cancelled due to pre-op, ECHO & stress test showed no heart issues
Tina Bryan	torn rotator cuff, trying shots and they are helping so far
Geri Cochran	Home from the hospital, recovering from UTI & her heart was out of rhythm
Bob Daniel	multiple myeloma; infusions once a week & meds, PT @ RMC Thursdays, much better; doctor advised him to stay home due to COVID outbreak - immune system is low
Sonny Dyson	Heart cath showed 2 blockages that have worsened since last heart cath, blockages are in a high-risk area & stents would be tricky at this time, meds seem to be working, none of the pain or symptoms he was having before, follow up with cardiologist Nov. 28th
Glen & Connie Elmore	cancer has spread to lymph nodes and hip; off treatments for a while
Bubba & LuCile Gibson	Bubba doing PT, 2x a week in Opelika; fell, surgery to replace hip ball joint, home late Monday, will continue PT at same place in Opelika
Ed Hamby Family	Ed went to his Heavenly home Sunday Nov. 5 th
Cale Hanks	Same type of growth plate injury as right hip, just not as severe, not in much pain, will have MRI & follow-up with doctor
Pete Harris	3 month check-up Monday 13th; his numbers are still normal, will continue same way and go back in 3 months
Christy Harrison	has cirrhosis; on Hospice, great news at last appt., liver functioning at 100%, ammonia levels normal
Gayle Hawkins	sinus surgery; better but not well; off iron for 4 months to see how she does 9/8/23 ENT said sinuses are still a mess, cleaned out & did culture, back in 2 months <small>end of Nov.</small> , surgery is a strong possibility
Ginger Head	Consultation with thoracic doctor went well, she really liked the doctor, a CT scan & other tests will be scheduled, she got new antibiotics geared toward lung infections & a nebulizer, she will go back December 11 th for results; Back to MD Anderson Dec. 5-7, last visit in clinical trial department
Hindman's	Doing much better
Bill & Jan Holland	Jan diagnosed with frontal lobe dementia; still having issues from CDIF; mobility issues
Brenda Hughes	Brenda still has a long way to go but she is doing much better
Lisa Kidd	Biopsy on end of thumb came back positive; surgery went well, lymph node biopsies were negative! Doing well, doctor gave her pain meds & muscle relaxer at appt. last Wed. muscle relaxers are helping, not having to take pain pills
Lucy Little	Flu, very weak, still coughing

Cindy McGill	Breast needle biopsy was positive, cancer is stage; treatment plan is surgery followed by a year of chemo then radiation; first chemo Monday 30 th , went well but Wed. she had a dramatic BP drop (vagus response) which caused her to pass out & start vomiting, please pray it was a one-time thing, one med every Monday & all 3 every 3 rd Mon.; did have chemo Monday(1 drug) next week will be the Big 3, please pray for minimal side effects
Linda McGuirt	rotator cuff surgery, pain is better, good check up Monday, has to wear the sling 2 more weeks, gave her additional exercises to do
Jerry McGukin	hand surgery went well even with tough tendons & hard bones, doing great, stitches out & has a splint, can't use that thumb for 21 days end Nov
Emily Patterson	flu
Jimmy & Brucile Peoples	Results of biopsy showed spot on prostate, finished radiation treatments; appt. with hand doctor today Brucile's surgery went well, the doctor thinks the bones are strong enough to hold the hardware, he removed the collapsed disk & filled the spot with polymer, the pain should get better
Whitney Rice	Surgery for ruptured abscess in colon; complications required a 3 rd surgery 5/23, surgery to do repairs will be November 28 at UAB , reversal surgery 6-8 weeks after repair surgery
Carol Sellers	flu
Karla Teel	heart disorder called SVT (heart beats super-fast); Numbness in feet degenerative nerve damage from shin to toes; lump under arm is excessive scar tissue from the dozen plus surgeries, PT is brutal but she can tell it's going to help; appt. with UAB Neuromuscular Clinic for neuropathy mid-November
Jason Tidwell	back at work, will follow up with urologist
Diane Wheeler Family	Diane went to her Heavenly home Thursday Nov. 9th
Kathy Williams	Surgery went well & she can tell a difference already (overgrowth of bone on spine, they will grind it down); fell out of her chair, all tests have come back good, Dr. thinks the UTI caused all the issues she was having & it has been treated successfully, discharged today, will have PT at home, insurance would not pay for rehab center, she has improved greatly but needs the PT to improve strength & endurance David will be having knee replacement November 16th, His son & daughter will be helping him, rehab for first 2 weeks will be at home
Joe Wright	Tentative surgery scheduled for hiatal hernia Nov. 29 as long as he passes his stress test the 16 th , Ellen will be getting another round of injections for her back 28 th
Special Requests	
Matthew Alford	Major stomach issues, slowly eating more, got down to less than 100 pounds, few good days then go back to not being able to digest food, prayers needed Daugherty's friend
Norma Bryan	Billy's Mom several health issues, not doing well
Michelle Caldwell	Issues with diverticulitis Holly R.
Doug Chaffin	Cancer on tongue, no pain & maintaining weight, 40 rounds of radiation started Oct. 16 th & ends Nov. 10 th ; 2 a day for 20 days, feeding tube should be removed before Thanksgiving Linda McGuirt

Rick Cole	Diagnosed with cancer Kile's friend
Connie Collier	Trudy Freeman's sister severe diabetic, facing possible amputation of foot, has been at a rehab facility since August, still has wound on her foot, pray for her to gain strength & be able to keep her foot.
Pat Cutts	pray they find a way to treat scleroderma and not just mask symptoms; wound on shin was malignant, surgery went well, struggling with the incision & with lymph nodes up her leg, pain is so bad she can hardly walk, has bronchitis & is very sick; not much better Jean Gravette's cousin
Shelby Deaton	Ann C's sister-in law cancer has spread to bones; had another scan, cancer has not grown, stable for now
Randy Defoe	Diagnosed with esophageal cancer, had a PET scan 28 th , waiting for results, treatments will depend on whether it is localized or has spread, feeding tube, will likely do radiation 5x a week for 7 weeks; gets tired later in the week after treatments; has lost a few pounds which the doctor is not happy about, hopefully he will use the feeding tube more Sonya's brother
Mildred East	Will start hormone reduction meds again as soon as she gets over COVID, please pray she can tolerate them this time
Allison Fleming	Frances Long's daughter surgery last week for bile leakage into stomach, back in hospital Baptist Health Center in New Albany, Indiana 47150, she has been in pain since she came home from hospital
Bryar Fuller	5-year-old son of Scott & Kaylan perforated appendix; follow up went well, surgery to remove appendix in a couple weeks
Shelia Fuller	cutting back to 2 shots a month for cancer treatment Holly's SIL
Kristie Garduno	back to work after mastectomy, reconstruction surgery & hysterectomy, she broke her foot and is off work again, new cast is up to knee; fell today going in doctor's office, transported to hospital with blood clots in lungs Sue Weldon's daughter
Garner Graham (Patrick & Hollin)	Still having lots of therapy but showing good signs of improvement; celebrated his first birthday! Max Graham's Grandson
Janette Grantham	Blood clots in right arm resulted in amputation below elbow, wasn't healing so they had to remove more of her arm; got the ok from her doctor to take a shower & begin getting fitted for a new arm Linda McGuirt
Charles Harmon	Cancer returned; very aggressive; some of the new drugs help Jane Kile's brother
Lynn Hayes	Ovarian cancer, about half done with her treatments, doing pretty good even though she has lost her hair, 3 treatments left, finishes around Christmas Tom Busko's boss's wife LuCile Gibson's sister
Jessica Hudson	Cosby's daughter, pray she stays in remission; saw Nephrologist last week & all was good, will be through with heart monitor end of this week then will see cardiologist
Ed Huey	Has a growth on the side of his neck that is getting bigger, ENT scheduled an ultrasound
Joshua Lanford	20's PANDAS (Pediatric Autoimmune Neuropsychiatric Disorders Associated with Streptococcal Infections) diagnosed when Obsessive-compulsive disorder (OCD), tic disorder, or both suddenly appear following a strep infection Linda McGuirt

Dalton Lee	Transformer exploded at work, 3 rd degree burns, skin graft surgery on his face went well, off the ventilator Seth Atkin's friend
Rosemary Leverette	Stage 4 lung cancer Ed Allen
Kamden Marvel	Liz Spencer's 17-year-old son pray for salvation & a personal relationship with Jesus
Scotty McKelvey	Chad & Clint's Dad home recovering from triple bypass surgery, doing well, going to therapy & they are working him hard, seems to be helping, able to drive now; Rita had a block that has helped with the pain in her back
Laura Miller (Stephen)	3 rd round of Cancer; responded well to chemo; doctor could not remove the tumor, it has grown since chemo stopped & is again surrounded by blood vessels/veins; finished radiation but they have to wait 3 months for a scan, doctor has told her tumor is shrinking, please pray her cancer responds to the radiation & she will be cancer free Jean Miller's daughter-in-law
Benford & Judy Morgan	Jerry Hughes neighbors need knee replacement but health prevents surgery
Thad Pate	mouth cancer; finished radiation, MRI on spine & brain showed no cancer, still taking PT but doing so much better & walking on his own, pray he gets his strength back so he can go back to work after the first of the year
Pat Peavy	Home recovering Karla Teel's mother
John Phillips	Cancer, diabetic on 2 shots a day, port for antibiotics, & colostomy Ann Clark
Wesley Phillips	denying God Ann C's nephew
Peggy Prewett	Stage 3A cancer; double mastectomy & reconstruction; chemo; begins radiation again, pray it doesn't burn her like it did last time Linda M
Margaret Robinson	Eye surgery went well & eyes are showing improvement, pray she finds a good eye doctor, kidney issues Holly's Mom
Chip Scocca	Nanci S. brother, fighting depression
Belinda Siggers	cancer has spread, goes every 2 weeks, alternate chemo & treatment for fluid build-up on tumors; the cancer is no longer responding to the meds and her numbers are way up (Nathan's mother-in-law, Brianna's Mom)
Cindy Smith	swollen joints and pain; thankfully not RA, it's an underactive parathyroid, will do another test before deciding treatment Linda McGuirt's sister
Landon Vaughn	16, tumor on right ankle; surgery 31 st went well, he went back to school, waiting on pathology report Julie Kline
Cheryl Waller	New heart is functioning correctly, out of hospital in apartment close to hospital, out & about some
William Ware	Dorothy Holdridge's brother Alzheimer's
Sue Weldon	Hurt her leg, cellulitis; vein doctor gave some new meds for leg
Frank Whorton	Diverticulitis surgery went great; removed crushed disk, put in epoxy one, added epoxy concrete to stiffen up & make permanent; home , has bed sores & has lost a lot of weight, on O2, retaining a lot of fluid, feet "seeping", Nurse & PT said he is doing good, right on schedule Elizabeth McGukin's brother
Sharon Ann Wilcox Family	John Wilcox's sister
Jimmy Wilder Family	He passed away Monday Patti Harris

Jamey Williams	Pastor of Rock Springs Baptist Church, Jacksons Gap deep imbedded brain tumor, could not tell anything from the biopsy so they are going to say it's CNS Lymphoma which is the less aggressive form because the swelling & shifting has dramatically decreased with the steroids, he has to see a neurologist the week after Thanksgiving for another CT scan ; was newly diagnosed with AFIB; many of you know Lisa Williams his wife, hairdresser at Oasis
Chad Wilson	Treatment for a rare bile duct cancer @ MD Anderson had to be put on hold to take care of a heart valve issue, surgery Monday went well & if ECHO comes back good, they are out of the woods & can concentrate on the cancer Ann A (Bucky's friend)
Ray Winter	Throat Cancer James Swindall
Dave Young	Prostate cancer
Missionaries/Military and their Families	
Conway's	Missionaries in Kushan Will & Matt Families Mary Belser
