

I CAN REST
 in the fact that
GOD IS
IN CONTROL
 Which means I can face
 things that are
 out of my control and
 not act out of control.

Prayer Concerns
 December 13, 2023

New Updates are in **bold type**
No current update **PRAISE**

Home Bound

Ed Wilkes

Mr. Ed had a retina separation in his left eye they stitched it back into place, he can only see light now but hopefully better in 7 weeks; right eye is dim from macular degeneration; can't drive right now, also dealing with dermatologist; eyes are improving

Assisted Living & Nursing Home

Jackie Harrelson

Chapman's Room 408 256-397-1889 3701 Dadeville Road
 Alex City 35010

PRAY FOR ISRAEL

...My heart's desire and prayer to God...
is that they may be saved (Romans 10:1 NIV).

Please continue to pray for
your "ones" and ALL the
lost & unchurched

Members Needs

Bob Daniel	multiple myeloma; infusions once a week & meds, PT @ RMC Thursdays, much better; doctor advised him to stay home due to COVID outbreak - immune system is low
Glinda & Ronnie Dennis	Pray for travel safety as they roam the state of Florida
Sonny Dyson	Heart cath showed 2 blockages that have worsened since last heart cath, blockages are in a high-risk area & stents would be tricky at this time, meds seem to be working, none of the pain or symptoms he was having before, follow up with cardiologist Nov. 28 th ; Will do a stent on one of the blockages but it hasn't been scheduled at this time; will have the stent surgery Friday, Dec. 15th ; at UAB possibly Kirklin Clinic
Glen & Connie Elmore	cancer has spread to lymph nodes and hip; off treatments for a while
Ivory Foshee	She doesn't have Crohn's disease but does have colitis
Crystal Gullledge	Her father, Robert Eason, has suspected esophageal cancer; oncology appointment Friday, Dec. 15th for the official results of biopsies and tests; blood clots and fluid in his lungs
Pete Harris	his numbers are still normal, pray they will continue same way
Christy Harrison	has cirrhosis; on Hospice, great news at last appt., liver functioning at 100%, ammonia levels normal
Gayle Hawkins	sinus surgery; better but not well; off iron for 4 months to see how she does 9/8/23 ENT said sinuses are still a mess, cleaned out & did culture, back in 2 months end of Nov., surgery is a strong possibility; bad cough and generally not feeling well
Ginger Head	Consultation with thoracic doctor went well, she really liked the doctor, a CT scan & other tests will be scheduled, she got new antibiotics geared toward lung infections & a nebulizer, she will go back December 11 th for results; Back to MD Anderson Dec. 5-7, last visit in clinical trial department
Bill & Jan Holland	Jan diagnosed with frontal lobe dementia; still having issues from CDIF; mobility issues; Jan had COVID but is much better
Evelyn Huey	Evelyn has COVID; Ed started his treatments Mon., Dec. 11th, Sonny takes Ed to his treatments so pray Sonny stays well and healing for all
Brenda Hughes	Brenda still has a long way to go but she is doing much better
Mike & Peggy Kelley	Very bad cough & sinus issues; Mike on an inhaler
Lisa Kidd	Biopsy on end of thumb came back positive; surgery went well, lymph node biopsies were negative! Doing well , thumb is healing; pray the melanoma is gone
Chuck Ledbetter	Admitted to LMCH Tuesday, Dec. 5 th . For infection in his knee; even after IV antibiotics Sunday the infection is getting worse; was released but readmitted last Friday to get the high-powered antibiotics he needs that has to be administered by IV; got home Tuesday morning ; also pray for Kim , her mother is in the hospital but still declining and the anticipated result is either

	keeping her in the hospital or nursing home with hospice; she was transferred from the hospital to Arbor Springs rehab and is doing well
Cindy McGill	Breast needle biopsy was positive, cancer is stage; treatment plan is surgery followed by a year of chemo then radiation; first chemo Monday 30 th , went well but Wed. she had a dramatic BP drop (vagus response) which caused her to pass out & start vomiting, please pray it was a one-time thing, one med every Monday & all 3 every 3 rd Mon.; did have chemo Monday(1 drug) next week will be the Big 3, please pray for minimal side effects; needs a root canal but postponing until Feb. due to her cancer treatments
Elizabeth McGukin	Will have another surgery on her shoulder; this time will need a tissue graft
Jimmy & Brucile Peoples	Brucile's surgery went well, the doctor thinks the bones are strong enough to hold the hardware, he removed the collapsed disk & filled the spot with polymer, the pain should get better; Brucile's back feels better but healing will be slow maybe up to a year
Whitney Rice	Surgery was very complicated and involved but every detail was addressed and repaired so a successful surgery; she is in a room; did not rest well last night but doing much better this morning; will need one more surgery; She is home!!!; Re-check with her doctor today
Karla Teel	heart disorder called SVT (heart beats super-fast); Numbness in feet degenerative nerve damage from shin to toes; lump under arm is excessive scar tissue from the dozen plus surgeries, PT is brutal but she can tell it's going to help; appt. with UAB Neuromuscular Clinic for neuropathy mid-November; waiting on test results
Donna Turner	MRI showed a small lump in breast; it is a grade 1 cancer; surgery not scheduled at this time; another MRI this week
Kathy & David Williams	Surgery went well (overgrowth of bone on spine, they will grind it down); will have PT at home with home health; she has improved greatly; after the first of the year she goes back to doctor; will begin more aggressive PT with his office; after his knee replacement, David is doing PT with home health and is doing great
Special Requests	
Matthew Alford	Major stomach issues, slowly eating more, got down to less than 100 pounds, few good days then go back to not being able to digest food, prayers needed Daugherty's friend
Baby Callan	Brucile's niece's baby has many issues and needs round the clock care
Janice Baker	Husband just died; 7 months ago, her son died; she's having a very hard time
Norma Bryan	Billy's Mom several health issues, not doing well
Michelle & Larry Joe Caldwell	Michelle issues with diverticulitis; Larry Joe throwing up with virus; fell and hit his head; getting stitches Holly R.
Mallory Carden	Ronda J.'s boss, her 5-year-old daughter, Saylei, has had a fever for several straight days; no known cause. She sleeps for 12-13 hours at a time; at Children's Hospital to hopefully get a diagnosis and treatment plan
Doug Chaffin	Cancer on tongue, no pain & maintaining weight, ended his 40 radiation treatments but still has feeding tube; mouth very blistered from radiation; online checkup Dec. 1 st Linda McGuirt

Jason Clark	Rhythm's dad Rhythm ask for him to be put on the prayer sheet
Rick Cole	Diagnosed with cancer Kile's friend
Connie Collier	Trudy Freeman's sister severe diabetic, facing possible amputation of foot, has been at a rehab facility since August, still has wound on her foot, pray for her to gain strength & be able to keep her foot. At EAMC; foot scheduled to be amputated Nov. 28 th ; prayers requested; Dr. amputated her foot and part of her leg; she had to have 2 pints of blood
Linda Cruz	Cancer friend of Jimmy & Brenda Bagley
Pat Cutts	pray they find a way to treat scleroderma and not just mask symptoms; wound on shin was malignant, surgery went well, struggling with the incision & with lymph nodes up her leg, pain is so bad she can hardly walk, has bronchitis & is very sick; not much better Jean Gravette's cousin
Brenda Daniel	She called the church and requested prayer for her emotional, physical, and financial well being and for her sister and brother-in-law's health
Shelby Deaton	Ann C's sister-in law cancer has spread to bones; ; doing good
Randy Defoe	Diagnosed with esophageal cancer, had a PET scan 28 th , waiting for results, treatments will depend on whether it is localized or has spread, feeding tube, will likely do radiation 5x a week for 7 weeks; gets tired later in the week after treatments; has lost a few pounds which the doctor is not happy about, hopefully he will use the feeding tube more; about to finish radiation Sonya's brother
Mildred East	Will start hormone reduction meds again as soon as she gets over COVID, please pray she can tolerate them this time
Allison Fleming	Frances Long's daughter surgery last week for bile leakage into stomach, back in hospital Baptist Health Center in New Albany, Indiana 47150, she has been in pain since she came home from hospital
Shelia Fuller	cutting back to 2 shots a month for cancer treatment Holly's SIL
Kristie Garduno	back to work after mastectomy, reconstruction surgery & hysterectomy, she broke her foot and is off work again, new cast is up to knee; fell today going in doctor's office, transported to hospital with blood clots in lungs Sue Weldon's daughter
Garner Graham (Patrick & Hollin)	Still having lots of therapy but showing good signs of improvement; celebrated his first birthday! Max Graham's Grandson
Janette Grantham	Blood clots in right arm resulted in amputation below elbow, wasn't healing so they had to remove more of her arm; got the ok from her doctor to take a shower & begin getting fitted for a new arm Linda McGuirt
Charles Harmon	Cancer returned; very aggressive; some of the new drugs help Jane Kile's brother
Lynn Hayes	Ovarian cancer, about half done with her treatments, doing pretty good even though she has lost her hair, 3 treatments left, finishes around Christmas Tom Busko's boss's wife LuCile Gibson's sister
Jessica Hudson	Cosby's daughter, pray she stays in remission; saw Nephrologist last week & all was good, will be through with heart monitor end of this week then will see cardiologist
Ed Huey	Has a growth on the side of his neck that is getting bigger, ENT scheduled an ultrasound; cancer on back of tongue; lymph node

	also involved; will have chemo and radiation 5 days a week for 6 weeks Sonny & Evelyn's son
Allen Kimbell	had a stroke, still in hospital recovering; moved to rehab Friend of Julie Kline
Joshua Lanford	20's PANDAS (Pediatric Autoimmune Neuropsychiatric Disorders Associated with Streptococcal Infections) diagnosed when Obsessive-compulsive disorder (OCD), tic disorder, or both suddenly appear following a strep infection Linda McGuirt
Rosemary Leverette	Stage 4 lung cancer Ed Allen
Kamden Marvel	Liz Spencer's 17-year-old son pray for salvation & a personal relationship with Jesus
Chris Matheson	Cancer friend of Jimmy & Brenda Bagley
Krista McGukin	Additional abdominal issues
Scotty McKelvey	Chad & Clint's Dad home recovering from triple bypass surgery, doing well, going to therapy & they are working him hard, seems to be helping, able to drive now; Rita had a block that has helped with the pain in her back
Laura Miller (Stephen)	3 rd round of Cancer; responded well to chemo; doctor could not remove the tumor, it has grown since chemo stopped & is again surrounded by blood vessels/veins; finished radiation but they have to wait 3 months for a scan, doctor has told her tumor is shrinking, please pray her cancer responds to the radiation & she will be cancer free Jean Miller's daughter-in-law
Benford & Judy Morgan	Jerry Hughes neighbors need knee replacement but health prevents surgery
Thad Pate	mouth cancer; finished radiation, MRI on spine & brain showed no cancer, still taking PT but doing so much better & walking on his own; Pet Scan showed two tumors on the outside of his lungs; surgery Dec. 4 th to remove the tumors; doctor will then biopsy the tumors: surgery went well; both tumors were removed and biopsied; biopsy results showed the cancer is same type that was in his mouth but doctor got all the tumors and surrounding cells; will discuss with the oncologist type of chemo treatment; will have regular scans and PET scans since these tumors can come back quickly. Grateful for all the prayers
Pauline Paxton	Infection in kidneys Ann Clark's sister-in-law
John Phillips	Cancer, diabetic on 2 shots a day, port for antibiotics, & colostomy Ann Clark
Wesley Phillips	denying God Ann C's nephew
Peggy Prewett	Stage 3A cancer; double mastectomy & reconstruction; chemo; begins radiation again, pray it doesn't burn her like it did last time Linda M
Susan Price	Cancer and is spreading; already in brain; Nita Kendell's daughter
Margaret Robinson	Eye surgery went well & eyes are showing improvement, pray she finds a good eye doctor, kidney issues; went to urologist ; got some meds to take for 6 weeks then goes back to doctor for recheck Holly's Mom
Chip Scocca	Nanci S. brother, fighting depression
Belinda Siggers	cancer has spread, goes every 2 weeks, alternate chemo & treatment for fluid build-up on tumors; the cancer is no longer responding to the meds and her numbers are way up (Nathan's mother-in-law, Brianna's Mom)

Joy (Smith) Lind	Shingles on head & face James & Jerilyn's daughter
Cheryl Waller	New heart is functioning correctly, out of hospital in apartment close to hospital, out & about some
William Ware	Dorothy Holdridge's brother Alzheimer's; leg hurting very bad
Sue Weldon	Hurt her leg, cellulitis; vein doctor gave some new meds for leg
Frank Whorton	Diverticulitis surgery went great; removed crushed disk, put in epoxy one, added epoxy concrete to stiffen up & make permanent; home, has bed sores & has lost a lot of weight, on O2, retaining a lot of fluid, feet "seeping", Nurse & PT said he is doing good, right on schedule Elizabeth McGukin's brother
Philip Wilkins	Cancer Dirk's friend
Jamey Williams	Pastor of Rock Springs Baptist Church, deep imbedded brain tumor, saw a neurologist the week after Thanksgiving for another CT scan; Dr. Russell took some fluid from cyst which showed mostly inflammation; but deeper in tumor looks like lymphoma but unsure of kind; will know within a few days and start treatment plan; back on steroids right now; high-grade B cell lymphoma ; if rated would be stage 4; started radiation but had to suspend because of tremors; did EEG Dec. 4 th but don't know results; still at Piedmont; pray for Lisa as she tries to balance her work load. They are on their way home
Chad Wilson	Treatment for a rare bile duct cancer @ MD Anderson had to be put on hold to take care of a heart valve issue, surgery Monday went well & if ECHO comes back good, they are out of the woods & can concentrate on the cancer; went to MD Anderson expecting a 1 week maximum stay but now 3-5 wks. minimum stay; platelet count low 30's; this is putting more stress on a stressful situation during the holidays; Chad having a hard time emotionally; Chad and the family needs prayers especially at this time Ann A (Bucky's friend)
Ray Winter	Throat Cancer James Swindall
Dave Young	Prostate cancer
Missionaries/Military and their Families	
Conway's	Missionaries in Kushan Will & Matt Families Mary Belser
Daniel & Jessica Riuz	Joani & Tom's daughter Liberia elections, political unrest, pray for peaceful run-off election Nov. 14 th sheltering at home, pray there is no need to separate the family for any reason
Spates Family	Nicaragua
Brittany Yonzon	Urban Nations Outreach NY
Jerilyn & James Smith	Taking a team to Elizabeth Town, KY to take over 330 backpacks
