in all they do. Pray that	fathers. Pray that they will have eternal perspectives and glorify God they will seek God's plans for their lives and the lives of their families. Irround themselves with Godly men who will keep them accountable and encourage them in their daily walks.

PRAY FOR ISRAEL

...My heart's desire and prayer to God... is that they may be saved (Romans I0:I NIV).

Please continue to pray for your "ones" and ALL the lost & unchurched

	Members Needs
Ann Atkins	Fell & fractured wrist, has a hard brace, <b>follow up Friday</b>

Joani Busko	Not a detached retina but Myopic Macular Degeneration, got first injection in eye, vision is still better, next injection July 5 <sup>th</sup>
Ann Clark	Cornea leaking again, doing 5 more shots, one each month March - July; shots
	are not working, full evaluation today to decide next step
Bob Daniel	multiple myeloma; infusions & meds weekly, PT @ RMC Thursdays; Cheryl
	having a lot of back pain but managing she said; they are struggling
Betty K Dyson	Had heart ablation, precursor to AFIB, put on BP meds & blood thinner
Glen & Connie Elmore	cancer has spread to lymph nodes and hip; MDA July 7-9
Bill & Debra Francis	Really down in back & hips, therapy 3 times a week, had to go to cardiologist
	Tuesday afternoon, BP very high, EKG was good, increased nitroglycerin, on
	tabs as well, will test for more blockages soon, not a candidate for surgery due
	to health & age; <b>Debra's</b> arthritis in knees is so bad shots or meds won't help,
	knee replacement Tuesday on left knee went well, pretty good night,
	walked this morning, hoping to go home this afternoon, right knee soon,
	also totally deteriorated just not bothering her like left
Eleanor Gilbert	Fell down steps and broke left wrist, left ankle and foot; slowly getting back to
	normal; got lighter brace at last follow up, 3 more weeks 6/17 & she'll be free!
Tami Gonzalez	Fracture & torn ligament in her foot, <b>much better</b>
Christy Harrison	No Cirrhosis, No cancer, praying for Leishmaniasis to be gone too; adjusted
-	meds for swelling with Leishmaniasis and it's improving, BP doing good; iron
	level really low, had 2 infusions, waiting a few weeks before doing labs again
<b>Robert &amp; Gayle Hawkins</b>	Prayers for health; <b>Robert finally got his prescription glasses, great report</b>
,	at neurologists today, Robert is better, BP is down & weight down, see
	<b>again in 6 months Gayle</b> went to ENT; severe sinus infection; culture results
	showed need for PICC line for specialized meds, also on 2 strong oral
	antibiotics for 42 days, home health comes to change dressing & do blood
	work every Thursday, doing better, feeling really tired, <b>nausea better with</b>
	nausea meds, half way done this week
<b>Ginger Head</b>	reverse shoulder replacement, doctor said x-ray looked great at follow up,
	rehab going good; great report at MDA last week
Bill & Jan Holland	Jan diagnosed with frontal lobe dementia; still having issues from CDIF;
	mobility issues; Jan had shoulder scoped, still some pain; exercises helping
Gayle Huff	Health issues, getting better
Brenda Hughes	Lost sight in right eye due to stroke; procedure on the 4th to run camera down
	esophagus to check on watchman procedure went well, it has healed as
	expected but she did have AFIB & her BP was very high, had more fluid on her
	heart, follow up first of the month to decide next step
Nancy Iacobella	Hip replacement July 22nd EAMC
Mike Jones	Nuclear stress test last Thursday, no results yet, possible-ablation in near
	future, gout is much better, meds worked; have had 2 tragic deaths of
	friends recently, pray for peace; ECHO July 16th
<mark>Julie Kline</mark>	Lungs okay; looking at calcium buildup in arteries, did another CT scan
Debra Knight	Torn meniscus, arthritis & a few bone spurs, can't see doctor until July
	15th and has to stay it as much as she can until then
Frances Long	Her daughter, Ellen is in the hospital with kidney & liver problems
Cindy McGill	Breast needle biopsy positive, surgery went well, a year of chemo will be
	finished in November; finished radiation
	,

Jimmy & Brucile Peoples	severe pain from hip to below knee; shot & prednisone did not work, Ortho
	doc (Gomez Columbus) looked at MRI, back is a mess with numerous
	problems, got epidural yesterday but won't know if it worked for 36
	hours, not hurting as much this morning; Brucile fell & fractured patella
	(kneecap), in an immobilizing brace
Yvonne Petty	Having issues with veins in legs, CT Scan of pelvis showed no blood clots in
	legs, recommended wearing support hose
Billie Nell Sanford	prayers also for Harriet & Scoon as her caretakers
Bill & Marie Tidwell	Home recovering from open heart surgery Friday 7th, <b>getting stronger every</b>
Chayon Tuavlay	day; Marie has capsulitis; PRAISE her pain is finally gone
Sharon Traylor	AFIB; Procedure (cardio version of Ablation - shock) EAMC; heart back in rhythm, good report at follow up, heart still in normal rhythm, had ECHO 24 <sup>th</sup>
	to make sure there is no leakage, won't get results until appt. in
	November unless they find something
Ellen Wright	back surgery last Thursday went well, had a herniated disc that was grinding
Lifeii Wright	on a nerve, <b>recovery going well, pain is much better, follow up today</b>
Elizabeth Yarbrough	bitten by cottonmouth moccasin; good report at follow-up, can drive & needs
Liizabetii Tarbi'dagii	to walk on it as much as she can, once dead tissue starts to "rot" off she will
	be on oral antibiotic, still swollen but making progress, just a long way to go
	Special Requests
Coni Aboungthy	-
Geni Abernathy	Not doing well, still doing treatments for Lyme disease, side effects are rough; had week of acupuncture & ozone treatments end of May, helped some with
	side effects of treatments & immune system, will need more treatments
	Christy Harrison's daughter
Bailey Adair	Dyson's Granddaughter surgery for torn Achilles tendon in November, 4
Builey Main	weeks later tore again & had 2 <sup>nd</sup> surgery, no rehab because incision won't
	heal, surgery May 7 <sup>th</sup> to clean it up & get down to fresh tissue, put in 3 layers
	of stitches, got stitches out & was able to start passive PT, <b>slowly getting</b>
	some movement back
Matthew Alford	2 strokes which paralyzed stomach, being nourished by TPN through PICC
	line, Cleveland Clinic doctors gave him 2 options one being a very complicated
	surgery which he did not recommend, or a nasal feeding tube which he could
	not tolerate last time but they have a new procedure the doctor wants to try,
	sending home for a month to continue meds & rehab to build up strength
	before procedure Daugherty's friend
Greer Bailey	3-year-old diagnosed with leukemia still in remission but a long way to go
150 5 1 60 1 3	Granddaughter of Brock & Amy Hill (Ann Atkins)
Mike Bush (Cindy)	June McClendon's SIL hernia surgery revealed cancer in stomach, <b>not doing</b>
Dahy Callan	good  Drugile's piece's helps home but needs yound the cleak care
Baby Callan	Brucile's niece's baby home but needs round the clock care
Carol Carter	Carolyn Alexander's DIL's Mother brain tumor, being treated with meds,
Julia Coo	surgery June 27th  Eviand of Christina was missionary in Israel until had to some home for
Julia Coe	Friend of Christina, was missionary in Israel until had to come home for
(Dan)	treatments; cancer has spread to liver, spine, jawbone, ribs, doubled in lymph nodes, back at mastectomy site, large tumor on neck & shoulder, <b>rapidly</b>
	declining, major difficulty breathing, moving, etc. Recommended she
	stop chemo, pray for guidance with tough decisions, pray Dan would
	have the words to say to his children. Cards or donations may be sent
	directly to them 100 Cumberland Avenue Alexandria, TN 37012
Rick Cole	Cancer continues to spread, good report from his tests Kile's friend
Donnie Cooper	Open heart surgery, 4 bypasses, much better, doing well in cardiac rehab, about to start nutrition classes, his wife Ceilann asks we pray specifically they
	can learn how to eat healthier Jimmy Peoples
	jumiy reopies

Creath Davis	In hospital with pneumonia, transferred to Chapman's Tuesday afternoon
	Haley, Holland & Nick's Dad
Junior Davis	cancer in spine, good report from scan, Holly's uncle
<b>Geraldine Deaton</b>	Looking for a new church due to controversy in her current church Ann C
<b>Shelby Deaton</b>	Ann C's sister-in law cancer has spread to bones, cancer has not grown
Robert Eason	Crystal Gulledge's Father esophageal cancer metastasized into gastric cancer;
	tumors decreased by 50% after initial round of chemo, doing another round,
	magnesium low last 2 treatments even though he takes a supplement, feels
	bad most of weekend after getting pump off on Friday
Mildred East	taking half strength of the hormone reducing meds, still talking about
W . B . W . B .	using a natural supplement instead
Kris Eddins (Kelly)	Stage 4 melanoma in lungs, esophagus & lymph nodes; still testing & MDA has
	been contacted; Kelly lost job due to being off with Kris; treatments in Mexico
	- trying a detox tonic & vitamins, PET scan results showed the cancer had not grown, back to Mexico 16 <sup>th</sup> for 5 infusions, <b>been running a fever since they</b>
	got home; oncologist today to decide next step, PRAISE – has not been able
	to see out of right eye for 10 years due to retina damage and can now see
	Betty Hamby's SIL
Shelia Fuller	2 shots a month for cancer treatment, partial remission Holly's SIL
