Hurricane Beryl Victims

Pray for the fall elections. Pray that we can stand firm in our faith as we vote, while showing grace to those who disagree with us.
Pray that our leaders will be held to account & for their wisdom as they lead.

...My heart's desire and prayer to God...
is that they may be saved (Romans 10:1 NIV).

Please continue to pray for
your "ones" and ALL the
lost & unchurched

Members Needs	
Bob Daniel	multiple myeloma; infusions & meds weekly, PT @ RMC Thursdays; Bob's immune system is so low they are discouraged from going out
Creath Davis Family	Creath passed away; funeral was Monday; pray for his family
Betty K Dyson	heart ablation, precursor to AFIB, BP meds & blood thinner & took off Celebrex; moving slowly, MRI on back & neck & x-rays on feet showed severe arthritis in neck & back, put her back on Celebrex & feels better & is moving better, epidural scheduled for Aug. 12th if not much improved
Glen & Connie Elmore	cancer has spread to lymph nodes and hip; MDA July 7-9, made it to Texas but appointments were cancelled due to Hurricane Beryl & power outages, did not reschedule, returned home; new appt. MDA Aug. 27-28
Bill & Debra Francis	PT 3 times a week for back & hips, cardiologist due to high BP, EKG was good, will test for more blockages; gout flare up, after shot & 2 meds, much better; Debra recovering from knee replacement, knee is doing good, still doing PT, on 2nd round of meds for UTI
Vicki Griffin	Fell, surgery for 7 breaks in left hand went well, had to fix with an external fixator (screws in the bones attached to an outside device), home recovering, doing ok, pins in hand bothering her, stitches out today, x-ray showed things are healing nicely, could take up to 8 weeks instead of 6
Christy Harrison	No Cirrhosis, No cancer, praying for Leishmaniasis to be gone too; iron level really low, had 2 infusions, waiting a few weeks before doing labs again, appt. with Mockler later this month
Robert & Gayle Hawkins	Prayers for health; Robert doing better; Gayle severe sinus infection; done with PICC line antibiotics & oral meds & is finally well & released by her doctor
Brenda Hughes	Lost sight in right eye due to stroke; watchman procedure healed as expected but did have AFIB & BP was very high, had more fluid on her heart, B'ham Aug 19th to decide if ablation is necessary, will discuss results from heart monitor, off 1 of meds for AFIB but still dragging
Nancy Iacobella	Hip replacement surgery went well, will not do PT; will just walk around the house
Mike Jones	Nuclear stress test, possible-ablation in near future, tests showed a blockage in his heart, will do cardiac CT scan to see if nuclear stress test was accurate, sees electrophysiologist next Thursday, right now having palpitations & heart rate is up
Julie Kline	Lungs okay; CT scan showed significant calcium build up in arteries, pulmonologist switched her inhaler & scheduled an additional test for Aug. 1st, checking for mold in apartment, cardiologist August 12th
Debra Knight	Torn meniscus, arthritis & a few bone spurs, shot & meds seem to be helping, will evaluate Aug. 5th & decide if scope is needed, not bad enough for replacement
Cindy McGill	Breast needle biopsy positive, surgery went well, a year of chemo will be finished in November; finished radiation
Jimmy & Brucile Peoples	severe pain from hip to below knee; shot & prednisone did not work, (Ortho doc Gomez Columbus) MRI showed numerous problems in back, first epidural helped, 2nd epidural only helped a few days, ortho appt. Friday Brucile fell & fractured kneecap, in immobilizing brace
Billie Nell Sanford	prayers also for Harriet & Scoon as her caretakers
