Hurricane Beryl Victims

**Pray for the fall elections. Pray that we can stand firm in our faith as we vote, while showing grace to those who disagree with us.
Pray that our leaders will be held to account & for their wisdom as they lead.**

PRAY FOR ISRAEL

*...My heart's desire and prayer to God...
is that they may be saved (Romans 10:1 NIV).*

**Please continue to pray for
your "ones" and ALL the
lost & unchurched**

Members Needs	
Bob Daniel	multiple myeloma; infusions & meds weekly, PT @ RMC Thursdays; Bob's immune system is so low they are discouraged from going out
Betty K Dyson	heart ablation, precursor to AFIB, BP meds & blood thinner & took off Celebrex; moving slowly, MRI on back & neck & x-rays on feet showed severe arthritis in neck & back, put her back on Celebrex & feels better & is moving better, epidural scheduled for Aug. 12 th if not much improved
Glen & Connie Elmore	cancer has spread to lymph nodes and hip; MDA July 7-9, made it to Texas but appointments were cancelled due to Hurricane Beryl & power outages, did not reschedule, returned home; new appt. MDA Aug. 27-28
Baxley Foshee	COVID
Bill & Debra Francis	Bill went to cardiologist last week, running tests Monday; Debra recovering from knee replacement, left knee doing good, PT 3 times a week, surgery on right knee early fall, hoping getting both knees done will help pain in back because due to already having rods & screws not a candidate for more surgery, on 3rd round of meds for UTI
Vicki Griffin	Fell, surgery for 7 breaks in left hand went well, had to fix with an external fixator (screws in the bones attached to an outside device), home recovering, good report at follow up, x-ray showed it's healing nicely but may take 8 weeks instead of 6, moving around much better this week & pain is more manageable
Christy Harrison	No Cirrhosis, No cancer, praying for Leishmaniasis to be gone too; iron level really low, had 2 infusions, iron level did not go up very much, will try a different iron infusion when insurance approves
Robert & Gayle Hawkins	Prayers for health
Brenda Hughes	Lost sight in right eye due to stroke; watchman procedure healed as expected but did have AFIB & BP was very high, had more fluid on her heart, B'ham Aug 19th to decide if ablation is necessary, will discuss results from heart monitor, off 1 of meds for AFIB but still dragging
Nancy Iacobella	Hip replacement surgery went well, will not do PT; will just walk around the house
Mike Jones	Nuclear stress test, possible-ablation in near future, tests showed a blockage in his heart, cardiac CT scan Monday to see if nuclear stress test was accurate, right now having palpitations & heart rate is up
Julie Kline	Lungs okay; CT scan showed significant calcium build up in arteries, pulmonologist switched her inhaler & scheduled an additional test for Aug. 1st , checking for mold in apartment, cardiologist August 12 th
Debra Knight	Torn meniscus, arthritis & a few bone spurs, shot & meds seem to be helping, will evaluate Aug. 5th & decide if scope is needed, not bad enough for replacement
Cindy McGill	Breast needle biopsy positive, surgery went well, a year of chemo will be finished in November; finished radiation Cindy & Mike have COVID
Dorothy McKelvey	EAMC was dehydrated, doing better
Jimmy & Brucile Peoples	severe pain from hip to below knee; (Ortho doc Gomez Columbus) MRI showed numerous problems in back, ortho doctor said Friday no surgery right now, 3 discs are damaged & one looks like it is bulging on a nerve, pain is tolerable right now, will do PT for 8 weeks unless it flares up again & has to go back; Brucile fell & fractured kneecap, in immobilizing brace, follow up Friday for knee & next week for back

Whitney Rice	At Russell with bowel obstruction, pray the obstruction will clear today after antibiotic treatment, if it doesn't surgery will be required, decision will be made after additional tests with dye are done this afternoon, NO visitors please
Billie Nell Sanford	prayers also for Harriet & Scoon as her caretakers
Mary Taylor	Discharged from hospital & headed to Tallassee Health & Rehab
Jim White	Upper respiratory infection, doing better
Wayne Smith	Going through a series of tests to see what is going on
Ellen Wright	back surgery went well, had herniated disc that was grinding on a nerve, good report at follow up, has been dealing with severe migraines & nausea, cervical MRI showed bone spurs on either side of deteriorating C3, neurosurgeon says it is arthritis material, will have another cervical epidural tomorrow, her Dad passed Saturday from complications associated with colon cancer surgery & he was the primary caretaker for her Mom who is in a wheelchair, they live in Baltimore & Ellen can not travel at this time, pray the epidural provides relief
Special Requests
