Committee to find Association Director of Missions

Leadership Team	
Vision 2026	New building fund: \$725,775.63 Pray for the committee
Search Committee	Pray for the Lord's guidance. Members: John Wilcox- chair, Jessica Arthur, Belinda Daugherty, Jeff Gullede, Brittany McCullough, Clint McKelvey; Alt. Christina Baker, Terri McCutcheon, Emily Patterson Need Resumes

Pray for the upcoming school year; for the students' commitment, satisfaction in their work & for their safety. Pray that the teachers will have the courage of their convictions & that those convictions will be God-ordained. Colossians 3:23 Romans 8:28 Proverbs 22:6

...My heart's desire and prayer to God...
is that they may be saved (Romans 10:1 NIV).

Please continue to pray for
your "ones" and ALL the
lost & unchurched

Members Needs

Bryan Baker	had surgery Monday to put pin in his finger
Bob Daniel	multiple myeloma; infusions & meds weekly, PT @ RMC Thursdays; immune system so low they are discouraged from going out, doing pretty good & wanting to get back to SS
Glen & Connie Elmore	cancer has spread to lymph nodes and hip; new appt. MDA Aug. 27-28
Bill & Debra Francis	Bill: cardiologist ran tests, more heart tests at EAMC in September; Debra recovering from knee replacement on left knee, PT 3 times a week, may know next week when surgery will be on right knee , on 3 rd round of meds for UTI, UTI was a lot better at follow up but staying on meds for now
Vicki Griffin	Fell, surgery for 7 breaks in left hand, had to fix with external fixator (screws in bones attached to outside device), at follow doctor said she would need the pins 3 more weeks, next appt. Sept. 9th, moving forward with the "stimulator" to help back pain, waiting for them to schedule trial run
Pete Harris	Great report at check-up!!
Christy Harrison	No Cirrhosis, No cancer, praying for Leishmaniasis to be gone too; iron level really low, had 2 infusions, iron level did not go up very much, had a different kind of infusion, praying it helps, has no energy
Robert & Gayle Hawkins	Admitted to LMCH last Wednesday, diagnosed with pancreatitis/gall bladder attack, home Monday but has to stay on a liquid diet, appt with surgeon at EAMC on 21st and back to Schuster on 25th
Brenda Hughes	Lost sight in right eye due to stroke; watchman procedure healed as expected but did have AFIB & BP was very high, had more fluid on her heart, B'ham Aug 19 th to decide if ablation is necessary, will discuss results from heart monitor, doctors are still deciding what is best option
Mike Jones	Nuclear stress test showed blockage in heart, had cardiac CT to see if nuclear stress test was accurate and it showed there was no blockage, pacemaker in the near future
Julie Kline	cardiologist said calcium build up is around outside of arteries, stress test results were good , beginning stages of COPD, follow up with pulmonologist Sept. 11th
Cindy McGill	Breast needle biopsy positive, surgery went well, a year of chemo will be finished in December; finished radiation; mammogram pictures were clear
Jimmy & Brucile Peoples	severe pain from hip to below knee; (Ortho doc Gomez Columbus) ortho doctor said no surgery right now, 3 discs damaged & one looks like it's bulging on a nerve, pain tolerable right now, will do PT for 8 weeks unless it flares, follow up Sept. 25, back to cancer center this week; Brucile fell & fractured kneecap, in immobilizing brace, doctor said 2 more weeks in brace
Yvonne Petty	Ultrasound on left leg, swollen & red, results showed a Baker's cyst behind knee, GP put on steroids
Whitney Rice	Admitted to Russell with bowel obstruction, blockage cleared after antibiotics, rebuilding her strength once again, great report at follow up on 14th
Billie Nell Sanford	prayers also for Harriet & Scoon as her caretakers
Carly Smith	Has been sick for a while, changed antibiotic at follow up last Thursday and feeling better

Leigh Tampling	EAMC Auburn, running tests, not gall bladder related, possible gastritis or peptic ulcers, treating symptoms, follow up with primary care doctor this week
Mary Taylor	Rehab at Tallassee Health & Rehab, she will be moving to Anderson, SC close to her son Frank Taylor & Family, she is going to a multi-level facility to continue with more rehab, then transition to assisted living or the nursing home, depending on her progress, please pray she can get stronger & they can remove the catheter
Karla Teel	Will have tumor removed off of clavicle Friday
Bill & Marie Tidwell	COVID, both are doing much better
Wayne Smith	Non-small cell lung cancer, still waiting for final test results , will do immunotherapy & chemo 3 weeks of treatment, a break, 3 more weeks of treatment then scans to see if treatments need to increase; very positive & upbeat even with diagnosis
Ellen Wright	back surgery went well, having severe migraines, cervical MRI showed bone spurs, cervical epidural helped, still having some migraines but more manageable ; hoping to travel to Maryland for a week first part of October to visit with her Mom since she was unable to go when her Dad passed away; Joe is scheduled to be out of the country 9/5-11/17
Marcia Wright	Heart cath Friday EAMC 6am with possible stents
Special Requests	
Geni Abernathy	treatments for Lyme disease, side effects rough; acupuncture & ozone treatments helped, gradually improving Christy Harrison's daughter
Bailey Adair	Dyson's Granddaughter surgery for torn Achilles tendon, 2 nd surgery because incision wouldn't heal, PT going good & making steady progress, headed back to Orlando Sept. 3 rd
Matthew Alford	2 strokes paralyzed stomach, being nourished by TPN through PICC line, Memphis & Cleveland doctors decided since he had gastric surgery, they need to wait to do nasogastric tube, reevaluate progress in 2 months (first part of Sept.) after using a protein nutrient; back in hospital, PICC line in arm was infected & had to take out Daugherty's friend
Greer Bailey	3-year-old diagnosed with leukemia still in remission but a long way to go Granddaughter of Brock & Amy Hill (Ann Atkins)
Spencer Barrett	Jerry Stricklands 24 yr old grandson 5mm kidney stone, procedure last Thursday morning to remove stone went well, almost healed, back in class
Mike Bush (Cindy)	June McClendon's SIL hernia surgery revealed cancer in stomach, not doing good, on respirator, Hospice
Shane Caldwell	had surgery on esophagus for bleeding, surgery went well, home recovering , pray for salvation Holly
Baby Callan	Brucile's niece's baby home but needs round the clock care
Rick Cole	Cancer continues to spread Kile's friend
Maggie Dailey	Doug Atkin's Aunt health issues
Junior Davis	Bone cancer Holly's uncle
Shelby Deaton	Ann C's sister-in law cancer spread to bones, cancer has not grown
Robert Eason	Crystal Gulledege's Father esophageal cancer metastasized into gastric cancer; 6 mo. PET scan showed no signs of a tumor, will remain on chemo regimen to prevent regrowth, but all his numbers & organ function are great

Kris Eddins (Kelly)	Stage 4 melanoma in lungs, esophagus & lymph nodes; immunotherapy infusions, has lost from 187 down to 158; could not do 2 nd infusion due to elevated liver enzymes & still has bad rash, another round of steroids & will get another infusion med when approved by insurance, kidney stones in both kidneys, CT scan showed 2 tumors instead of 3 and they were smaller, colon issues, back to Tijuana for treatment Sept 22nd Betty Hamby's SIL
Shelia Fuller	2 shots a month for cancer treatment, partial remission Holly's SIL
Kristie Garduno	Recovered from mastectomy, reconstruction & hysterectomy, then broke foot, back in cast, CT scan of leg & foot showed it was trying to heal, it's been 9 months Sue Weldon's daughter
Betty Goodman	Mayor's wife Alzheimer's, good days & bad days
Garner Graham (Patrick & Hollin)	doing therapy & hyperbaric oxygen therapy treatments, still some issues with the part of brain healing that controls his sight; back on seizure meds doing good; Doing good but still has a ways to go, he is getting stronger & the new therapist is helping Graham's Grandson
Danny Hankins Family (Miriam)	He passed away last Wednesday evening, service was Monday June's friend
Matthew Hood	17 yrs. 50% of body burned in car accident, amputated both legs; measured for prosthetics but needs to heal first, doing rehab pray for all the adjustments he has to make Jeff G
Ed Huey	Cancer on back of tongue, finished chemo & radiation; working from home, gaining weight but still has no taste; lump still there but cancer cells are dead Huey's son
Hayes Hunter	Around 10 leukemia, will have 4-6 months of chemo depending on how he responds to treatment; needs a bone marrow transplant; his brother is a match, started 2 nd round of chemo which is much stronger, no bad effects yet, his numbers are good Belinda D
Ronnie & Gail Jones	Ronnie has brain cancer; not doing well, did chemo & radiation, now doing immunotherapy, side effects from meds are rough Marie Tidwell's sister
Trent Keeber (McCall)	Only 26, diagnosed with ALS, they just had their first child 2 months ago, kept falling & couldn't even hold the baby; recently lost his job due to falling, they don't have a lot of family on either side Debra Francis
Amber Logan	major gastro issues & other related issues, took out PICC line, and tried to put one in the other arm but her nerves were in the way, had ultrasound to make sure she doesn't have a blood clot, will see doctor 22nd to schedule putting PICC line in chest
Laura Miller (Stephen)	stage 4 lung cancer that has spread, after clinical trial cancer has spread to 2 ribs & tumors are larger, cancer is progressing through treatment, time to try something else, putting her on a tried & true chemo, had 2nd treatment last Thursday , 2 more clinical trials available in next 2 months; prognosis is not good, praying for a miracle Jean M's DIL
Karen Mills	Breast cancer, double mastectomy & reconstruction surgery August 22nd, hoping only radiation & no chemo but it will depend on what it looks like when they open her up Belinda's niece
Jim Murray	Pacemaker, will have to replace aortic valve end of July or beginning of August, still waiting for decision on how to do procedure (carotid artery or groin) because he has an aortic aneurysm as well, doing great! Whitney's Dad
Kyle Orr	Came home from rehab Tuesday; Sheree had COVID but was able to go back to work Monday Carolyn Alexander's brother

Thad Pate	Lung cancer metastasized to back; on a break from chemo & radiation, PET scan in Sept. to determine plan, still in a lot of pain, had appt. with back pain doc, hoping for something to relieve pain
Ronnie Peach	Stage 4 cancer has spread everywhere, chemo is making very sick, & last week he told them he couldn't take anymore, they decided to skip a week & reduce his dosage, he is able to eat & drink this week without the chemo Debra Francis' brother
Maddy Petite	Stage 4 lung cancer metastasized to brain, 28, MDA did 4 radiation treatments & a biopsy to decide on best treatment, home & started immunotherapy; Maddy is asking for urgent constant prayer Facebook Jennifer Jo: her Mom
John Phillips	Cancer, diabetic, 2 shots a day; could not do stomach surgery due to his health, gave 2 mega doses of IV antibiotics & will go back for 3 rd dose, had AFIB but got heart back in rhythm, home Ann Clark
Susan Price	Cancer has spread to brain, at MDA hopefully only M-W, she will have scans, see doctors, and have an immunotherapy treatment Nita K's daughter
Warren Thomas	5-year-old leukemia, bone marrow biopsy results good; can visit with friends and hopes to attend school in the fall Jane Kile
Chase & Kendall Turner	Baby Catherine born early, still having lung issues, not completely developed, but she weighs 5 pounds now Kile's friend
William Ware	Dorothy Holdridge's brother Alzheimer's
Carter Webb	Found lump on arm, CT scan inconclusive, MRI couldn't get image, had to sedate & do again; results showed vascular malfunction of veins or arteries in arm, sending to pediatric vascular doctor as precaution, pray visit goes well Daugherty's grandson
Sue Weldon	Cellulitis in leg is not healing, heart cath results were good; back in 6 months, sleep apnea test went well, results 28th
Tiffany Rice Womble	at 28 weeks gestation Hazel was only 8% on growth percentile chart, now considered high risk, may take baby early if they think she will thrive better outside womb; at about 33 weeks Hazel was up to 38%, doesn't go back to doctor til next Tuesday because Hazel grew so much
Elaine Wright	Allergic reaction to wasp sting Holly
Lynn Wright	Holly's Uncle gout, more tests, appt. Tuesday about infusions
Missionaries/Military and their Families	
Conway's	Missionaries in Kushan Will & Matt Families Mary Belser
Param & Brittany Yonzon	Urban Nations Outreach NY Param has stepped up as associate pastor at their church after the pastor & associate pastor left, please pray for them and their church
