lost & unchurched

Members Needs

Joani Busko	Retina surgery tomorrow at Callahan Eye Clinic in B'ham, pray for vision improvement
Butch Clark	prostate cancer but contained; 28 radiation treatments; started 12 th , will receive 2 treatments on Wednesdays, doing well so far
Bob Daniel	multiple myeloma; infusions & meds weekly, PT Thursdays; immune system so low they are discouraged from going out
Glen & Connie Elmore	cancer has spread to lymph nodes and hip; at last scan, cancer has not spread & appears to be dormant
Foshee Family	Pray for their protection and health while they are dealing with mold in their home. It's mostly affecting Brinlee, who now has early asthma, Ivory has been sick with walking pneumonia
Bill & Debra Francis	Bill wears a nitro patch 24/7; Debra recovering from knee replacement on left knee, surgery on right knee after first of year due to insurance, hurting now
Vicki Griffin	PT for hand & frozen shoulder, placement of trial "stimulator" for back pain October 9 th ; procedure was tough but pain much better; temporary leads had to come out after a week, surgery to get permanent placement Nov. 21st went great but the recovery has been rough, pain is getting better
Gayle Hawkins	Stroke in brain stem that weakened right side, CT scan showed no brain bleeds but possibly had a 2 nd stroke, had MRI & CTA with contrast & got good results from both , had cardiology appt. 22 nd to get heart monitor; speech & walking are improving, coming back from Stephanie's Sunday
Jan Holland	Still having some tummy issues
Larry Iacobella	Watchman device broke loose & migrated through two heart valves & lodged near a kidney where it blocked blood flow to legs; surgery to remove it went well; pray for healing & health
Mike Jones	cardiologist appt. went well, right now no ablation or pacemaker is necessary; God is answering prayers, started PT to strengthen right side; MRI showed spinal stenosis and bulging discs; spine specialist said spine is in good shape so appears to be a nerve problem, nerve test with neurologist next Thursday, can't sit for more than 30 minutes & getting up is hard, scheduling epidural to help with pain, hoping epidural & PT will be all that's needed
Peggy Kelley	Surgery on thumb Friday
Herman Kile	Surgery on face, very close to eye, more extensive than they thought but doctor said he got it all, improving, bruising & bleeding are much better
