<mark>Sonny Dyson</mark>	Heart cath & TEE yesterday, cath was good, TEE showed stenosis is worth,	
	appt. with cardiologist next week to discuss options for valve replacement, this is something they have been watching for several years	
Glen & Connie Elmore	cancer has spread to lymph nodes and hip; at last scan, cancer has not spread & appears to be dormant	
Ivory Foshee	stress test results were normal, waiting on heart monitor results	
Robert & Gayle Hawkins	Strokes in brain stem weakened right side, doing better every day; Robert has "fuchs dystrophy", requires surgery in both eyes, surgery on right eye went well, doing good, vision much better, next follow up June 5 th	
Bill & Jan Holland	Still having some tummy issues, dementia is hard, struggling	
Sonny Huey	has an ulcer in the stomach & a hiatal hernia, treating with meds, follow up in a month (4/30), did nuclear test, stress test and ECHO May 15th, will see doctor tomorrow for results	
Jerry Hughes	watchman procedure came loose, had to go back into emergency surgery to remove, procedure to put permanent pacemaker in yesterday went well, will be very weak for a couple of weeks, can't walk without help & has a long	
	recovery but hopefully a good one, having a hard time with excruciating pain in his left shoulder and hip that were giving him trouble before this procedure, but overall he is improving. Being released to come home late this afternoon, he will need round-the-clock care for the immediate future	
Mike Jones	coverings on nerves from spine fraying, pinched nerve & nerve damage in right leg; heart monitor implanted, electrical function of heart degenerating, scheduled to get pacemaker June 5 th at RMC	
Tanya McCullars	Knee replacement Monday, June 2 nd Dr. Howorth Alex City	
Elizabeth McGukin	shoulder torn again after 2 surgeries to repair, shots did not give the relief she hoped for; 3 squamous cell carcinomas removed on shins, places are better but still healing, trying to make it through the summer before she has reverse shoulder replacement	
Gail Missildine	Another compression fracture, had kyphoplasty procedure done last Wednesday, also did lumbar work on L1 which caused pain initially, pain is much better , follow up May 29 th	
Holly Robinson	Great deal of pain from possible broken rib	
Billie Nell Sanford	pray for Harriet & Scoon as caretakers; fell & broke hip, replaced ball joint, rehab Dadeville HealthCare Rm 203, trying hard with PT, pray her mobility continues to improve	
Wayne Smith	Non-small cell lung cancer, CT scan showed tumor on lung was gone; finished radiation treatments 15 th on arm, head & adrenal gland, started back immunotherapy, admitted to RMC ICU Tuesday , going to keep him a few days to get the fluid off his legs & feet	
Karla Teel	Biopsy of knots on neck showed cancer, it is a recurrence of lobular breast cancer, it is on chest wall, in peck muscle & possibly muscles in armpit, radiation would be first course of treatment if she has not reached her limit, major complicated surgery making sure chest wall can hold organs, depending on how much is involved, would be next option; brain MRI showed no cancer, appt. at MDA June 21, prayers for anxiety for the waiting

Missionaries/Military and their Families		
Anuj & Alexis	Home for the summer	
Conway's	Missionaries in Kushan Will & Matt Families Mary Belser	
Param & Brittany Yonzon	Urban Nations Outreach NY Param is interim pastor, in final stages for senior pastor candidate. Pray for guidance in transition. So many friends have moved & it's been hard! I joined a walking group for moms, it appears no one is a believer. Pray for opportunities for gospel conversations. Amayah opens so many doors for conversations. Pray for boldness & guidance.
