Pray for the kids & the workers.

Wednesday, June 11th Family Meeting to hear the recommendation of Strategic Planning Team for Vision 2026.

This is the recommendation: "The Strategic Planning Team recommends the church proceed with a new building, connected with our current building at the portico, to house our children's wing and possible office suite. In addition, we will add an elevator, remodel the choir suite downstairs, and create a ladies' restroom. The estimated cost is \$2.5-3 million. We will instruct the architect to create a site plan for possible future additions to our church, including an option for fellowship hall/family life center."

Wednesday, June 18th Special Called Business Meeting

We will vote on Vision 2026 recommendation from Strategic Planning Team.
