Charlie & Michele Kuykendall		
Hunter & Christina Baker		
Greg & Courtney Sanders	Greg is recovering from surgery to amputate big toe last Tuesday, doing better each day, stitches & staples out, minor set-back, has secondary infection on side of foot, back on strong antibiotics, few days in hospital due to secondary infection, discharged Monday evening, good report at follow-up today, no visible signs of infection, will just take time to heal, follow up in a week	
Leadership Team		
Vision 2026	New building fund: \$1,211,293.26	
London Mission Trip	July 17-25 Hunter, Christina, Mike & Carmen Tucker, Mason White	

...My heart's desire and prayer to God... is that they may be saved (Romans 10:I NIV).

Please continue to pray for your "ones" and ALL the lost & unchurched

Pray for the fall elections. Pray that we can stand firm in our faith as we vote, while showing grace to those who disagree with us. Pray that our leaders will be held to account & for their wisdom as they lead.

2 Chronicles 7:14 Proverbs 11:14a Romans 12:2

Members Needs		
Ann Atkins	recovering from spinal stenosis surgery in neck, doing great, everything looked good at follow-up, bone stimulator today to promote healing for 6 weeks, follow-up Sept. 2, will talk about back surgery	
Butch Clark	prostate cancer but contained; finished radiation; PSA levels came down 3 points, PSA levels dropped another point, recheck in 3 months	
Jim Clark	biopsy on nose showed basal cell, appt. to remove 9/5 in Montgomery	
Bob Daniel	multiple myeloma; infusions & meds weekly, PT Thursdays; immune system so low they are discouraged from going out, not finished with treatments but only has to see the doctor once a month now	
Betty K Dyson	elbow doing ok, nerves still angry; biopsy right breast benign, cancer grade 1 stage 2, lumpectomy with 3 lymph nodes removed on left, 3 duct glands removed on right, no cancer in lymph nodes, tumor removed had one area close to margin, surgeon may want to go back in & get larger margin, ducts in right breast precancer noninvasive carcinoma & completely removed, starting hormone pill that blocks body from producing estrogen, surgeon said healing beautifully, will see radiologist Aug. 6th about treatment	
Sonny Dyson	TAVR procedure (minimally invasive valve replacement) went well, no permanent pacemaker necessary, getting a little more energy every day; had follow-up at eye doctor, has new contacts, pray he adjusts to them & his sight improves, follow-up end of July	
Glen & Connie Elmore	cancer has spread to lymph nodes and hip; at last scan, cancer has not spread & appears to be dormant	
Pete Harris	Had another seizure that affects speech, lasted a while but better now, has had a few episodes of slurred speech, speech is better	
Robert & Gayle Hawkins	Strokes in brain stem weakened right side, doing great; Robert has "fuchs dystrophy", requires surgery in both eyes, surgery on right eye went well, vision much better, good report at follow-up for right eye, will do left eye Aug. 6 th	
Bill & Jan Holland	Still having some tummy issues, dementia is hard, struggling	
Mike Jones	coverings on nerves from spine fraying, pinched nerve & nerve damage in right leg; pacemaker procedure was a success, scope went well and everything was fine, there is a newish procedure for reducing size of prostate only done at UAB, they will discuss further with urologist here before deciding	
Nita Kendall	Recovering from knee replacement, getting better each day, looked good at follow-up, PT at wellness center	
Jimmy Peoples	Mailed heart monitor back, waiting to hear results	
Billie Nell Sanford	pray for Harriet & Scoon as caretakers; fell & broke hip, replaced ball joint, rehab Dadeville HealthCare Rm 203, trying hard with PT, maintaining, still dealing with catheter, pray her mobility continues to improve	

Elaine Smith	Bulging disc
Joyce Smith	Fell, has 2 breaks below left shoulder, doctor said take it easy for about 6 more
	weeks, no lifting heavy things
Wayne Smith	Non-small cell lung cancer, CT scan showed tumor on lung was gone; finished
	radiation treatments, doing immunotherapy treatments (11th) scans looked good,
	no new areas of concern, other areas smaller, was not able to do
	immunotherapy today, more radiation maybe starting next week
Karla Teel	Biopsy of knots on neck showed recurrence of lobular breast cancer, brain MRI
	showed no cancer, does have 2 malignant spots on chest wall, when all tests from MDA are in and evaluated, they will determine treatment plan
Jacky Thompson	
Jacky Thompson	Retinal detachment & tear surgery, great report at last follow-up, can sit up now & sleep on his side, no patch, gas bubble is finally GONE, follow-up August 3rd
Ramona Thornton	Recovering from broken hip, repaired with plates & screws, doing better
Marie Tidwell	Facial pain back, met with oral surgeon, CT scan showed fragments in gum where
	2 teeth were removed last year which has triggered atypical face pain & it is
	horrible, will schedule surgery as soon as get biopsy results of nodule on
Judy Waters	thyroid breast cancer, lumpectomy July 25th RMC
Judy Waters	
	Special Requests
Kim Albritton	breast cancer, recovering from double mastectomy, d oing great, no chemo or
N	radiation needed Mike Tucker's sister
Matthew Alford	Only 44, 2 strokes, paralyzed stomach, good days & bad days, down to 92 pounds
Labor Aradirania	Daugherty's friend
John Andrews	Burns on 20% of arms & legs, retired firefighter, no skin g rafts needed Bill Holland's friend
Art & Kathleen	Salvation for Jewish man at Veranda, we love y'all & we are praying
