

Monday Morning Missive

Good morning, again. I am so sorry that I forgot to include this in the first e-mail.

We will be having our quarterly business meeting on January 26 at 5:00 p.m. We have two proposed policy changes that we want you to know about in advance.

First, the Missions Committee has redone its policy. You can read the proposed version on our website under the News heading later today or [click here](#).

Second, we will be changing our child protection policy to Ministry Safe, the program recommended by the Alabama Baptist State Board of Missions. This company provides training and background checks that we believe will better protect our children and our workers. To view this policy, go to the website or [click here](#).

Thanks for your attention to this. Read these policies

carefully, and if you have any questions, let me know. If I can't answer them, I will put you in touch with someone who can.

Blessings,

Bro. Ben
