

## *Monday Morning Missive*

**Church, I need to make a correction. I made a huge mistake in my missive this morning when I was talking about our giving for the month of March. We did not come close to our \$50,000 budget need for the month. I'm sorry. We actually blew right past it with you giving approximately \$56,000 in tithes and offerings. Thank you for being faithful.**

**I love you,  
Bro. Ben**
