

Urgent Need

Good afternoon, church family. The Missions Committee made me aware of an urgent need in Honduras. Due to the COVID-19 virus, the government has ordered the people to stay in their homes. Many of them were caught off guard by the order, and, especially in the outlying communities, they have few supplies. One of the men that has served as a translator for our mission trips has been able to get permission to go out and purchase supplies for families and deliver them. However, the people have limited money. The Missions Committee is asking for your help.

For \$20, you can provide a basket of food for a family. Each basket will contain 5 lbs of beans , 5 lbs of rice, toilet paper, salt, 5 lbs of corn flour, 4 lbs of shortening, 3 lbs of sugar and 2lbs of spaghetti noodles.

Please designate your offerings to Missions

Fund.

Thank you for your generosity.

Bro. Ben
