

## **Governor Ivey's Mask Mandate**

**Good morning, church family. After listening to Governor Ivey's press conference in which she is mandating the wearing of masks under certain circumstances, we are asking everyone who comes into the church office to wear a mask. If you can, please take care of your business with the church office by phone or e-mail just to make sure everyone is safe. While we still highly encourage you to wear masks to worship, the governor's order does not require worshippers to keep their masks on.**

**Please, folks, do what you need to do to stay safe.**

**Blessings,  
Bro. Ben**
