

## *Monday Morning Missive*

**Good Monday morning, friends. You may not have heard yet, so let me tell you that Mrs. Pat White has gone home to be with the Lord. I just got off the phone with Bro. Jim, and he is doing okay considering what he has gone through.**

**Thankfully, he was able to spend the night with her last night, so he was with her. Please keep him in your prayers because he will need them in the days ahead.**

**I'm going to make this a short missive today, so let me just give you a few things you need to know. Remember our four upcoming opportunities to bless our schools. This Saturday at 7 a.m., we will be pressure washing the football stadium. If you have a pressure washer and can help out, let me know. You can also bring some weed-eating equipment and perhaps some other**

**yardwork tools to spruce up the area. Sunday, August 16 at 2:00 we will be praying for our schools. We will meet at the entrance of the high school, divide into two groups, and walk around the school buildings and pray. Then, as soon as we finish getting our supplies together, we will be putting our “sneeze-guards” together. I will let you know. Finally, don’t forget to bring soft drinks, water, and Gatorade to the church for the teachers. If you haven’t already done so, please start praying today for our schools that God would allow them to open up and stay safe for another great year.**

**And don’t forget our Marriage Event on September 12 at 5:30 p.m. Go to this link to register: <https://www.marriagenight.org/>. Click on the link and look for our church’s name. The cost is \$30 per couple. You won’t want to miss this great event that we will be hosting at the Mitchell House. Invite your friends to join us to, but remember, registration will be limited.**

**Have a great day dear friends, and always remember: the future is as bright as the promises of God.**
